Graphics and Multimedia for the Web with Adobe Creative Cloud - Jennifer Harder 2018-11-16

Upgrade your skills in Adobe Creative Cloud and enhance your corporate or personal website with multimedia and graphics. In this book you'll look at the latest versions of five core Adobe programs: Photoshop, Illustrator, Animate (formerly Flash), Media Encoder and Dreamweaver. As you work with each of these programs to create images, animations, audio and video

you will see how each one can help you complete and finally integrate your multimedia files into a final mobile friendly website. Adding new multimedia features to your website does not have to be difficult or confusing. If you plan your route and goals correctly, along the way you will see how each software has its own use, but ultimately, how they can all work together for a common goal. This book also shows you how additional Creative Cloud software can be used with the core five programs should you want to add further interactivity. What You'll Learn: Use Adobe Creative Cloud software to create graphics and multimedia for a website Render images in various formats Work with video, HTML5 Canvas and audio files for the website Discover new features of HTML5 and CSS3 and how to work with them in Dreamweaver CC Who This Book Is For Graphic designers who are creating

websites; students in the classroom; instructors wanting to upgrade their Adobe Creative Cloud skills.

Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Dreamweaver CC (2018 release)

choose Adobe Dreamweaver CC Classroom in a Book (2018 release) from the best-selling series of hands-on software training workbooks from Adobe Press. The 12 project-based step-by-step lessons in this book show users the key techniques for working in Dreamweaver. Learn how to create webpages for the modern web with a minimum of hand coding; incorporate graphics, and text; add links to text and images; add interactive elements to your sites, such as HTML5-compatible interactivity; work with the latest HTML5 and CSS3 code and structures; and publish a finished site to the web. Four additional online lessons provide valuable hands-on experience in working with code and how to use and customize web frameworks to build a fully responsive site design to support a wide variety of desktop computers and mobile devices. The online assets also include three bonus exercises for HTML

and Cascading Style Sheets, and creating web assets, essential to your understanding of web design and website development. That's 16 total lessons chock full of invaluable information and real world examples. The online companion files include all the necessary assets for readers to complete the projects featured in each lesson as well as ebook updates when Adobe releases relevant new features for Creative Cloud customers. All buyers of the book get full access to the Web Edition: a Web-based version of the complete ebook enhanced with video and multiple-choice quizzes.

*Adobe Dreamweaver Classroom in a Book (2022 Release)* - James Maivald 2022-01-24  
Adobe Dreamweaver CC Classroom in a Book is the best-selling guide to Adobe's powerful web design application, fully updated. The 12 project-based lessons in this book show students step-by-step

everything they need to know in order to create a professional website without having to write code by hand. Because it's often useful to understand the code underlying a web site, the book starts with primers on HTML and CSS (the building blocks of website code) and shows students how to plan a web site. They then learn to design individual web pages, adding styled text, images, and interactive elements to make their designs attractive and engaging. Along the way, the book provides guidance and best practices for working with code, and in the end shows how to publish a finished site to the Web. The online companion files include all the necessary assets for students to complete the projects featured in each chapter as well as eBook updates when Adobe releases new features for Creative Cloud customers. Students get full access to the Web Edition: a Web-based version of the complete eBook enhanced

with video and interactive multiple-choice quizzes.
