A Century at Sea - Per Arne Totland 2019-11-09

As World War One drew to a close, Christen Smith left the Royal Norwegian Navy to start his own shipping company. After a stumbling start, he succeeded in creating a totally new shipping segment: heavy-lift transport. Christen Smith's vessels became the industry standard for ships lifting and carrying locomotives, railway cars, river boats and other heavy cargo that needed to be transported from one continent to another. One hundred years later, Belships has sailed through wars,

upswings and downturns. After leaving the heavy-lift trade almost fifty years ago, the company has been involved in a broad range of shipping activities. Today, Belships is a significant player in the dry bulk segment, pursuing an ambitious growth strategy. This is the story about the people, the ships and the many dramatic events that shaped one hundred years of shipping history. Per Arne Totland is a Norwegian writer of fiction and non-fiction books. He has previously been the owner and CEO of an Oslo-based consulting firm and a Senior Vice President with a global chemicals group. He started his career as a journalist and for several years was a reporter and news anchor with the Norwegian Broadcasting Corporation (NRK).

*Lynyrd Skynyrd* - Gene Odom 2002-10-08

The first complete, unvarnished history of Southern rock's legendary and most popular band, from its members' hardscrabble boyhoods in Jacksonville, Florida and their rise to worldwide fame to the tragic plane crash that killed the founder and the band's rise again from the ashes. In the summer of 1964 Jacksonville, Florida teenager Ronnie Van Zant and some of his friends hatched the idea of forming a band to play covers of the Rolling Stones, Beatles, Yardbirds and the country and blues-rock music they had grown to love. Naming their band after Leonard Skinner, the gym teacher at Robert E. Lee Senior High School who constantly badgered the long-haired aspiring musicians to get haircuts, they were soon playing gigs at parties, and bars throughout the South. During the next decade Lynyrd Skynyrd grew into the most critically acclaimed and commercially successful of the rock bands to emerge from the South since the Allman Brothers. Their hits "Free Bird" and "Sweet Home Alabama" became classics. Then, at the height of its popularity in 1977, the band was struck with tragedy -- a plane crash that killed Ronnie Van Zant and two other band members. *Lynyrd Skynyrd: Remembering the Free Birds of Southern Rock* is an intimate chronicle of the band from its earliest days through the plane crash and its aftermath, to its rebirth and current status as an enduring cult favorite. From his behind-the-scenes perspective as Ronnie Van Zant's lifelong friend and frequent member of the band's entourage who was also aboard the plane on that fateful flight, Gene Odom reveals the unique synthesis of blues/country rock and songwriting talent, relentless drive, rebellious Southern swagger and down-to-earth sensibility that brought the band together and made it a defining and hugely popular Southern rock band -- as well as the destructive forces that tore it apart. Illustrated throughout with rare

photos, Odom traces the band's rise to fame and shares personal stories that bring to life the band's journey. For the fans who have purchased a cumulative 35 million copies of Lynyrd Skynyrd's albums and continue to pack concerts today, Lynyrd Skynyrd is a celebration of an immortal American band.

*Do Stand So Close* - Jeffrey Lee Campbell 2018-02-13

A small-town musician from North Carolina tries his luck on the biggest

stage of all: New York City. And he hits the jackpot. Mere months into his NYC gambit, guitarist Jeffrey Lee Campbell is catapulted from selling candy in Broadway theaters to touring the world with rock legend Sting. Go behind the scenes with the provincial, wide-eyed rookie as he fakes his way around the globe, shoulder-to-shoulder with his longtime musical hero. Do Stand So Close is a layered, coming-of-age memoir, recounting Jeffrey Lee Campbell's glamorous (and grueling) twenty-five country, six-continent trial by fire on Sting's "Nothing Like The Sun" World Tour. Filled with humorous anecdotes and poignant revelations, Do Stand So Close follows Jeffrey's amazing odyssey--from relocating to NYC and miraculously landing the high-profile gig, to life on the road with one of the planet's biggest rock stars, to his humbling crash-and-burn after the tour. Buckle up

**As I Recall ...** - Larry Steele 2016-03-29

A reflective look at some of those responsible for the placement of Jacksonville, Florida on the universal map of rock and roll. This autobiographical account of personal and professional triumph and tragedy takes the reader through the formative years of both Lynyrd Skynyrd and 38 Special, recounting those days when making records was only a dream. Former 38 Special stage manager and co-writer, Larry Steele, gives a first-hand account of growing up on the Westside of Jacksonville, of forming his first band with Allen Collins, and of the journey they each pursued, where scores of novice musicians sought a better way of life. Steele describes his own experiences as a musician, along with the friendships that would endure the rivalry which existed between his own band and those who would eventually become Lynyrd Skynyrd. After years of performing with various bands in the North Florida area, including a brief stint with Skynyrd in 1973, Steele would begin his employment with 38 Special in January, 1980. From here is chronicled the 38 story from its very beginning; the frustrations of living in the shadow of Skynyrd while trying to perfect a sound of their own, and the decision to push forward after the tragic loss of their friend, brother and mentor, Ronnie Van Zant. From the rehearsal hall, to the recording studios, to headlining the most renowned concert venues of

North America, Europe and Japan, take a ride on the buses, planes and bullet trains that took them all the way there.

Still Water - Art Garfunkel 1989

A series of autobiographical prose poems and interviews that explore Garfunkel's inner thoughts, musical career, travels, and loves

**Beyond Memory** - Max Mojapelo 2008

South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. And if one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is

true of all music-making in this country, though it is most striking in the musics of the black communities. **Beyond Memory: Recording the History, Moments and Memories of South African Music** is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of a man, Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a deejay at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries.

**Montessori Madness** - Trevor Eissler 2009

"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. **Montessori Madness!** explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

*Whiskey Bottles and Brand-New Cars* - Mark Ribowsky 2015-04-01

"Mark Ribowsky has written one king hell of a book about one king hell of a band. Buy that man a drink!" —Mick Wall, author of *When Giants Walked the Earth* This book tells the intimate story of how a band of lost souls and self-destructive misfits clawed their way to the very top of the rock'n'roll peak, writing and performing as if beneficiaries of a deal with the devil—a deal fulfilled by a tragic fall from the sky. The rudderless genius behind their ascent was a man named Ronnie Van Zant, who

guided their five-year run and evolved not just a new country/rock idiom but a new Confederacy. *Whiskey Bottles and Brand-New Cars* is based on interviews with surviving band members and others who watched them. It gives a new perspective to a history of stage fights, motel-room destructions, cunning business deals, and brilliant studio productions, offering a greater appreciation for a band that, in the aftermath of its last plane ride, has sadly descended into self-caricature as the sort of lowbrow guns-'n'-God cliché that Ronnie Van Zant wanted to chuck from around his neck. No other book on Southern rock has ever captured the "Free Bird"-like sweep and significance of Lynyrd Skynyrd. Mark Ribowsky has written twelve books, including widely praised biographies of Tom Landry, Howard Cosell, Phil Spector, and Satchel Paige. He has also contributed extensively to magazines including *Playboy*, *Penthouse*, and *High Times*. He lives in Boca Raton, Florida.

*To Disco, with Love* - David Hamsley 2015-11-24

Over 250 Disco-era album covers—from sexy to silly, elegant to outrageous—that brings alive a time when fashion, politics, and sexuality all converged in harmony on the dance floor. Paging through *To Disco, with Love* is like catching *Saturday Night Fever* all over again. From Diana Ross and Donna Summer gazing fiercely from their chart topping albums to the Village People's trademark costumes and the Bee Gee's blinding white jumpsuits, *To Disco* celebrates the days when the dance floor ruled the world. Gathered together and presented chronologically, these striking covers tell the story of a moment in time when art and photography, music, and dance changed the world. We see a rapid evolution, from the early days when Disco's roots were firmly planted in Soul, Latin, and Jazz, all the way to the digital revolution of the 1980s. Like fleeting moments caught in the strobe, these covers vibrantly capture our takes on fashion and beauty, wealth and status, sex, race, and even God. As the hair gets bigger, bell bottoms wider, and platform shoes steeper, the vibrancy and energy of this moment in music history is brought back to vivid life. Accompanied by insightful, spirited descriptions that showcase the evolving trends in photography, illustration, and design, *To Disco, with Love* charts the history of the

music and the industry during its groovy heyday.

*Please Be with Me* - Galadrielle Allman 2014-03-04

A deeply personal, revealing, and lyrical portrait of Duane Allman, founder of the legendary Allman Brothers Band, written by his daughter "Duane Allman was my big brother, my partner, my best friend. I thought I knew everything there was to know about him, but Galadrielle's deep and insightful book came as a revelation to me, as it will to everyone who reads it."—Gregg Allman Galadrielle Allman went to her first concert as an infant in diapers, held in her teenage mother's arms. Playing was her father—Duane Allman, who would become one of the most influential and sought-after musicians of his time. Just a few short years into his remarkable career, he was killed in a motorcycle accident at the age of twenty-four. His daughter was two years old. Galadrielle was raised in the shadow of his loss and his fame. Her mother sought solace in a bohemian life. Friends and family found it too painful to talk about Duane. Galadrielle listened intently to his music, read articles about him, steeped herself in the mythic stories, and yet the spotlight rendered him too simple and too perfect to know. She felt a strange kinship to the fans who longed for him, but she needed to know more. It took her many years to accept that his life and his legacy were hers, and when she did, she began to ask for stories—from family, fellow musicians, friends—and they began to flow. Galadrielle Allman's memoir is at once a rapturous, riveting, and intimate account of one of the greatest guitar prodigies of all time, the story of the birth of a band that redefined the American musical landscape, and a tender inquiry of a daughter searching for her father in the memories of others. Praise for *Please Be with Me* "Poignant and illuminating . . . brings Duane Allman to life in a way that no other biography will ever be able to do."—BookPage "Galadrielle Allman offers a moving and poetic portrait of her late father."—Rolling Stone "[Allman's] descriptions and scenes are vivid, even cinematic. . . . The pleasure of reading *Please Be With Me* lies as much in its lyrical prose as in its insider anecdotes."—Newsweek "An elegantly written, heartfelt account."—The Atlanta Journal-Constitution "Evokes a wistful, elegiac atmosphere; fans of the '70s music scene may find it

indispensable.”—San Jose Mercury News “A compelling and intimate portrait of Duane.”—The Hollywood Reporter “Illuminating.”—Kirkus Reviews “Frequently touching . . . Readers will come away feeling more connected to the man and his music.”—Publishers Weekly

**Twelve Years a Slave** - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

**That Winter** - Pamela Gillilan 1986

Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she

won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

**Too Much and Never Enough** - Mary L. Trump 2020-07-14

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.
