Australia's Economy in Its International Context: Volume 1: 1904-1954 - Kym Anderson 2009

This two-volume collection brings together the first 56 Joseph Fisher Lectures in economics and commerce, presented at the Adelaide University every other year since 1904. Funds for the Lectures, together with a medal for the top accounting student each year, were kindly provided by a £1,000 endowment to the University by the prominent Adelaide businessman Joseph Fisher in 1903. The Lectures address a wide range of Australian economic issues, in addition to some international economic issues of national significance. They have stood the test of time extremely well, while also providing a reminder of the events and concerns that were prominent at different times during the past century.

Hardware Age - 1942

Current List of Medical Literature - 1953

Includes section, "Recent book acquisitions" (varies: Recent United States publications) formerly published separately by the U.S. Army Medical Library.

Includes history of bills and resolutions.

Accounting and Business Practice - John Henry Moore 1903

I Malavoglia, Mastro-don Gesualdo e Tutte le novelle - Giovanni Verga 2012-05-10

A cura di Sergio Campailla Edizioni integrali L'umanità dei vinti, di coloro che sono immancabilmente falciati dalla storia, per quanto possano tentare di opporsi: questo è l'ingrediente primo del verismo di Giovanni Verga, insieme con una straordinaria capacità di far rivivere sulla pagina la condizione umana dolente di una Sicilia osservata in prima persona. Così ne I Malavoglia una famiglia di pescatori di Aci Trezza dà voce a un romanzo corale in cui l'attaccamento alla tradizione familiare arcaica, che sembra l'unica possibile ancora di salvezza, si avvia a un triste naufragio. Mastro-don Gesualdo narra la storia del rivolgimento sociale di una classe che decade e di una classe che tenta di emergere, con la vicenda esemplare di un muratore arricchito che consacra tutte le proprie energie allo sterile amore per la "roba". Sono questi i temi ricorrenti anche nella novellistica verghiana, non solo quella di argomento siciliano: la lotta incessante e disperata per la sopravvivenza, il conflitto per il bisogno e per il possesso, il desiderio di elevarsi che si rivela inutile, di fronte all'accanirsi di un destino segnato. Qui si trovano alcune delle pagine più riuscite di Verga: quelle di Rosso Malpelo e La roba. Giovanni Verga nacque nel 1840 a Catania, dove trascorse la giovinezza. Nel 1865 fu a Firenze e successivamente a Milano, dove venne a contatto con gli ambienti letterari del tardo Romanticismo. Il ritorno in Sicilia e l'incontro con la dura realtà meridionale indirizzarono dal 1875 la sua produzione più matura all'analisi oggettiva e alla resa narrativa di tale realtà. Morì a Catania nel 1922. Di

Verga la Newton Compton ha pubblicato I Malavoglia, Mastro-don Gesualdo, Storia di una capinera, Tutte le novelle e Tutti i romanzi, le novelle e il teatro.

Modern Italy: War, postwar, reconstruction, take-off - 1984

The Yale Literary Magazine - 1871

Terminal View - Douglas Bourne 2002-12-16

Terminal View was written during 1996 and 1997. Looking back this was perhaps one of the most benign periods of the twentieth Century, a time when confidence in our globalised, media friendly, e-enabled future was at an all time high. This was a time when many of the people parodied in this book were working overtime to maintain the veil of trust and respectability we were then so fervently buying into. A trust and respectability which, at this stage in 2002, is quite rapidly and correctly being fed through history's shredder. There have been many serious books written on the subject of globalisation and the way big business is stealing an ever increasing slice of our lives, but Terminal View simply sets out to poke fun at the issues, treating the subject matter and its participants with the humour and contempt they deserve. The text is unmistakably British in style, for which I make no apologies.
