### **The Sleeping Dictionary**

- Sujata Massey

2013-08-20

From an award-winning novelist, a stunning portrait of late Raj India—a sweeping saga and a love story set against a background of huge political and cultural upheaval. YOU ASK FOR MY NAME, THE REAL ONE, AND I CANNOT TELL. IT IS NOT FOR LACK OF EFFORT. In 1930, a great ocean wave blots out a Bengali village, leaving only one survivor, a young girl. As a maidservant in a

British boarding school, Pom is renamed Sarah and discovers her gift for languages. Her private dreams almost die when she arrives in Kharagpur and is recruited into a secretive, decadent world. Eventually, she lands in Calcutta, renames herself Kamala, and creates a new life rich in books and friends. But although success and even love seem within reach, she remains trapped by what she is . . . and is not. As India struggles to throw off imperial rule, Kamala uses her hard-won skills—for secrecy, languages, and reading the unspoken gestures of those around her—to fight for her country's freedom and her own happiness.

The Betrothed -  
Alessandro Manzoni  
1983-11-24  
Set in Lombardy during the Spanish occupation of the late 1620s, *The Betrothed* tells the story of two young lovers, Renzo and Lucia, prevented from marrying by the petty tyrant Don Rodrigo, who desires Lucia for himself. Forced to flee, they are then cruelly separated, and must face many dangers including plague, famine and imprisonment, and confront a variety of strange characters - the mysterious Nun of Monza, the fiery Father Cristoforo and the sinister 'Unnamed' - in their struggle to be reunited. A vigorous portrayal of enduring passion, *The Betrothed's* exploration of love, power and faith presents a whirling panorama of seventeenth-century Italian life and is one of the greatest European historical novels.

The Right Attitude to  
Rain - Alexander McCall  
Smith 2009-02-24

The delectable new  
installment in the  
bestselling and already  
beloved adventures of  
Isabel Dalhousie and her  
no-nonsense housekeeper,  
Grace. When friends from  
Dallas arrive in  
Edinburgh and introduce  
Isabel to Tom Bruce - a  
bigwig at home in Texas  
- several confounding  
situations unfurl at  
once. Tom's young  
fiancée's roving eye  
leads Isabel to believe  
that money may be the  
root of her love for  
Tom. But what, Isabel  
wonders, is the root of  
the interest Tom begins  
to show for Isabel  
herself? And she can't  
forget about her niece,  
Cat, who's busy falling  
for a man whom Isabel  
suspects of being an  
incorrigible mama's boy.  
Of course Grace and  
Isabel's friend Jamie  
counsel Isabel to stay  
out of all of it, but

there are irresistible  
philosophical issues at  
stake - when to tell the  
truth and when to keep  
one's mouth shut, to be  
precise - and  
philosophical issues are  
meat and drink to Isabel  
Dalhousie, editor of the  
Review of Applied  
Ethics. In any case,  
she's certain of the  
ethical basis for a  
little sleuthing now and  
again - especially when  
the problems involve  
matters of the heart.  
*Asylums* - Erving Goffman  
2017-09-08

A total institution is  
defined by Goffman as a  
place of residence and  
work where a large  
number of like-situated,  
individuals, cut off  
from the wider society  
for an appreciable  
period of time, together  
lead an enclosed,  
formally administered  
round of life. Prisons  
serve as a clear  
example, providing we  
appreciate that what is  
prison-like about  
prisons is found in  
institutions whose  
members have broken no  
laws. This volume deals  
with total institutions

in general and, mental hospitals, in particular. The main focus is, on the world of the inmate, not the world of the staff. A chief concern is to develop a sociological version of the structure of the self. Each of the essays in this book were intended to focus on the same issue--the inmate's situation in an institutional context. Each chapter approaches the central issue from a different vantage point, each introduction drawing upon a different source in sociology and having little direct relation to the other chapters. This method of presenting material may be irksome, but it allows the reader to pursue the main theme of each paper analytically and comparatively past the point that would be allowable in chapters of an integrated book. If sociological concepts are to be treated with affection, each must be traced back to where it best applies, followed from there wherever it seems to lead, and

pressed to disclose the rest of its family.

*The Master Letters of Emily Dickinson* - Emily Dickinson 1986

This volume analysis the three letters written by Emily Dickinson, addressed to a man she called Master. They are presented in chronological order, including transcriptions that show stages in the composition of each letter, and placed in historical perspective. 1848 - Mike Rapport 2009-02-03

In 1848, a violent storm of revolutions ripped through Europe. The torrent all but swept away the conservative order that had kept peace on the continent since Napoleon's defeat at Waterloo in 1815—but which in many countries had also suppressed dreams of national freedom. Political events so dramatic had not been seen in Europe since the French Revolution, and they would not be witnessed again until 1989, with the revolutions in Eastern and Central

Europe. In 1848, historian Mike Rapport examines the roots of the ferment and then, with breathtaking pace, chronicles the explosive spread of violence across Europe. A vivid narrative of a complex chain of interconnected revolutions, 1848 tells the exhilarating story of Europe's violent "Spring of Nations" and traces its reverberations to the present day.

**Confessions of an Italian** - Ippolito Nievo 2014-05-29

An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic

entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. *Confessions of an Italian*, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship,

en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's *Deliver Us* and Ottavio Cappellani's *Sicilian Tragedy* and Sergio Luzzatto's *Padre Pio: Miracles and Politics in a Secular Age*. Lucy Riall is Professor of Comparative History at the European University Institute. Her many books include *Garibaldi. Invention of a Hero*. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so abundant in foreign literatures' - Italo

Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnero 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - *The Literary Encyclopedia* [Sea and Sardinia](#) - D.H. Lawrence 2021-10-21 'Sea and Sardinia' describes Lawrence and his wife Frieda's 1921 trip to Italy. His poetic exploration mirrors that of his own 'Twilight in Italy' and creates an impression of Sardinia and its people that is still relevant and appealing today. Unmissable for those who enjoy Rudyard Kipling, Franz Kafka, and James Joyce. DH Lawrence (1885-1930) was an English poet and novelist. Famed for his lyrical prose, he was

uncompromising in his mission to uncover the consequences of modernity and industrialization, particularly on sexuality, instinct, and spontaneity. His works, although innovative, were not truly appreciated until after his death, the most notable of which 'Lady Chatterley's Lover' was adapted to screen in 1981.

River Boy - Tim Bowler  
2001-04-02

She didn't know how fast the current was moving her. It could take many more hours yet, perhaps more hours than she had the strength for. But she must not stop. She must keep going. She must try to catch the river boy, even though she was frightened at the thought of what he was. Jess's beloved grandfather has just had a serious heart attack, but he insists that the family travel as planned to his boyhood home on the river so that he can finish his painting, River Boy. As Jess helps her ailing grandpa with

his work, she becomes entranced by the scene he is painting. Then she becomes aware of a strange presence in the river -- a boy who asks for her help and issues a challenge that will stretch her swimming talents to their very limit. Jess knows that Grandpa and the river boy are connected, but how? Can she take up the river boy's challenge before it's too late for Grandpa? Tim Bowler's gripping narrative flows like a river itself -- gentle and calm at times, turbulent and deep at others, always fluid, always alive. Readers will be swept along by the magic of the river and the mysterious river boy -- and changed forever by Jess's unforgettable journey.

### Self and Story in

Russian History - Laura Engelstein 2018-08-06  
Russians have often been characterized as people with souls rather than selves. Self and Story in Russian History challenges the portrayal of the Russian character as selfless, self-effacing, or self-torturing by exploring the texts through which

Russians have defined themselves as private persons and shaped their relation to the cultural community. The stories of self under consideration here reflect the perspectives of men and women from the last two hundred years, ranging from westernized nobles to simple peasants, from such famous people as Tolstoy, Dostoyevsky, Akhmatova, and Nicholas II to lowly religious sectarians. Fifteen distinguished historians and literary scholars situate the narratives of self in their historical context and show how, since the eighteenth century, Russians have used expressive genres—including diaries, novels, medical case studies, films, letters, and theater—to make political and moral statements. The first book to examine the narration of self as idea and ideal in Russia, this vital work contemplates the shifting historical manifestations of

identity, the strategies of self-creation, and the diversity of narrative forms. Its authors establish that there is a history of the individual in Russian culture roughly analogous to the one associated with the West.

**Management of Cultural Firms** - Paola Dubini  
2021-05

Cultural organizations play a variety of roles in contemporary society: they may be tools for cultural diplomacy, tourist attractors, educational and research-oriented institutions, relevant

brokers for social inclusion. They therefore need to respond to the expectations of multiple private and public actors. This book explores their specific conditions for long-term viability, which are dependent on a complex interplay between economic and non-economic factors. Cultural organizations--private, nonprofit, and public--are analyzed in their structural components and in their interactions with market and institutional players. The relationship between operating decisions and results is taken into consideration, in order to highlight the drivers of economic results.

Separate Rooms - Pier Vittorio Tondelli 2004  
Leo is an Italian writer in his thirties. Thomas, his German lover, is dead. On a plane to Munich, Thomas's home town, Leo slips into a reverie of their meeting and life in Paris, nights in Thomas's flat in Montmartre and a desperate, drug-induced flight through the forests of northern France that spells the end for Leo and Thomas' languid, erotic life together. Leo travels to find anonymity. Structured in three musical movements, Separate Rooms is a story of ideal love, broken by absence and separation. When Thomas was alive, he and Leo had separate rooms in order to preserve the urgency of their passion. Now, Leo faces solitude, the impossible striving of memory to

recreate life and the hostility of a prejudiced world. Separate Rooms, Tondelli's last book, is a powerful novel of the strength of love and the trauma of death.

**Re-viewing Fascism** - Jacqueline Reich  
2002-05-07

When Benito Mussolini proclaimed that "Cinema is the strongest weapon," he was telling only half the story. In reality, very few feature films during the Fascist period can be labeled as propaganda. Re-viewing Fascism considers the many films that failed as "weapons" in creating cultural consensus and instead came to reflect the complexities and contradictions of Fascist culture. The volume also examines the connection between cinema of the Fascist period and neorealism—ties that many scholars previously had denied in an attempt to view Fascism as an unfortunate deviation in Italian history. The postwar directors

Luchino Visconti, Roberto Rossellini, and Vittorio de Sica all had important roots in the Fascist era, as did the Venice Film Festival. While government censorship loomed over Italian filmmaking, it did not prevent frank depictions of sexuality and representations of men and women that challenged official gender policies. Re-viewing Fascism brings together scholars from different cultural and disciplinary backgrounds as it offers an engaging and innovative look into Italian cinema, Fascist culture, and society.

### **National Urban Air Quality Trends 1981-1990**

- Tom Furmanczyk 1994

The air quality data analyzed in this report came from the National Air Pollution Surveillance monitoring network, consisting of air monitoring stations in most cities with populations of over 100,000. Monitoring is conducted for sulphur dioxide, nitrogen dioxide, carbon monoxide, ozone,

suspended particulates, lead, and soiling index. This report analyzes the monitoring data to determine national trends in average and peak concentrations of these contaminants on an annual basis for the last 10 years. Data were also compared with the National Ambient Air Quality Objectives which define levels of contaminant concentration of maximum desirable, maximum acceptable, and maximum tolerable.

*The Elegance of the Hedgehog* - Muriel Barbery 2008-09-02

The phenomenal New York Times bestseller that "explores the upstairs-downstairs goings-on of a posh Parisian apartment building" (Publishers Weekly). In an elegant hôtel particulier in Paris, Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she's everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she's come to terms with life's

seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and "teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors" (Kirkus Reviews). "The narrators' kinetic minds and engaging voices (in Alison Anderson's fluent translation) propel us ahead." —The New York

Times Book Review  
"Barbery's sly wit . . . bestows lightness on the most ponderous cogitations." -The New Yorker

**Kuniyoshi** - Rossella Menegazzo 2018-10-04

Recognized as one of the most interesting and vibrant artists from the Edo period, Utagawa Kuniyoshi (1797-1861) is a major exponent of ukiyo-e in the early 1800s and trained under the master Utagawa Toyokuni. His fame is tied to the series of polychrome xylographs that illustrate the 108 heroes from the novel Suikoden (Brigands), which became a bestseller in China and Japan in the late 1700s, promoting the imagery of a band of brigands who defend the people suppressed by injustice and government corruption. Violent, powerful, armed people

with muscular bodies covered in tattoos that today inspire manga , anime , tattoo artists and illustrators across the world. Kuniyoshi affirmed the genre of warrior prints, but he was also interested in portraits of female beauties, kabuki actors, landscapes, children and ghosts, another greatly admired genre in Japan. Nonetheless, his name is above all associated with illusion, with shadows and Arcimboldo-like composite figures,

figures within figures and parodies of stories and battles with animals, objects, sweets, food. His images are fantastical, baroque, rich in colour, of great detail, with imposing characters and dynamic actions. A versatile and intriguing figure for the variety of subjects, from female beauties and monsters to animals and heroes, and for the impressive technique that gave life to a school carried forth for generations.
