Concern for Church Mission and Spiritual Gifts - Laura Schmidt

Roberts 2022-03-31

In the 1950s, a conversation among a handful of American graduate students

considering the place of Mennonites in the modern world blossomed into a published forum, *CONCERN: A Pamphlet Series for Questions of Christian Renewal*. The *CONCERN* writings here consider the global, missional, experiential, contextualized realities of such a "place," past and present. The writings explore the role of culture and context in the church's mission, lived faith, and theological articulation through various avenues of approach: the global church and the ecumenical movement, Christendom's legacy of colonialism and cultural accommodation, critique of rigid and outdated ecclesial structures and forms, the complexities of the unavoidably enculturated nature of faith as proclaimed and lived. Two contemporary responses offer

postcolonial critique and development, demonstrating that such topics continue to be of critical concern in today's globally interconnected yet fragmented and divided world.

Speak Your Faith - Ashish Raichur
2021-03-26

Throughout Scripture God instructs His people to speak His Word. His Word spoken as words out of our mouths with faith in our hearts, cause His creative, miracle-working power to be released in our natural realm. His Word spoken as words out of our mouths become our weapon against the enemy. We can shape our world through speaking God's Word over our present and our future. We must learn to speak faith-filled words at all times in all situations. To speak in faith is not to deny the

existence of a mountain or the fierceness of a prevailing storm. Rather faith speaks to the mountain denying its right to continue standing in the way. Faith speaks to the winds and the storms depriving it of its right to wreck havoc, and instead, give way to the peace and calm that God releases. Faith speaks to sickness commanding it to leave and give way to healing and wholeness that comes from God. This book will establish you in this Biblical truth and inspire you to speak your faith, at all times! Healing & Deliverance Devotional -
Loanna Warren 2011-04

The Author, LoAnna Warren, has always sensed the presence of God in her life. For many long years, she sought God and had a desire to serve the Lord with her whole heart. Several years ago, she recognized there was a call on her life and encountered what one would call "wilderness"

experiences. As she began to overcome, God gave her revelations about bondage and deliverance and what it takes to live a victorious life in the earth (Matthew 6:33). She truly believes that the power of God is more powerful than any other force and that with God all things are possible. LoAnna has a heart for empowering women and a strong desire to see God's people walk in victory. This prayer devotional is for anyone who desires a closer walk with God, to intercede for others, and to pull down strongholds. The passages are filled with testimonies, wisdom, and prayers relevant to many of life's issues and circumstances. As you meditate on the Word of God and pray, be prepared for your life to be transformed. Your mind will be renewed as you pray powerfully by

activating the power of the spoken Word. This is based on understanding that life and death are in the power of your tongue. Because we are made in the image of God, we can expect transformation when we pray. The world came into existence by God's spoken Word - so powerful that when His Word went forth, it accomplished what He intended!

Healing Ministry Training - Mick J. Brindle 2010-01-09

God is truly moving today in power. This training program provides both instructional and spiritual insights on how to start a healing ministry. Many church leaders today have a deep desire to have a healing ministry, but are often not sure just how to start one. This three session training guide is brief, but very thorough in providing insights into

the different mind-sets in the church today concerning Gods Spiritual Gifts. Knowing our authority as Christians and walking in the anointing of the Holy Spirit is key to breaking the chains of physical, spiritual, and emotional bondage. As a minister of healing and deliverance, I can with certainty say that serving as a team in full unity under the authority of God, is key to seeing the powers of darkness bow at the name of Jesus. Jesus gave all Christians the authority to heal the sick, cast out demons, and raise the dead.

25 Reasons Why Christians Are Not

Healed - Revivalist Dan Nolan
2017-11-18

Healing - Mary Healy 2015-10-23
"Lord, I am not worthy to have you enter under my roof; only say the word and my servant will be healed."
- Matthew 8:8 When we, or a family member or friend, are faced with an injury or illness, physical or emotional, our thoughts turn to God in prayer for healing. We want to believe, as the Centurion did, that God will grant healing, but we wonder. And if we as Catholics have doubts, what does this mean to a hurting world, also in need of healing? In her new book *Healing: Bringing God's Gift of Mercy to the World*, Mary Healy answers to these questions and more -- Is Jesus still healing people today? Are these

healings real and do they last? How do we know if God wants us to pray for healing? Isn't God asking us to endure suffering and hardships instead of asking for healing? How can we pray for healing? Can my broken heart be healed as well as my body? Through the study of Catholic tradition, the lives of the saints, and ordinary people, you'll begin to understand how the message of inward healing is also a message that we as Catholics are empowered to take outward to the world.

Healing Words - Pam Robinson

2020-03-03

It was the morning of December 28, 2016—four days before New Year's Day. The medical assistant from my OB/GYN called and told me that the results of my tests were back, and it showed that I had an enlarged fallopian

tube. WHAT!?! My heart dropped. Enlarged with what? I asked the medical assistant what this meant. She told me that I had to wait to talk to the doctor. She scheduled me for an appointment one week later. Fear began to set in. I can't wait one week. Immediately, the enemy began to flood my mind with negative thoughts. What could this be? Suppose its cancer—you may die! Do you know that you hinder your healing when you speak words of negativity, doubt and unbelief? Healing Words, Scriptures for the Spirit, Soul, and Body, is a powerful, interactive book that teaches you how to:

- Change the way you talk by examining the words you speak.
- Discover the origin of these unhealthy words.
- Activate your healing by exchanging your words with God's word.

There are pages of God-

inspired prayers and scripture to speak over every area of your life.

The Ministry of Healing - Ellen Gould Harmon White 1909

This book has been around a while. Since it was first published, a lot of other books about health have come and gone. Some of them have been bigger than this one, but none of them have ever been better. Perhaps you have noticed the explosion in diet and exercise publications. Today it is obvious that the pursuit of health and fitness is more than just a quick fad. Looking and feeling good isn't optional, for many people these days, it's a high lifestyle priority. "The Ministry of Healing" is a book that crusades for total fitness, not just physical fitness because we are human beings and are more than just bodies. This book speaks to the needs of the whole person, body, mind and

spirit. For a whole lot less than one visit to the Doctor, this classic on health will tell you how to manage stress, get well and prevent disease while feeling vibrantly alive. - The True Medical Missionary. RETAINING THE HEALING YOU HAVE

RECEIVED - ISAIAH MICHAEL WEALTH

2022-06-24

Many people get healed in meetings, crusades and even in their personal time of worship, but it is alarming to see that very few of these are able to keep their healing. Despite the enthusiasm and joy with which

these people receive their healing, over time, Satan brings challenges their way and soon their faith wanes and they ultimately lose their healing. Therefore, it is not enough to receive your healing, but you need to know how to keep and retain your healing. In this book, we will focus on why people lose their healing so that when these challenges arise, you can stand strong and overcome.

Tongues - Wonderway to Wonderworld -

Ignited - Linda Anderson 2019-08-01
Have you ever heard a doctor say, "I will heal ALL of your diseases"? Only God guaranteed a freedom from disease which no one in the medical community has ever dared to duplicate! Yet, most people go to a medical doctor before they got o Almighty God. Throughout biblical history, there was never a time when medicine alone was credited as a cure. Only God was known to heal and known as Healer. Medicine and medical procedures may be aids in regaining health, but the

supernatural healing of God is the one essential component that cannot be left out. Without God, there is not Healer. "For I am the Lord who heals you" (Exodus 15:26). This book is filled with true stories about miraculous healings – including the story of a man who was born blind and who received his eyesight through prayer! Read the instructions and the stories, and become Ignited in your pursuit for personal healing, as well as power to bring healing to others.

Deliverance and Spiritual Body

Mapping - Carolyn Steidley 2016-06-13
Will you go to hell for me? asked the Lord. I remember standing in my living room stunned. It took me a few days to be able to answer him. I replied with a shaking, Yes. He then took me in a vision to the gates of hell. I could smell the sulfur and feel the heat. The gates were huge thick black iron, they swung open as I approached. I was standing on stepping stones just big enough for my feet and lava swirled around the stones. I heard the Lords voice, Dont be afraid Carolyn. I have a net around you and yours. I looked and saw a large net all around me. I continued along the stones and then I saw it - a hand reached desperately to me out of the lava. I grabbed a hold and pulled for all I was worth! The vision ended. From that vision, I

learned there are people all around us who are in the own personal hells. We are to set the captives free! The Lord gave me a way to help. It is called Spiritual Body Mapping and it works! It is an amazing way to quickly diagnose and target the strengths as well as areas that need to be addressed in an individuals life. As you read this book, I pray for the spirit of wisdom and revelation to enlighten you. God Bless you, Carolyn Steidley

The Breeding Ground - Bevely Greenwood 2009-12

How surprising it was to hear the Holy Spirit say to me, "This is your breeding ground," while standing on the grounds of Harbor UCLA Medical Center in Torrance, California. It was a place where my two sons had been born with complications. Little did I know that twenty years later my destiny would unfold between the perimeters of these same grounds. Unknowingly I had enrolled in the school of the Holy Spirit and HE would be my Instructor. I would also give birth here to a ministry which consisted among other things, of a healing ministry. These grounds where medical scholars receive training would also become the place of my training in the spiritual realm. As you read this book you will become a part of these God-given classes that are given through divine revelations,

while you gain knowledge regarding the five spiritual senses and their value. You can gain knowledge in your spiritual senses even in the absence of the five physical senses-such as in the story of "Baby O" who was believed to be born without any of his five physical senses. Then there is the revelation of the angels found in a hospital room that may have been instructors sent by the Holy Spirit. In sharing my experience you will also gain insight in such crucial areas as character development, ministry of intercession, and spiritual warfare. Your life will be transformed by the eye-openers given within these pages as they usher you into your own "breeding ground" experience! Meet Bevely Greenwood-President of Bevely Greenwood Ministries. November 1996, Bevely

acknowledged her call to "God's Ministry." From 1998 to 2003, Bevely ministered at Harbor UCLA Medical Center, in Torrance California and held healing services in Carson, California. Since 2003, her ministry has expanded nationally and internationally.

Healing in the History of Christianity - Amanda Porterfield
2005-08-25

Healing is one of the most constant themes in the long and sprawling history of Christianity. Jesus himself performed many miracles of healing. In the second century, St. Ignatius was the first to describe the eucharist as the medicine of immortality. Prudentius, a 4th-century poet and Christian apologist, celebrated the healing power of St. Cyprian's tongue. Bokenham, in his

15th-century Legendary, reported the healing power of milk from St. Agatha's breasts. Zulu prophets in 19th-century Natal petitioned Jesus to cure diseases caused by restless spirits. And Mary Baker Eddy invoked the Science of Divine Mind as a weapon against malicious animal magnetism. In this book Amanda Porterfield demonstrates that healing has played a major role in the historical development of Christianity as a world religion. Porterfield traces the origin of Christian healing and maps its transformations in the ancient, medieval, and modern worlds. She shows that Christian healing had its genesis in Judean beliefs that sickness and suffering were linked to sin and evil, and that health and healing stemmed from repentance and

divine forgiveness. Examining Jesus' activities as a healer and exorcist, she shows how his followers carried his combat against sin and evil and his compassion for suffering into new and very different cultural environments, from the ancient Mediterranean to modern America and beyond. She explores the interplay between Christian healing and medical practice from ancient times up to the present, looks at recent discoveries about religion's biological effects, and considers what these findings mean in light of ages-old traditions about belief and healing. Changing Christian ideas of healing, Porterfield shows, are a window into broader changes in religious authority, church structure, and ideas about sanctity, history, resurrection, and the kingdom of God.

Her study allows us to see more clearly than ever before that healing has always been and remains central to the Christian vision of sin and redemption, suffering and bodily resurrection.

In Times of Financial Troubles -
Stellah Mupanduki 2017-05-15

Psalm 45:1 "My heart is stirred by a noble theme as I recite my verses for the king; my tongue is the pen of a skillful writer." "Financial troubles in a person's life are caused by circumstances, like; evil forces of the dark spiritual realm like the spirit of lack and poverty, war, social and economic instability in countries, economic recessions and financial market crushing, natural disasters, unforeseeable disasters, other people's evil doings against others, hearts and mind and hands

that denies justified compensation to those who deserve, robbery, loss of jobs, brokenness of businesses, human conflicts like envy, malice and hatred, divorce, terminal, chronic and rare illnesses, wrong choices and mistakes made by individuals in their own financial matters and failure to save. You Can Walk in Freedom, Blessing and Victory When You Learn to Possess the Heart, Mind and Mouth of Christ!
There is a kingdom on the inside of each of us. Either Jesus sits on the throne, or the devil sits on the throne. In this book, Dr. Zona Hayes-Morrow shows how our words affect our lives. The smallest word of judgement can open the door for the devil to attack. When you talk about another person, you give place to the devil. As Christians, we need to look at the person's heart and not their appearance. The Lord wants our lives to be so filled with His love that when someone else attacks us, we can be ready to forgive immediately, never affecting the love we should have for them. This is not a game we are playing. One quick word can cause

a long time of sorrow. This is why it is imperative that we guard our mind, our mouth and our heart. We must pray daily to have the mind, the mouth and the heart of Christ.
