Dalla balena blu al cyberbullismo - Andrea Bilotto 2017-11-02

In una società come quella attuale, dove l'apparire ha più importanza dell'essere, l'amplificazione prodotta dal web e dai social network può estremizzare ogni cosa, trasformando la "prodezza" del bullo in uno spettacolo con migliaia di spettatori, disponibile sulla rete senza limiti di spazio e di tempo. Il cyberbullismo coinvolge sempre più spesso adolescenti e preadolescenti. I due autori, esperti della tematica del cyberbullismo, ci guidano nel nuovo mondo delle relazioni online, cercando di aiutarci a conoscere a fondo il fenomeno, approfondendone gli aspetti psicologici e l'impatto che le nuove tecnologie hanno sui giovani e fornendoci consigli e strumenti per educare i ragazzi a un maggior senso di responsabilità e a un corretto utilizzo del web. Questo testo ci spiega come combattere il cyberbullismo utilizzando un'ottica di psicologia positiva, cercando di aiutare i ragazzi a focalizzarsi sul pensiero e sulle emozioni positive e sul valore delle relazioni interpersonali. Andrea Bilotto, psicologo, specializzando in Psicoterapia Sistemica, si occupa da diversi anni di disagio giovanile e scolastico, collaborando con diverse associazioni e centinaia di scuole in tutta Italia. Da diverso tempo porta avanti alcuni progetti e iniziative sul cyberbullismo e sui rischi virtuali. È autore di diversi saggi che affrontano il tema dell'adolescenza e della genitorialità. Tra gli altri, ha pubblicato *Genitori Social ai tempi di Facebook e Whatsapp* con Iacopo Casadei. Iacopo Casadei, psicologo, si occupa da quasi vent'anni di orientamento scolastico e professionale, formazione e psicologia scolastica. È autore di numerosi saggi che affrontano il tema dell'adolescenza e della genitorialità. Tra gli altri, ha pubblicato *Genitori social ai tempi di Facebook e Whatsapp* con Andrea Bilotto, *A scuola ed Educare al successo*.

A History of the Internet and the Digital Future - Johnny Ryan 2010-09-15

A History of the Internet and the Digital Future tells the story of the development of the Internet from the 1950s to the present and examines how the balance of power has shifted between the individual and the state in the areas of censorship, copyright infringement, intellectual freedom, and terrorism and warfare. Johnny Ryan explains how the Internet has revolutionized political campaigns; how the development of the World Wide Web enfranchised a new online population of assertive, niche consumers; and how the dot-com bust taught smarter firms to capitalize on the power of digital artisans. From the government-controlled systems of the Cold War to today's move towards cloud computing, user-driven content, and the new global commons, this book reveals the trends that are shaping the businesses, politics, and media of the digital future.

Iqbal - Francesco D'Adamo 2010-05-11

When young Iqbal is sold into slavery at a carpet factory, his arrival changes

everything for the other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

Il panettone - Tomie De Paola 1993

A baker loses his daughter, but gains a bakery in the grand city of Milano after meeting a determined nobleman and baking a unique loaf of bread.

Trevor - James Lescage 2012-09-25

Trevor is an exuberant, sociable, and witty thirteen year old. So how come, when he takes that nerve-racking turn toward his locker at school, he feels scared and alone? Shunned by his friends, misunderstood by his parents, and harassed at school for being different, Trevor goes from wondering what color glitter to choose for his Lady Gaga costume at Halloween, to wondering why some feelings "are so intense it makes you just want to lay down and die rather than go on feeling it," and making an attempt on his life. Trevor mixes humor and realism in an urgent look at what it is like to feel alienated from everything around you. And more importantly, what critical ties can step in at the most unlikely moment, to save you from despair, and give you reason to go on living. Trevor is an update of the film version of the story, directed by Peggy Rajski, which won the Academy Award for Best Live Action Short in 1994. The Trevor Project is the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgendered, and questioning youth. As the recent attention to youth suicides has received increased media attention, and Dan Savage's IT GETS BETTER campaign has gone viral around the world, the public is finally beginning to face hard facts. Thirty-three percent of suicides among teenagers involve LGBTQ youth, one-third of all LGBT kids report having attempted suicide, and nine out of ten report overt harassment at school. Trevor is an effort to make those kids feel loved and supported, so they will find the strength to go on living.

DSA: dalla scuola secondaria all'università - Giacomo Guaraldi 2023-01-17

Il volume indaga misure dispensative e strumenti compensativi per favorire il successo di ragazzi con Disturbi Specifici di Apprendimento. Oggi sono sempre di più gli studenti con Disturbi Specifici di Apprendimento che terminata la scuola secondaria di secondo grado, desiderano iscriversi all'università e che cercano di inserirsi in contesti lavorativi in linea con i propri studi e le proprie aspirazioni. Questo è sicuramente un segnale positivo, soprattutto per la crescente attenzione da parte del mondo accademico, anche se rimane ancora molto da fare per approdare a una completa inclusione. I contributi presenti in questo volume, attraverso un'ottica multidisciplinare, indagano quali siano le misure dispensative e gli strumenti compensativi da utilizzare, le buone prassi da seguire, le possibili prospettive lavorative e le strategie più efficaci per favorire il successo formativo di ragazzi e giovani con Disturbi Specifici di Apprendimento. Solitamente gli studenti con Disturbi Specifici di Apprendimento che riescono a ottenere un successo formativo sono giovani particolarmente motivati, supportati dalle famiglie e in grado di utilizzare strumenti compensativi e misure dispensative durante l'intero percorso scolastico. In sintesi la presente pubblicazione intende sottolineare come sia possibile favorire l'apprendimento degli alunni con Disturbi Specifici di Apprendimento favorendo il loro successo scolastico e lavorativo tramite il monitoraggio delle carriere scolastiche e la dotazione di strumenti e strategie compensative. Il volume indaga le problematiche di apprendimento degli studenti universitari attraverso l'uso di una versione modificata del questionario Vinegrad e sottolinea l'importanza della memoria di lavoro ovvero la capacità, negli alunni con Disturbi Specifici dell'Apprendimento, di mantenere in mente e manipolare informazioni per un breve periodo di tempo e quanto questa incida nella personale realizzazione. Successivamente il testo evidenzia le caratteristiche della dislessia nell'apprendimento della lingua italiana tramite il ruolo fondamentale dell'esercizio di lettura, un'attività che accompagna gli studenti con Disturbi Specifici dell'Apprendimento per l'intero percorso scolastico e che assume sempre maggiore importanza man mano che procedono da un ordine scolastico a quello successivo. L'intervento riabilitativo può, pertanto, essere uno stimolo in grado di modificare, in modo clinicamente significativo, la velocità di lettura in un dato momento. Inoltre, viene trattato il tema della «didattica per competenze» come chiave di volta per favorire una reale inclusione di soggetti con Bisogni Educativi Speciali, studenti con dislessia compresi. Il volume è arricchito dalla descrizione di diverse esperienze e attività, interviste a laureati con dislessia e già inseriti nel contesto lavorativo.

Ronia, the Robber's Daughter - Astrid Lindgren 1985-02-05

Read the book that inspired Studio Ghibli's series, Ronja the Robber's Daughter! A thrilling adventure crafted by the author of Pippi Longstocking. On the night Ronja was born, a thunderstorm raged over the mountain, but in Matt's castle and among his band of robbers there was only joy - for Matt now had a spirited little black-haired daughter. Soon Ronja learns to dance and yell with the robbers, but it is alone in the forest that she feels truly at home. Then one day Ronja meets Birk, the son of Matt's arch-enemy. Soon after Ronja and Birk become friends the worst quarrel ever between the rival bands erupts, and Ronja and Berk are right in the middle.

The Present Takers - Aidan Chambers 2010-09-30

Lucy's life is being made hell by Melanie Prosser and her bullying sidekicks - the present takers - who threaten her every day at school for presents and money. Too

ashamed to tell her parents, and too scared to tell her teacher, Lucy finds an unexpected ally in Angus Burns. But when push comes to shove, there's only one thing to do: take on the present takers at their own game, to silence them once and for all.

Odd and the Frost Giants - Neil Gaiman 2009-10-05

The Five Misfits - Beatrice Alemagna 2018-05-23

When Mr Perfect comes to stay, the five misfits find themselves questioning what their purpose in life is. Can they teach him that not fitting in is more fun than trying to be perfect? A quirky, allegorical picture book from the multi award-winning creator of A Lion in Paris.

The Most Important Thing - Antonella Abbatiello 2022-03-15

The animals of the forest have assembled to discuss what is the most important thing: to have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the animals with the quills of a porcupine, the long neck of a giraffe, or the trunk or the elephant, everyone must agree that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. The Most Important Thing received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

The Astounding Broccoli Boy - Frank Cottrell-Boyce 2015-03-26

The Astounding Broccoli Boy is the hilarious tale of an unlikely (and very green) hero believing in himself and finding adventure. Rory Rooney likes to be prepared for all eventualities. His favourite book is Don't Be Scared, Be Prepared, and he has memorized every page of it. He could even survive a hippo attack. He knows that just because something is unlikely doesn't mean it won't ever happen . . . But Rory isn't prepared when he suddenly and inexplicably turns green. Stuck in an isolation ward in a hospital far from home with two other remarkably green children, Rory's as confused by his new condition as the medics seem to be. What if turning green actually means you've turned into a superhero? Rory can't wait to make it past hospital security and discover exactly what his superpower might be . . . This edition of Frank Cottrell Boyce's funny adventure features fantastic cover artwork and black and white inside illustrations from the incredible Steven Lenton.

Requiem for a Dream - Hubert Selby 2012

Harry Goldfarb, heroin addict and son of lonely widow Sara, cares only about enjoying the good life with girlfriend Marion and best friend Tyrone C Love, and making the most of all the hash, poppers and dope they can get. Sara Goldfarb sits at home with the TV, dreaming of the life she could have and struggling with her own addictions - food and diet pills. But these four will pay a terrible price for the pleasures they believe they are entitled to.

Great Expectations - Charles Dickens 1881

One of the finest novels by iconic British author Charles Dickens, this Victorian tale follows the good-natured orphan Pip as he makes his way through life. As a boy, Pip crosses paths with a convict named Magwitch, a man who will heavily influence Pip's adulthood. Meanwhile, the earnest young man falls for the beautiful Estella, the adoptive daughter of the affluent and eccentric Miss

Havisham. Widely considered to be Dickens's last great book, the story is steeped in romance and features the writer's familiar themes of crime, punishment, and societal struggle.

Treating Child Sex Offenders and Victims - Anna Salter 1988-06

Treating Child Sex Offenders and Victims is a practical manual designed to assist mental health professionals in the effective treatment of both victims and offenders through the development of specialized skills. The author discusses methods of treatment of offenders and includes an assessment battery, which measures their sexual attitudes. She also addresses ways of treating victims and minimizing trauma within the legal system. The volume will thus be invaluable for all mental health professionals who wish to learn effective treatment of the victims and the perpetrators of child sexual abuse.

Minori vittime di reati sul web - Guendalina Scozzafava 2022-04-04

L'esplosione di internet a metà degli anni novanta del secolo scorso ha mutato radicalmente la connotazione sociologica degli utenti. Dati, informazioni, immagini, disposizioni economiche corrono fulminei nella dimensione intangibile, immateriale e senza tempo dello spazio cibernetico, uno spazio comunicativo, caratterizzato dall'assenza di limiti, sviluppatosi al di là dello schermo nelle interconnessioni tra i computer e le memorie informatiche. Il libro presenta l'analisi interdisciplinare di un nuovo modello di organizzazione sociale, quale l'Internet, con importanti ricadute nel campo dell'economia, della politica e della cultura alle quali vanno agganciate delle variazioni squisitamente psicologiche. Una vera rivoluzione, che necessita di essere compresa, per poter disporre dei mezzi adeguati per affrontarla. Un processo senza ritorno che muove, e per sempre muoverà enormi interessi di tipo economico, psico-sociale e giuridico.

Erika's Story - Ruth Vander Zee 2013-08-13

It is the winter of 1944. In Nazi-occupied Europe, a Jewish couple realize their fate is sealed and make a heart-rending decision so that their infant daughter might live. Ruth Vander Zee's elegant narration and Roberto Innocenti's searing and beautiful illustrations combine to capture the fear, love, and sadness of a Holocaust survivor's story.

The Bible in American Law and Politics - John R Vile 2020-09-19

While scholars increasingly recognize the importance of religion throughout American history, *The Bible in American Law and Politics* is the first reference book to focus on the key role that the Bible has played in American public life. In considering revolting from Great Britain, Americans contemplated whether this was consistent with scripture. Americans subsequently sought to apply Biblical passages to such issues as slavery, women's rights, national alcoholic prohibition, issues of war and peace, and the like. American presidents continue to take their oath on the Bible. Some of America's greatest speeches, for example, Lincoln's Second Inaugural and William Jennings Bryan's Cross of Gold speech, have been grounded on Biblical texts or analogies. Today, Americans continue to cite the Bible for positions as diverse as LGBTQ rights, abortion, immigration, welfare, health care, and other contemporary issues. By providing essays on key speeches, books, documents, legal decisions, and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures, John Vile provides an indispensable guide for scholars and students in religion, American history, law, and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues.

Cyberbullismo e devianza emozionale - Mariangela D'Ambrosio 2023-01-17

Il bullismo e il cyberbullismo sono da tempo oggetto di studio della sociologia, che si è concentrata però più sugli aspetti psicologici del fenomeno che su quelli squisitamente sociologici. Il taglio scelto da questa ricerca offre una prospettiva inedita che trova il proprio riferimento elettivo in un filone americano di studi sull'argomento e si addentra in un aspetto poco indagato del bullismo in generale e del cyberbullismo in particolare: quello della «devianza emozionale», ovvero del mondo delle emozioni come spazio del fraintendimento, entro il quale si inscrivono le dinamiche più violente di incomprensione, rivalsa e dilleggio. Il libro mostra come il cyberbullismo non possa essere considerato solo un nuovo fenomeno di bullismo agito con mezzi diversi, ma vada piuttosto inquadrato in un ambito più ampio di comportamenti «devianti» oggi molto frequenti tra gli adolescenti. **Dalla balena blu al cyberbullismo. Affrontare i pericoli dei social con la psicologia positiva** - Andrea Bilotto 2017

Maisy Goes to the City - Lucy Cousins 2011-11-15

"Paints a vibrant, tangible, and inviting world for preschool-aged readers." -Publishers Weekly Broom, vroom, beep! Maisy and Charley are in the city, and there are many things to get used to - noisy traffic, enormous buildings, and sidewalks so crowded they have to walk very slowly. Riding the escalator and elevator - and hanging on tight in the subway - are almost as much fun as exploring the giant toy store and eating pizza in a café. Even the playground is busy in the city!

Tony's Bread - Tomie dePaola 1996-04-16

Tony dreams that one day he'll become the most famous baker in northern Italy. His poor daughter Serafina wants to be allowed to marry. Each of their dreams seems far away until Angelo, a rich young nobleman from Milan, appears and devises a way to make everyone's dreams come true.

Cicero's Law - Paul J. du Plessis 2016-08-30

This volume brings together an international team of scholars to debate Cicero's role in the narrative of Roman law in the late Republic - a role that has been minimised or overlooked in previous scholarship. This reflects current research that opens a larger and more complex debate about the nature of law and of the legal profession in the last century of the Roman Republic.

River Boy - Tim Bowler 2001-04-02

She didn't know how fast the current was moving her. It could take many more hours yet, perhaps more hours than she had the strength for. But she must not stop. She must keep going. She must try to catch the river boy, even though she was frightened at the thought of what he was. Jess's beloved grandfather has just had a serious heart attack, but he insists that the family travel as planned to his boyhood home on the river so that he can finish his painting, River Boy. As Jess helps her ailing grandpa with his work, she becomes entranced by the scene he is painting. Then she becomes aware of a strange presence in the river -- a boy who asks for her help and issues a challenge that will stretch her swimming talents to their very limit. Jess knows that Grandpa and the river boy are connected, but how? Can she take up the river boy's challenge before it's too late for Grandpa? Tim Bowler's gripping narrative flows like a river itself -- gentle and calm at times, turbulent and deep at others, always fluid, always alive. Readers will be swept along by the magic of the river and the mysterious river boy -- and changed forever by Jess's unforgettable journey.

Little Goose's Autumn - Elli Woollard 2020-09-03

Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do – but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent – they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

The Eyes of the Amaryllis - Natalie Babbitt 2010-10-12

When the brig Amaryllis was swallowed in a hurricane, the captain and all the crew were swallowed, too. For thirty years the captain's widow, Geneva Reade, has waited, certain that her husband will send her a message from the bottom of the sea. But someone else is waiting, too, and watching her, a man called Seward. Into this haunted situation comes Jenny, the widow's granddaughter. The three of them, Gran, Jenny, and Seward, are drawn into a kind of deadly game with one another and with the sea, a game that only the sea knows how to win. The Eyes of the Amaryllis is a 1977 New York Times Book Review Notable Children's Book of the Year.

Compasito - Nancy Flowers 2007-01-01

Living among other people, in their families and communities, children become aware from a very early age of questions related to justice, and they search for the meaning of the world. By fostering an understanding of human rights, shaping opinion and developing attitudes, human rights education strongly supports this natural interest and learning process. This is what human rights education is about and this is what 'Compasito manual on human rights education for children' is for. 'Compasito' is a starting point for educators, teachers and trainers who are ready to deal with human rights education with children of 7-13 years. The book covers the key concepts of human rights and children's rights, and provides substantial theoretical background to 13 key human rights issues, such as democracy, citizenship, gender equality, environment, media, poverty, and violence. The 42 practical activities serve to engage and motivate children to recognise human rights issues in their own environment. They help children to develop critical thinking, responsibility and a sense of justice, and help them learn how to take action to contribute to the betterment of their school or community. The manual also gives practical tips on how it can be used in various formal and non-formal educational settings.

Chronicles of a Liquid Society - Umberto Eco 2017

A posthumous collection of essays by the great novelist, essayist, literary critic, and philosopher Umberto Eco

The Narcissism Epidemic - Jean M. Twenge 2010-04-13

Narcissism—an inflated view of the self—is everywhere. Public figures say it's what makes them stray from their wives. Parents teach it by dressing children in T-shirts that say "Princess." Teenagers and young adults hone it on Facebook, and celebrity newsmakers have elevated it to an art form. And it's what's making people depressed, lonely, and buried under piles of debt. Jean Twenge's

influential first book, *Generation Me*, spurred a national debate with its depiction of the challenges twenty- and thirty-somethings face in today's world—and the fallout these issues create for educators and employers. Now, Dr. Twenge turns her focus to the pernicious spread of narcissism in today's culture, which has repercussions for every age group and class. Dr. Twenge joins forces with W. Keith Campbell, Ph.D., a nationally recognized expert on narcissism, to explore this new plague in *The Narcissism Epidemic*, their eye-opening exposition of the alarming rise of narcissism and its catastrophic effects at every level of society. Even the world economy has been damaged by risky, unrealistic overconfidence. Drawing on their own extensive research as well as decades of other experts' studies, Drs. Twenge and Campbell show us how to identify narcissism, minimize the forces that sustain and transmit it, and treat it or manage it where we find it. Filled with arresting, alarming, and even amusing stories of vanity gone off the tracks (would you like to hire your own personal paparazzi?), *The Narcissism Epidemic* is at once a riveting window into the consequences of narcissism, a prescription to combat the widespread problems it causes, and a probing analysis of the culture at large.

Becoming Byzantine - Αριέττα Παπακωνσταντίνου 2009

Becoming Byzantine: Children and Childhood in Byzantium presents detailed information about children's lives, and provides a basis for further study. Loser - Jerry Spinelli 2009-10-13

From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.
