**Nostalgia** - Helmut Illbruck 2012-10-31

Helmut Illbruck traces the concept of nostalgia from the earliest uses of the term in the seventeenth century to today as it evolves with different meanings and intensities in the discourses of medicine, literature, philosophy, and aesthetics. Following nostalgia's troubled relations to the philosophical project of the Enlightenment, Illbruck's study builds a cumulative argument about nostalgia's modern significance that often revises and thoroughly enriches our understanding of cultural, literary, and intellectual history. Illbruck concludes with an attempt at a reinterpretation and defense of nostalgia, which seduces us to read and think with, rather than against, nostalgia's wistful yearning for the past. *Nostalgia: Origins and Ends of an Unenlightened Disease* is a comprehensive, insistent, and profound interdisciplinary investigation of the history of an idea.

It should appeal to readers interested in the cultural makings of the Enlightenment and modernity or in the histories of medicine, literature, and philosophy.

**Candide and Other Stories** - Voltaire 2006-06-08

'If this is the best of all possible worlds, then what must the others be like?' Young Candide is tossed on a hilarious tide of misfortune, experiencing the full horror and injustice of this 'best of all possible worlds' - the Old and the New - before finally accepting that his old philosophy tutor Dr Pangloss has got it all wrong. There are no grounds for his daft theory of Optimism. Yet life goes on. We must cultivate our garden, for there is certainly room for improvement. Candide is the most famous of Voltaire's 'philosophical tales', in which he combined witty improbabilities with the sanest of good sense. First published in 1759, it was an instant bestseller and has come to be regarded as one of the key texts of the Enlightenment. What Candide does for chivalric romance, the other tales in this selection - Micromegas, Zadig, The Ingenu, and The White Bull - do for science fiction, the Oriental tale, the sentimental novel, and the Old Testament. This new edition also includes a verse tale based on Chaucer's The Wife of Bath's Tale, in which we discover that most elusive of secrets: What Pleases the Ladies. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. **La morte mi fa ridere, la vita no** - Elisa Giobbi

2020-08-07T00:00:00+02:00

Quattordici artisti italiani, sette "maledetti" (Fred Buscaglione,

Piero Ciampi, Luigi Tenco, Franco Califano, Gabriella Ferri, Mia Martini e Rino Gaetano) e sette "dimenticati" (Daniele Pace, Ugolino, Franco Fanigliulo, Enzo Del Re, Stefano Rosso, Guido Toffoletti e Massimo Riva), accomunati dal divario tra grande talento e poca fortuna. Le loro gesta artistiche e umane sono raccontate in queste pagine attraverso testimonianze e interviste e in una veste narrativa che finalmente rende merito ai grandi artisti sfuggenti, ingiustamente snobbati, ignorati o cristallizzati nella loro condizione di eterni outsider, di cantanti non allineati verso cui noi tutti - musicisti e musicofili - abbiamo accumulato un debito. "Dobbiamo pagar pegno a Piero Ciampi" disse Fabrizio De André. Gli fece eco Guccini: "Tutti noi cantautori dobbiamo a Buscaglione l'invenzione di un nuovo genere musicale". Questo libro è un tardivo ma doveroso omaggio diretto a quei poeti che hanno arricchito di suggestioni, ombre, intuizioni, sfumature o innovazioni la storia della canzone italiana dagli anni Cinquanta del Novecento in poi, nei suoi decenni di maggior splendore, e l'hanno fatto nonostante le traversie di esistenze spesso brevi, sfortunate, sbilenche oppure troppo intense, senza mezzi termini, comunque malate, ferite. Autori controcorrente e controversi, maledetti dal destino ma benedetti dalle muse, dimenticati indimenticabili in eterno credito. Con i contributi di Attilio Pace, Vito Vita, Timisoara Pinto, Giò Alajmo e Claudia Riva

The tenth Commissario Ricciardi Neapolitan mystery is "endlessly surprising... a delicate balancing act between love and pain, horror and beauty."--ThrillerNord Christmas has just passed and the city is preparing to celebrate New Year when, on the stage of

Approaching old age and with a career in decline, the actor has become increasingly dependent on his wife, much younger than him and at the height of her fame. However, rumor has it that she had fallen in love with another man and was preparing to leave Gelmi. A straightforward case of infidelity and marital jealousy? Commissario Ricciardi has more than one doubt. A mystery made darker by the sudden fog that envelops an almost gothic Naples, Commissario Ricciardi's latest adventure will enrapture readers until its final, dramatic act.

Materada - Fulvio Tomizza 2000

Francesco Koslovic—even his name straddles two cultures. And during the spring of 1955, in the village of Materada on the Istrian Peninsula, his two worlds are coming apart. Materada, the first volume of Fulvio Tomizza's celebrated Istrian Trilogy, depicts the Istrian exodus of the hundreds of thousands who had once thrived in a rich ethnic mixture of Italians and Slavs.

Complicating Koslovic's own departure is his attempt to keep the land that he and his brother have worked all their lives. A picture of a disappearing way of life, a tale of feud and displacement, and imbued with the tastes, tales, and songs of his native Istria, Koslovic's story is a testament to the intertwined ethnic roots of Balkan history.

**The Monkey's Wrench** - Primo Levi 1995-07-01

"A remarkable narrative of a worklife as told to Primo Levi, who is as great a listener as he is a creative artist." —Studs Terkel A Penguin Classic In this exuberant and wildly funny novel, Primo Levi celebrates the joys of work and the art of storytelling. The

magic is worked through the mesmerizing tales told by Libertini Faussonne, a construction worker, and by the narrator, a writer-chemist, who share stories of their adventures. Faussonne is a life-loving, self-educated philosopher who has built bridges and towers in India, Africa, Alaska, and Russia. His passion for work and travel shines through his stories—of a monkey who wanted to be a man, of a magnificent machine that caught stardust, and of a first love, a girl who drove a bulldozer. The writer-chemist, himself a rigger of words and molecules, listens, patient and amused, and responds with his own fascinating stories and reflections on the similar joys of labor, both physical and intellectual. After 20 years in America, a successful businessman returns to the rustic Piedmontese communities which were riven by fascism. Much has changed since the war, and still more would like to be forgotten and buried. Memories return to the narrator as he looks at the lives and sometimes violent fates of the villagers he has known since childhood, and rediscovers the poverty, ignorance, or indifference that binds them to the hills and valleys against the beauty of the landscape and the rhythm of the seasons. With simple poetic force, Pavese weaves separate strands of narrative together, bringing them to a stark and poignant climax. The Maidens of the Rocks - Gabriele D'Annunzio 1898

**The Book of Disquiet** - Fernando Pessoa 2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and

discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

*The Deliverance of Evil* - Roberto Costantini 2014-02-11

Winner of the Scerbanenco Prize for the best Italian crime thriller, *The Deliverance of Evil* is a masterful psychological thriller about an edgy policeman's personal evolution--or devolution--as seen through the lens of a devilish case that consumed him early in his career and continues to haunt him twenty-four years later. With excitement over Berlusconi rise to power and Italy in a state of gleeful and frenzied anticipation over the national soccer team's improbable run to the 1982 World Cup, Italians are filled with hopeful feelings. The night before the big match, Elisa Sordi--an attractive eighteen year-old employed by the Vatican--vanishes. The case falls to a young, hedonistic post-Fascist officer named Michele Balistreri. Headstrong and ambivalent about spending his life as a policeman, Balistreri is annoyed to be interrupted during the festivities and takes the case lightly. But when Elisa's tortured corpse surfaces in the Tiber, Balistreri doubts he will ever be able to forgive himself for his inattention. After the man he arrested for the murder is exonerated, and tantalizing links to the Vatican and top right-wing politicians ignored, the case is never solved. Despondent, Michele spirals into drinking and depression. Twenty-four years later Italy is victorious once again in the World Cup, but the nation has changed. The balloon of optimism from the Eighties has deflated, and the now-gloomy nation suffers under the arrogant and corrupt Berlusconi government. A weak economy and chaotic immigration policies that have inflamed racist sentiments provide a stark contrast to the last time Italy tasted sweet soccer victory. Disturbingly, more lax divorce laws have

spawned a trend of "revenge" violence against women who try to assert their independence. Suddenly Sordi's mother apparently commits suicide, and then a slew of female corpses begin to turn up all with a letter of the alphabet carved into their bodies. The apparent hate behind the murders causes Balistreri to realize that the case that has haunted for twenty-four years may be heating up again, and with a newfound sense of purpose he charges into his work: the opportunity to redeem the darkest part of his past. The murders continue, and what initially seemed to be the work of a lone psychopath reveals itself to be part of something much bigger and more dangerous. Finally Balistreri realizes that the letters marking each victim are spelling out a chilling message. From the Hardcover edition.

**The Mermaid's Purse** - Ted Hughes 2000

In *The Mermaid's Purse*, Ted Hughes explores the ocean. From starfish and seagulls to mermaids and monsters, 28 poems capture the beauty, drama, and mystery of the sea and the seashore. Here is the ghostly cormorant: "Drowned fishermen come back/As famished cormorants/With bare and freezing webby toes/Instead of boots and pants." The strange and comical flounder: "The flounder sees/Through crooked eyes./Through crooked lips/The flounder cries." And the mermaid herself: "Call her a fish, /Call her a girl./Call her the pearl/Of an oyster fresh/On its pearly dish." By turns lyrical, whimsical, and robust, *The Mermaid's Purse* showcases the distinctive voice and appreciation of the natural world that made Ted Hughes among the most respected of late-20th-century poets. Made doubly accessible by Flora McDonnell's distinctive black-and-white art, this sea-themed collection will delight children and be welcomed by educators.

**Reeds in the Wind** - Grazia Deledda 1999

The rugged landscape of Baronia on Sardinia sets the scene for this novel of crime, guilt and retribution. This novel presents the story of the Pintor sisters - from a family of noble landowners now in decline - their nephew Giacinto, and their servant Efix, who is trying to make up for a mysterious sin committed many years before. Around, below, and inside them the raging Mediterranean storms, the jagged mountains, the murmuring forests, and the gushing springs form a Greek chorus of witness to the tragic drama of this unforgiving land. Deledda tells her story with her characteristic love of the natural landscape and fascination with the folk culture of the island, with details about the famous religious festivals held in mountain encampments and the lore of the "dark beings who populate the Sardinian night, the fairies who live in rocks and caves, and the sprites with seven red caps who bother sleep." Introduction by the Sardinian ethnographer, Dolores Turchi.

*Behind the Door* - Giorgio Bassani 2017-09-28

A new translation of Bassani's moving novel of childhood friendship and the unexpected loss of innocence The years lived since then have not, in the end, been of any use: I haven't managed to remedy the suffering which has remained there like a hidden wound, secretly bleeding. In the fourth book of the *Romanzo di Ferrara* cycle, Bassani paints a moving portrait of a 1930s childhood in which even the familiar classroom and playground dramas begin to reflect the sinister forces at work in

fascist Italy. This powerful tale of friendship and rivalry in the face of the ever encroaching spectre of adulthood adds yet another intricate thread to Bassani's rich tapestry of his native city, Ferrara. 'Giorgio Bassani is one of the great witnesses of this century, and one of its great artists' Guardian 'Powerful new translations . . . Bassani began as a poet, and McKendrick's redelivery of this taut uncompromising fiction reveals resonance and generosity' Ali Smith

*Zeno's Conscience* - Italo Svevo 2003-02-04

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected-and unexpectedly happy-marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's *Conscience* is a miracle of psychological realism.

Lu Pavone - Giuseppe Jovine 1993

Questa raccolta di poesie e di racconti popolari anonimi in dialetto molisano tracciano il percorso di due storie che, pur diversificate, si compenetrano e si completano a vicenda: la storia individuale dell' autore e la storia collettiva della società di un paese del Sud. Le immagini di un mondo apparentemente immobile e arcaico si alternano alle vicende di una realtà storica complessa e tormentata, nel cui magma vecchio e nuovo si scontrano e si fondono. This collection of poems and anonymous folktales in the Molisan dialect traces the unfolding of two stories which, although distinct, interweave and complete each other: the

author's individual story and the story of a town in the South of Italy. The images of an apparently immobile and archaic world alternate with the events of a complex and tormented historical reality, in whose magma the new and the old clash and fuse."

*Oroonoko, and Other Writings* - Aphra Behn 1998

..'I value fame almost as much as if I had been born a hero'. (Preface to *The Lucky Chance*). Aphra Behn (1640-89) achieved both fame and notoriety in her own time, enjoying considerable success for her plays and for her short novel *Oroonoko*, the story of a noble slave who loves a princess. Acclaimed by Virginia Woolf as the first English woman to earn her living by the pen, Behn's achievements as a writer are now acknowledged less equivocally than in the seventeenth century. As well as *Oroonoko*, this volume contains five other works of fiction ranging from comedy and high melodrama to tragedy. *The Fair Jilt*, *Memoirs of the Court of the King of Bantam*, *The History of the Nun*, *The Adventure of the Black Lady*, and *The Unfortunate Bride* are complemented by a generous selection of her poetry, ranging from public political verse to lyrics and witty conversation poems. This selection demonstrates Behn's range, as well as her wit, compassion, and interest in the question of identity and self-representation.

*Far from Mogadishu* - Shirin Ramzanali Fazel 2016-04-15

There was time when my country was the country of fairy tales, a country where every child would want to grow and play. Some time after the military coup in 1969 Shirin left Mogadishu and moved to Italy to make a new life

and home for herself and her family. Since then she has crossed continents and lived in several cities, facing the challenge of integrating with many different kind of society before settling in England in 2010. This book encapsulates her reflections on the Somali diaspora.

*The Luneburg Variation* - Paolo Maurensig 2016-09-13

"Not since White Knights of Reykjavik, George Steiner's riveting account of the 1972 world championship match between Boris Spassky and Bobby Fischer, has a writer demonstrated such stunning insight into the nurturing madness that compels chess play at the master level." - Publishers Weekly At the opening of this amazing fiction from Paolo Maurensig, *The Luneburg Variation*, a cadaver is discovered, the body of a wealthy businessman from Vienna, apparently a suicide without plausible motivation. Next to the body is a chessboard made of rags with buttons for pieces whose positions on the board may hold the only clue. As the plot of this passionately colored, coolly controlled thriller unfolds, we meet two chess players—one a clever, persecuted Jew, the other a ruthless, persecuting German—who

have faced each other many times before and played for stakes that are nothing less than life itself.

**The Child of Pleasure** - Gabriele D'Annunzio 2006

Originally published in 1889, this work's protagonist Andrea

Sperelli introduced the Italian culture to aestheticism and a taste for decadence. The young count seeks beauty, despises the bourgeois world, and rejects the basic rules of morality and social interaction. His corruption is evident in his sadistic superimposing of two women.
