W: Stories - Stefano Tonchi

2014-10-21

"W magazine is renowned for its avant-garde fashion stories ... This volume gathers [11] of the most remarkable stories, each in its entirety, along with never-before-seen outtakes. Each story was the centerpiece of the issue it appeared in, and together they ride the razor's edge between outrageously provocative and enchanting, from the bizarre (Steven Klein's One for the Ages) to the alien (Tim Walker's Planet Tilda) and whimsical (Paolo Roversi's Carnevale)"-- Amazon.com.

The Girl's Guide to Homemaking - Amy Bratley

2011-02-04

'What makes you happy? What do you want from life?' I ran through a list of things that I supposed would make me sound cool. And then I told the truth. 'A home,' I said. 'A home with some people in it I love.' On a mission to have the perfect home, with tweeting bluebirds and a white picket fence, Juliet hits a major stumbling block - reality. On the first night with her

boyfriend in their new flat, Juliet discovers that Simon has been sleeping with her best friend. After growing up in a dysfunctional family with secrets that haunt her, there's no way she is prepared to build her nest on a broken branch. Heartbroken and seeking an escape from her troubles, Juliet retreats into the comforting world of her grandmother's 1950s homemaking manuals, discovering tips like 'put a ribbon in your hair to brighten your husband's day' and though Juliet knows that won't get her anywhere, she discovers that craft and homemaking are back in style. Taking control of her life, Juliet is determined to get her home with a heart. But who will win hers?

Funny Girl - Nick Hornby
2015-02-03

A brilliant novel from the bestselling author of *High Fidelity*, *About a Boy*, and *A Long Way Down*. Set in 1960's London, *Funny Girl* is a lively account of the adventures of the intrepid young Sophie Straw as she navigates her transformation from provincial ingénue to television starlet amid a constellation of delightful characters. Insightful and humorous, Nick Hornby's latest does what he does best: endears us to a cast of characters who are funny if flawed, and forces us to examine ourselves in the process.

The Shadow of the Vulture - Robert E. Howard 2022-09-15
The *Shadow of the Vulture* is a short story by American writer Robert E. Howard. An adventurous tale where we are introduced to the character of Red Sonya of Rogatino, who later became the inspiration for the popular character Red Sonja, archetype of the

Second World War. Intense journey in search of the why of one of the blackest pages in history."--Goodreads

After We Collided - Anna Todd 2014-11-25

The inspiration behind the major motion picture *After We Collided!* From New York Times bestselling author and Wattpad sensation Anna Todd, "the biggest literary phenom of her generation"

(Cosmopolitan), comes the sequel to the internet's most talked-about book—now with new exclusive material! Tessa has everything to lose. Hardin has nothing to lose...except her. AFTER WE

COLLIDED...Life will never be the same. After a tumultuous beginning to their relationship, Tessa and Hardin were on the path to making things work. She knew he could be cruel, but when a bombshell revelation is dropped about the origins of their relationship—and Hardin's mysterious past—Tessa is beside herself. Hardin will always be...Hardin. But is he really the deep, thoughtful guy

Tessa fell madly in love with despite his angry exterior, or has he been a stranger all along? She wishes she could walk away. It's just not that easy. Not with the memory of passionate nights spent in his arms. His electric touch. His hungry kisses. Still, Tessa's not sure she can endure one more broken promise. She put so much on hold for Hardin—school, friends, her mom, a relationship with a guy who really loved her, and now possibly even a promising new career. She needs to move forward with her life. Hardin knows he made a mistake, possibly the biggest one of his life. He's not going down without a fight. But can he change? Will he change...for love?

[Five Lectures on Psycho-Analysis](#) - Sigmund Freud 2014-11-11

This early work by Sigmund Freud was originally published in 1910 and we are now republishing it with a brand new introductory biography. 'Five Lectures on Psycho-Analysis' is a collection of

lectures delivered by the father of psychoanalysis. Sigmund Freud was born on 6th May 1856, in the Moravian town of Příbor, now part of the Czech Republic. He studied a variety of subjects, including philosophy, physiology, and zoology, graduating with an MD in 1881. Freud made a huge and lasting contribution to the field of psychology with many of his methods still being used in modern psychoanalysis. He inspired much discussion on the wealth of theories he produced and the reactions to his works began a century of great psychological investigation.

Pride and Pudding - Regula Ysewijn 2016-02-24

The life and times of the Great British Pudding, both savoury and sweet - with 80 recipes re-created for the 21st century home cook Jamie Oliver says of Pride and Pudding 'A truly wonderful thing of beauty, a very tasty masterpiece!'

BLESSED BE HE THAT INVENTED PUDDING The great British pudding, versatile and wonderful in all its guises, has been a source of nourishment and delight since the days of the Roman occupation, and probably even before then. By faithfully recreating recipes from historical cookery texts and updating them for today's kitchens and ingredients, Regula Ysewijn has revived over 80 beautiful puddings for the modern home cook. There are ancient savoury dishes such as the Scottish haggis or humble beef pudding, traditional sweet and savoury pies, pastries, jellies, ices, flummeries, junkets, jam roly-poly and, of course, the iconic Christmas pudding. Regula

tells the story of each one, sharing the original recipe alongside her own version, while paying homage to the cooks, writers and moments in history that helped shape them.

Natalia Goncharova - Matthew Gale 2019-09-24

Natalia Goncharova (1881-1962) was the leading female artist of the Russian avant-garde and a key figure of the modernist era. She embraced with a complete openness a wide range of artistic styles, traditions and media. From sculpture and painting, printmaking and book illustration, to fashion and innovative cinema, she applied the spirit of "everythingness" (Toutisme) to her creative practice. After gaining fame for her early experiments with

abstraction, she earned further international renown for her work for Diaghilev's Ballets Russes following her emigration to Paris in 1914. This publication will consider the entire spectrum of Goncharova's creative practice. An important focus will be her 1913 exhibition in Moscow at which she displayed over 350 paintings along with the numerous drawings, studies, prints and designs, demonstrating her prolific and prodigious talent. It will also address how Goncharova was unafraid to explore subjects in her art that were considered taboo for a gentile woman of pre-war Europe, such as the female nude, paganism and marginalised cultures.

Exhibition: Tate Modern, London, UK (06.06.-08.09.2019).

Lateral Cooking - Niki Segnit
2019-11-05

A groundbreaking handbook--the "method" companion to its critically acclaimed predecessor, *The Flavor Thesaurus*--with a foreword by Yotam Ottolenghi. Niki Segnit used to follow recipes to the letter, even when she'd made a dish a dozen times. But as she tested the combinations that informed *The Flavor Thesaurus*, she detected the basic rubrics that underpinned most recipes. *Lateral Cooking* offers these formulas, which, once readers are familiar with them, will prove infinitely adaptable. The book is divided into twelve chapters, each covering a basic culinary category, such as "Bread," "Stock, Soup & Stew," or "Sauce." The recipes in each chapter are arranged on a continuum, passing from one to another with just a tweak or two to the method or ingredients. Once you've got the hang of flatbreads, for

instance, then its neighboring dishes (crackers, soda bread, scones) will involve the easiest and most intuitive adjustments. The result is greater creativity in the kitchen: Lateral Cooking encourages improvisation, resourcefulness, and, ultimately, the knowledge and confidence to cook by heart. Lateral Cooking is a practical book, but, like *The Flavor Thesaurus*, it's also a highly enjoyable read, drawing widely on culinary science, history, ideas from professional kitchens, observations by renowned food writers, and Segnit's personal recollections. Entertaining, opinionated, and inspirational, with a handsome three-color design, Lateral Cooking will have you torn between donning your apron and settling back in a comfortable chair.

Literary Theory - Terry Eagleton 1985

Pseudo-English - Cristiano Furiassi 2015-03-10

This volume focuses on how English, through false Anglicisms, influences several

European languages, including Italian, Spanish, French, German, Danish and Norwegian. Studies on false Gallicisms are also included, thus showing how English may be affected by false borrowings.

Alfie Cat In Trouble - Rachel Wells 2016-04-07

Alfie the Doorstep Cat - star of the smash-hit Sunday Times bestseller - is back in brand new ALFIE story for a younger readership.

What Hell Is Not - Alessandro D'Avenia 2019-01-24

The school year is finished, exams are over and summer stretches before seventeen-year-old Federico, full of promise and opportunity. But then he accepts a request from one of his teachers to help out at a youth club in the destitute Sicilian neighbourhood of Brancaccio. This narrow tangle of alleyways is controlled by local mafia thugs, but it is also the home of children like Francesco, Maria, Dario, Totò: children with none of Federico's privileges, but with a strength and vitality that

changes his life forever. Written in intensely passionate and lyrical prose, *What Hell Is Not* is the phenomenal Italian bestseller about a man who brought light to one of the darkest corners of Sicily, and who refused to give up on the future of its children.

Afterburn / Aftershock -
Sylvia Day 2014-03-11

Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In

the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

Aftershock - Sylvia Day
2014-03-01

#1 New York Times Bestselling Author Sylvia Day, America's premier author of provocative fiction delivers the dramatic finale to a series set within the inner circle of glamour, sex and privilege. Now an original movie from PassionFlix. When it came to playing games, my lover Jax was a master strategist. He pulled strings behind the closed doors of D.C.'s most powerful political players, and somehow still found time to nearly sideline my career. What he didn't know was that when I didn't like the rules, I threw them out and made my own. I wasn't going to let Jax get away with it. I wasn't going to let him get away at all. I loved Jax enough that it was impossible to give up. Jax loved me enough that giving up was the only end he'd consider. He didn't think I could swim with the sharks. It was entirely my pleasure to

show him that I'd already dived in...

Yann Tiersen - Kerber - Yann Tiersen 2021-07-01

(Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on

the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.

Diary of a Submissive - Sophie Morgan 2012-09-04

The "real" Fifty Shades of Grey...A true life erotic story of female submission to rival The Story of O. In Diary of a Submissive, Sophie Morgan candidly explains what exactly an independent, 21st century woman gets out of relinquishing her power and personal freedom in a submissive relationship with a dominant man for their mutual sexual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive and follows Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound awakened sexuality. From the endorphin rush of her

first spanking right through to being collared, she explains in frank and explicit fashion her sexual explorations. But it isn't until she meets James, a real life 'Christian Grey,' that her boundaries and sexual fetishism are really pushed. As her relationship with James travels into darker and darker places, the question becomes: Where will it end? Can Sophie reconcile her sexuality with the rest of her life, and is it possible for the perfect man to be perfectly cruel? Daring, controversial, and sensual, *Diary of a Submissive* is filled with a captivating warmth and astounding honesty such that no one— man or woman—will be able to put Sophie's story down. Once you read the book you will understand why Sophie Morgan is a pseudonym.

Pan'ino, the (reduced Price) -

Maria Teresa Marco

2021-06-10

- Ninety-four delicious recipes for Italy's answer to fast food - Chef Alessandro Frassica emphasizes the use of fresh ingredients in imaginative

combinations What could be more simple than a pan'ino? Take some bread and butter, slice it through the middle and fill it. Seen in this way, the sandwich is almost an "anti-cuisine", a nomadic shortcut that allows for speed and little thought. But when Alessandro Frassica thinks about his pan'ino, he considers it in a different way, not as a shortcut, but as an instrument for telling stories, creating layers of tales right there between the bread and its butter. Because even if the sandwich is simple, it is not necessarily so easy to create. Alessandro searches for ingredients, and in the raw foods he finds people: producers of pecorino cheese from Benevento, anchovies from Cetara, 'nduja spicy salami from Calabria. Then he studies the combinations, the consistencies and the temperature, because a pan'ino is not just a random object; savoury must be complemented by sweet; tapenade softens and provides moisture; bread should be warmed but not

dried; thus the sandwich becomes a simple way of saying many excellent things, including finding a complexity of flavours that can thrill in just one bite.

The Lion's Mouth - Anne Holt
2016-02-09

Less than six months after taking office, the Norwegian Prime Minister is found dead. She has been shot in the head. But was it a politically motivated assassination or personal revenge? The death shakes the country to its core. The hunt for her killer is complicated, intense and gruelling. Hanne Wilhelmsen must contain the scandal before a private tragedy becomes a public outrage, in what will become the most sensitive case of her career... This is a story of lies, intrigue and politics. The Lion's Mouth questions who holds the power in Norway, and how far they will go to use it.

A Dictionary of European Anglicisms - Manfred Gorchach
2005-06-16

A Dictionary of European Anglicisms documents the

spread of English in Europe. It provides the first exhaustive and up-to-date account of British and American English words that have been imported into the main languages of Europe. English, which imported thousands of words from French and Latin (mainly after 1066), is now by far the world's biggest lexical exporter, and the trade is growing as English continues to dominate various fields ranging from pop music to electronic communication. Several countries have monitored the inflow of anglicisms and some have tried to block it. But language, as lexicographers have always found and as this book demonstrates once more, respects neither boundary nor law. The dictionary not only shows which words have been exported where, but how the process of importation can change a word's form and function, sometimes subtly, at others remarkably as in the transformation of painkiller to Bulgarian 'jack of all trades'. The book provides a systematic

description of the lexical input of English into Icelandic, Norwegian, Dutch, German, Russian, Polish, Croatian, Bulgarian, French, Spanish, Italian, Romanian, Finnish, Hungarian, Albanian, and Greek. Each entry has a brief definition of the loan word, followed by information on its history and distribution; variations in its spelling, meaning, and pronunciation; its route of transmission if not direct from English; its degree of acceptance and usage restrictions; and its native equivalents and derivatives. Grids showing distribution patterns across Europe accompany many of the entries. The Dictionary of European Anglicisms is a scholarly tour de force [French: imported early nineteenth century] and the result of a prodigious research effort across Europe masterminded and directed by Manfred Görlach. It is a unique resource for comparative analysis and the study of linguistic variation and change. It will fascinate linguists and word-watchers of

all persuasions.

A subtle line - Fabio Santoro
2019-03-20

A Legal Thriller about two lawyers working on opposite sides of the Channel, whose destinies are fatally intertwined. A pharmaceutical patent worth billions, a brutally murdered man and a trial that appears impossible to win.

These are the facts at the centre of two young lawyers' lives. The lives of men from two contrasting worlds whose paths criss-cross in a game of shadows and reflections.

Where money and revenge mark the boundaries where enemies become allies; where there is no certainty, only doubt and suspicion. A subtle line which separates ordinary lives, from those destroyed by fear; it will be up to the two adversaries on either side of the legal fence to rise above an international plot which could endanger their careers and, perhaps, their very lives... A gripping legal thriller from the very first page. PUBLISHER: TEKTIME

New York Club Kids - Walt

Cassidy 2019-10-03

New York: Club Kids is a high impact visual diary of New York City in the 1990s, seen through the eyes of Waltpaper, a central figure within the Club Kids. The Club Kids comprised an artistic and fashion-conscious youth movement that crossed over into the public consciousness through appearances on daytime talk shows, magazine editorials, fashion campaigns, and music videos, planting the seeds for popular cultural trends such as reality television, self-branding, influencers, and the gender revolution. Known for their outrageous looks, legendary parties, and sometimes-illicit antics, The Club Kids were the hallmarks of Generation X and would prove to be the last definitive subculture group of the analog world. The '90s, whose 30th anniversary is quickly approaching, has come to be known as the last discernible and cohesive decade, cherished by those who experienced it and romanticized by those who missed it. The first

comprehensive visual document of '90s nightlife and street culture, New York Club Kids grants special access to a dormant world, curated and narrated by someone who participated in the experience. Featuring rare photographs and ephemera, the book culls from the personal archives of various photographers and artists whose recognition is long overdue.

A very adult novel about adolescence written in a crafted, sensual prose that resonates hauntingly in the mind.

Obsessions and Phobias - Sigmund Freud 2014-11-11

This early work by Sigmund Freud was originally published in 1895 and we are now republishing it with a brand new introductory biography. 'Obsessions and Phobias' is a psychological essay on the distinction between obsessions and phobias and potential reasons for their occurrence. Sigmund Schlomo Freud was born on 6th May 1856, in the Moravian town of Příbor, now part of the Czech Republic. He studied a variety of subjects, including philosophy, physiology, and zoology, graduating with an MD in 1881. Freud made a huge and lasting contribution to the field

of psychology with many of his methods still being used in modern psychoanalysis. He inspired much discussion on the wealth of theories he produced and the reactions to his works began a century of great psychological investigation.

Salt is Essential - Shaun Hill
2018-08-23

Food needs salt. The quantity is a matter of personal taste but some presence is essential and little is more disappointing from the eating perspective than a plate of food that looks fabulous and tastes of very little. It shows the cook's priorities are all wrong, that too much television cookery has been watched and not enough tasting and enjoyment indulged in.' So says Shaun Hill, who in this engaging exploration of his 50 years as a chef, brings his wealth of experience to the table, sharing what he has learnt so that the home cook can create truly remarkable dishes. Never one to shy away from controversy, he covers everything from why local and

seasonal are not necessarily indicators of quality, to why soy beans are best left for cattle feed and Budapest is paradise for the greedy. The recipes range from Warm Rock Oysters with Spring Onion Butter Sauce to Pork in Shirtsleeves and Buttermilk Pudding with Cardamom. And although his commentary is undeniably witty, it's Shaun's knowledge and expert guidance that makes this book an invaluable tome for anyone who takes their food (but not themselves) seriously. 'This is a book you need to own; a lifetime's hard work in the kitchen distilled into sensible brevity. Shaun is a friend and a great cook.' Rick Stein

The Slightly Annoying Elephant (Read aloud by David Walliams) - David

Walliams 2013-11-07

Number one bestselling author David Walliams presents his very first picture book for children of 3 and up. Illustrated by artistic genius, Tony Ross, this eBook comes with audio hilariously read by the author himself.
