Se dico radici dico storie - Gian Luca Favetto

2012-05-18T00:00:00+02:00

Le vite sono fatte di storie più che di atomi e ciascuno ha le sue, ciascuno è le sue storie. Le diventa. Quando si dice radici, si dice storie.«Uno coltiva il suo giardino di cose memorie pensieri dubbi curiosità e se lo porta dietro, sempre dietro anche il più metropolitano degli uomini , dietro e dentro. Lo porta in viaggio con sé. È il suo zaino, la sua valigia. Lì custodisce le proprie radici. Ogni tanto le bagna. Ogni tanto le fa

respirare. Fa loro vedere il mondo. Le adopera come polpastrelli. È con le radici che incontri il mondo, con ciò che le radici producono.» Favetto racconta radici che si diramano nello spazio e nel tempo: nascono da un torrente, da un campo di calcio, da una pagina scritta, da uno schermo cinematografico. Partono dal Vietnam e ci portano in una valle piemontese, a Venezia, a Benares, a Madrid, in Giappone.

Hokkaido Highway Blues - Will Ferguson 2003

It had never been done before. Not in 4000 years of Japanese recorded history had anyone followed the Cherry Blossom Front from one end of the country to the other. Nor had anyone hitchhiked the length of Japan. But, heady on sakura and sake, Will Ferguson bet he could do both.

The resulting travelogue is one of the funniest and most illuminating books ever written about Japan. And, as Ferguson learns, it illustrates that to travel is better than to arrive.

The Shoe on the Roof - Will Ferguson
2017-10-17

Imagine...meeting someone with the same name, the same history, the same family, the same identity as you. Now, imagine meeting another person making the same exact claim. What would that do to you? From the Giller Prize-winning novelist of 419 comes the startling, funny, and heartbreaking story of a psychological experiment gone wrong. Ever since his girlfriend ended their relationship, Thomas Rosanoff's life has been on a downward spiral. A gifted med student, he has spent his entire adulthood struggling to escape the legacy of his father, an esteemed psychiatrist who used him as a test subject when he was a boy. Thomas lived his entire young life as the "Boy in the Box," watched by

researchers behind two-way glass. But now the tables have turned. Thomas is the researcher, and his subjects are three homeless men, all of whom claim to be messiahs—but no three people can be the one and only saviour of the world. Thomas is determined to "cure" the three men of their delusions, and in so doing save his career—and maybe even his love life. But when Thomas's father intervenes in the experiment, events spin out of control, and Thomas must confront the voices he hears in the labyrinth of his own mind. *The Shoe on the Roof* is an explosively imaginative tour de force, a novel that questions our definitions of sanity and madness, while exploring the magical reality that lies just beyond the world of scientific fact.

A Fortune-teller Told Me - Tiziano

Terzani 1997

Warned by a Hong Kong fortune-teller not to risk flying for a year, Tiziano Terzani, a vastly experienced Asia correspondent, took his first step into an unknown world. Traveling by foot, train, bus, car, and boat, and consulting soothsayers and shamans along the way, Terzani discovered as never before the complex traditions and unexpected delights of the people and lands he had been reporting on for years. "I was marked for death," writes Terzani, "and instead I was reborn."

The Following Story - Cees Nooteboom
1996

Socrates is a former classics teacher at a lycee. Dr Strabon is a travel writer and Mussert is a misanthrope, but also the man behind the masks of these other incongruous alter egos.

In this novel, Nooteboom illustrates the polarities and similarities of scientific reality and philosophical theory.

Goodnight, Mister Lenin - Tiziano Terzani 1994

Holy Cow - Sarah Macdonald 2004-04-13

In her twenties, journalist Sarah Macdonald backpacked around India and came away with a lasting impression of heat, pollution and poverty. So when an airport beggar read her palm and told her she would return to India—and for love—she screamed, "Never!" and gave the country, and him, the finger. But eleven years later, the prophecy comes true. When the love of Sarah's life is posted to India, she quits her dream job to move to the most polluted city on earth, New Delhi. For Sarah this

seems like the ultimate sacrifice for love, and it almost kills her, literally. Just settled, she falls dangerously ill with double pneumonia, an experience that compels her to face some serious questions about her own fragile mortality and inner spiritual void. "I must find peace in the only place possible in India," she concludes. "Within." Thus begins her journey of discovery through India in search of the meaning of life and death. Holy Cow is Macdonald's often hilarious chronicle of her adventures in a land of chaos and contradiction, of encounters with Hinduism, Islam and Jainism, Sufis, Sikhs, Parsis and Christians and a kaleidoscope of yogis, swamis and Bollywood stars. From spiritual retreats and crumbling nirvanas to war zones and New Delhi

nightclubs, it is a journey that only a woman on a mission to save her soul, her love life—and her sanity—can survive.

White Fever - Jacek Hugo-Bader
2012-10-01

No one in their right mind travels across Siberia in the middle of winter in a modified Russian jeep, with only a CD player (which breaks on the first day) for company. But Jacek Hugo-Bader is no ordinary traveler. As a fiftieth birthday present to himself, Jacek Hugo-Bader sets out to drive from Moscow to Vladivostok, traversing a continent that is two and a half times bigger than America, awash with bandits, and not always fully equipped with roads. But if his mission sounds deranged it is in keeping with the land he is visiting. For Siberia is slowly dying

– or, more accurately, killing itself. This is a traumatized post-Communist landscape peopled by the homeless and the hopeless: alcoholism is endemic, as are suicides, murders, and deaths from AIDS. As he gets to know these communities and speaks to the people, Hugo-Bader discovers a great deal of tragedy, but also dark humor to be shared amongst the reindeer shepherds, the former hippies, the modern-day rappers, the homeless and the sick, the shamans, and the followers of ‘one of the six Russian Christs,’ just one of the many arcane religions that flourish in this isolated, impossible region.

Travels - Michael Crichton 2012-05-14
From the bestselling author of Jurassic Park, Timeline, and Sphere comes a deeply personal memoir full

of fascinating adventures as he travels everywhere from the Mayan pyramids to Kilimanjaro. Fueled by a powerful curiosity—and by a need to see, feel, and hear, firsthand and close-up—Michael Crichton's journeys have carried him into worlds diverse and compelling—swimming with mud sharks in Tahiti, tracking wild animals through the jungle of Rwanda. This is a record of those travels—an exhilarating quest across the familiar and exotic frontiers of the outer world, a determined odyssey into the unfathomable, spiritual depths of the inner world. It is an adventure of risk and rejuvenation, terror and wonder, as exciting as Michael Crichton's many masterful and widely heralded works of fiction. *Without Ever Reaching the Summit* - Paolo Cognetti 2020-11-05

An awe-struck love letter to one of the most spectacular places on earth, from the author of international bestseller *The Eight Mountains*. Paolo Cognetti marked his 40th birthday with a journey he had always wanted to make: to Dolpo, a remote Himalayan region where Nepal meets Tibet. He took with him two friends, a notebook, mules and guides, and a well-worn copy of *The Snow Leopard*. Written in 1978, Matthiessen's classic was also turning forty, and Cognetti set out to walk in the footsteps of the great adventurer. *Without Ever Reaching the Summit* combines travel journal, secular pilgrimage, literary homage and sublime mountain writing in a short book for readers of Macfarlane, Rebank and Cognetti's own bestseller, *The Eight Mountains*. An

investigation into the author's physical limits, an ancient mountain culture, and the magnificence of nature, it is an awe-struck love letter to one of the most spectacular places on earth. 'A breath of fresh air for mountain-lovers currently in confinement...The sparse, graceful prose...reflects the barren landscape and the author's joy in paring back the distractions of modern life'

The Woman in the White Kimono - Ana Johns 2019-05-28

Oceans and decades apart, two women are inextricably bound by the secrets between them. Japan, 1957. Seventeen-year-old Naoko Nakamura's prearranged marriage to the son of her father's business associate would secure her family's status in their traditional Japanese community, but Naoko has

fallen for another man—an American sailor, a gaijin—and to marry him would bring great shame upon her entire family. When it's learned Naoko carries the sailor's child, she's cast out in disgrace and forced to make unimaginable choices with consequences that will ripple across generations. America, present day. Tori Kovac, caring for her dying father, finds a letter containing a shocking revelation—one that calls into question everything she understood about him, her family and herself. Setting out to learn the truth behind the letter, Tori's journey leads her halfway around the world to a remote seaside village in Japan, where she must confront the demons of the past to pave a way for redemption. In breathtaking prose and inspired by true stories from a

devastating and little-known era in Japanese and American history, *The Woman in the White Kimono* illuminates a searing portrait of one woman torn between her culture and her heart, and another woman on a journey to discover the true meaning of home. *Sunlight Here I Am* - Charles Bukowski 2003

Happiness - Will Ferguson 2003-06-03
Why would there be a contract out on Edwin de Valu's life? Edwin -- the wiry low-level editor at Pandemic Press. Why has rage disappeared from the roads and McDonald's gone alfalfa? How come everyone seems so damn happy? And most importantly,

who, or what, is Tupak Soiree? When an enormous self-help manuscript lands on Edwin's desk, it's headed for the trash. Edwin's cynicism of self-help books, coupled with his filthy mood that morning, results in him dismissing Tupak Soiree's *What I Learned on the Mountain* and using it as a doorstop. However, Tupak's manuscript is unique -- a self-help book that actually works. Before Edwin knows it, a chain of events begins that affects not only his own life but the world at large. For those who choke on *Chicken Soup for the Soul* or have choice words for Dr. Phil, Will Ferguson offers up a killer dose of *Happiness™* -- a masterpiece of comic fiction.

Anatomy of Restlessness - Bruce Chatwin 1997-08-01

Although he is best known for his

luminous reports from the farthest-flung corners of the earth, Bruce Chatwin possessed a literary sensibility that reached beyond the travel narrative to span a world of topics—from art and antiques to archaeology and architecture. This spirited collection of previously neglected or unpublished essays, articles, short stories, travel sketches, and criticism represents every aspect and period of Chatwin's career as it reveals an abiding theme in his work: his fascination with, and hunger for, the peripatetic existence. While Chatwin's poignant search for a suitable place to "hang his hat," his compelling arguments for the nomadic "alternative," his revealing fictional accounts of exile and the exotic, and his wickedly en pointe social history of Capri prove

him to be an excellent observer of social and cultural mores, Chatwin's own restlessness, his yearning to be on the move, glimmers beneath every surface of this dazzling body of work.

□□ - □□□□ 2002

This is an unnerving portrait of women caught in a web of shifting relationships within an upper-class family in the years following the Meiji Restoration. The beautiful, immature girl whom she took home to her husband was a maid only in name. Tomo's real mission had been to find him a mistress. Nor did her secret humiliation end there. The web that his insatiable lust spun about him soon trapped another young woman, and another ... and the relationships between the women thus caught were to form, over the years, a subtle,

shifting pattern in which they all played a part.

One More Ride on the Merry-Go-Round -
Tiziano Terzani 2016-07-10

When he is diagnosed with cancer, in the silence of the hospital room broken only by the swish of cars outside, Italian writer Tiziano Terzani realizes that his whole life has been one long ride on a merry-go-round where he has always journeyed without a ticket. Now, for the first

time, the ticket collector has come to demand his dues. At first, Terzani turns to Western medicine for a cure, but a question soon begins to haunt him: is cancer, as the doctors say, an enemy that needs to be destroyed, or is it a friend one can talk to? Travelling had always been a way of life for him, so he decides to make another trip, in search of a solution - to India. This final ride turns out to be very different though. And more difficult. Because every step, every choice - often between reason and faith, between science and magic - is inextricably linked to his own survival. As he crisscrosses the country from an ashram in Coimbatore to a hut in Almora, the external journey in search of a cure transforms into an inner journey and a return to the divine roots of man.

Then, one day, as he looks at the sun rising over the mountains, he stumbles upon the one truth that has eluded him: death is as desirable and eternal as life itself. A bestseller in Europe, this is a book about modern medicine and alternative cures, and the quest to understand the true meaning of mortality.

Lost Japan - Alex Kerr 2015-09-03
An enchanting and fascinating insight into Japanese landscape, culture, history and future. Originally written in Japanese, this passionate, vividly personal book draws on the author's experiences in Japan over thirty years. Alex Kerr brings to life the ritualized world of Kabuki, retraces his initiation into Tokyo's boardrooms during the heady Bubble Years, and tells the story of the hidden valley that became his home.

But the book is not just a love letter. Haunted throughout by nostalgia for the Japan of old, Kerr's book is part paean to that great country and culture, part epitaph in the face of contemporary Japan's environmental and cultural destruction. Winner of Japan's 1994 Shincho Gakugei Literature Prize. Alex Kerr is an American writer, antiques collector and Japanologist. *Lost Japan* is his most famous work. He was the first foreigner to be awarded the Shincho Gakugei Literature Prize for the best work of non-fiction published in Japan.

Kolyma Diaries - Jacek Hugo-Bader

2014-04-03

From the author of the award-winning *White Fever*, *Kolyma Diaries* is an excursion into one of the world's last remaining badlands, a place full of Gulag ghosts and living wrecks. All along the 2000 kilometres of the Kolyma highway, Bader is plied with vodka. He hears mesmerizing, sometimes devastating, tales of the journeys that brought his 'fellow travellers', the people who give him lifts, to this benighted land. This is a book about the descendants of prisoners eking out a living, of conmen and veterans and scrap iron dealers, of corrupt politicians and organised crime. Stories are told of sons given away, husbands who reappear after three decades, scholars who now survive by foraging for mushrooms and berries, sculptors

who hoard the heads lopped off statues of Lenin, miners who dig up mass graves while looking for gold, and all the addicts, convicts, fallen heroes and even sportsmen who run away from their troubles and end up in the most remote region in Russia

The Finder - Will Ferguson 2020-09-01
From the Scotiabank Giller Prize-winning novelist of 419 comes a spellbinding literary adventure novel about precious objects lost and found. The world is filled with wonders, lost objects—all real—all still out there, waiting to be found:

- the missing Fabergé eggs of the Romanov dynasty, worth millions
- the last reel of Alfred Hitchcock's first film
- Buddy Holly's iconic glasses
- Muhammad Ali's Olympic gold medal

How can such cherished objects simply vanish? Where are they hiding? And

who on earth might be compelled to uncover them? Will Ferguson takes readers on a heroic, imaginative journey across continents, from the seas of southern Japan, to the arid Australian Outback, to the city of Christchurch, New Zealand, after the earthquake. Prepare to meet Gaddy Rhodes, a brittle Interpol agent obsessed with tracking "The Finder"—a shadowy figure she believes is collecting lost objects; Thomas Rafferty, a burnt-out travel writer whose path crosses that of The Finder, to devastating effect; and Tamsin Greene, a swaggering war photographer who is hiding secrets of her own. The Finder is a beguiling and wildly original tale about the people, places, and things that are lost and found in our world. Both an epic literary adventure and an escape

into a darkly thrilling world of deceit and its rewards, this novel asks: How far would you be willing to go to recover the things you've left behind?

Figure del padre in Ozu - Davide Bersan 2020-02-01

Yasujiro Ozu (1903-1963), è considerato un maestro per il suo modo peculiare e geniale di saper utilizzare la macchina da presa e per la sensibilità artistica che attinge dalla tradizione filosofica e spirituale giapponese. Il cinema di Ozu narra, in modo toccante e delicato, le storie della gente comune (Shomingeki) in cui è centrale la rappresentazione della vita familiare. La figura del padre è sicuramente in primo piano in quasi tutti i suoi film. La scelta del libro è di seguirne le definizioni e

le trasformazioni lungo tutto l'arco dell'opera. Nel dopoguerra la famiglia giapponese (ie) deve confrontarsi con una realtà fortemente mutata e con il passare degli anni la crisi si acuisce fino a farne tremare le stesse fondamenta. Anche il padre "ozuiano" subisce la temperie di una modernità che scuote tutto ciò che trova sul suo passaggio ma, al contrario della sua parabola occidentale (che si conclude con il suo inesorabile declino), la sua funzione è quella di resistere, di non cedere, di non recedere. Il suo rimanere al proprio posto non è tuttavia ostinazione, chiusura mentale o cieco conservatorismo ma – attraverso un'esperienza costante di perdita e di lutto – assume una valenza autenticamente etica e spirituale. Dentro la faglia del suo

dolore si iscrive profondamente il senso della trascendenza. Il padre somiglia allora sempre di più al custode di un Altrove, all'indicatore di un Oltre, al testimone fragile, vacillante, ebbro, del trascendente.

The Hamilton Case - Michelle de Kretser 2007-09-03

A flamboyant beauty who once partied with the Prince of Wales and who now, in her seventh decade, has "gone native" in a Ceylonese jungle. A proud, Oxford-educated lawyer who unwittingly seals his own professional fate when he dares to solve the sensational Hamilton murder case that has rocked the upper echelons of local society. A young woman who retreats from her family and the world after her infant brother is found suffocated in his crib. These are among the linked

lives compellingly portrayed in a novel everywhere hailed for its dazzling grace and savage wit -- a spellbinding tale of family and duty, of legacy and identity, a novel that brilliantly probes the ultimate mystery of what makes us who we are. *Why I Hate Canadians* - Will Ferguson 2007-04-15

First published in 1997, this hilarious book launched satirist Will Ferguson's career. Challenging the notion that Canadians are "nice," the book asks, "Do we as Canadians deserve a country so great?" Tackling subjects from Canada's favorite inbred royals to the mighty beaver as national icon, from sex in a canoe to all-Canadian "superhero" Captain Canuck, Ferguson rampages across the cultural landscape. The book also provides a fast-paced, opinionated

overview of telling moments in Canadian history, including its run-amok Mounties and "fun-loving days" of the country's (unacknowledged) slave trade.

The Assault on Culture - Stewart Home
1991

Moshi Moshi - Banana Yoshimoto
2016-12-01

"A beautiful translation . . . Yoshimoto deploys a magically Japanese light touch to emotionally and existentially tough subject matter: domestic disarray, loneliness, identity issues, lovesickness . . . [a] nimble narrative." –ELLE In *Moshi Moshi*, Yoshie's much-loved musician father has died in a suicide pact with an unknown woman. It is only when Yoshie and her mother move to Shimokitazawa,

a traditional Tokyo neighborhood of narrow streets, quirky shops, and friendly residents that they can finally start to put their painful past behind them. However, despite their attempts to move forward, Yoshie is haunted by nightmares in which her father is looking for the phone he left behind on the day he died, or on which she is trying—unsuccessfully—to call him. Is her dead father trying to communicate a message to her through these dreams? With the lightness of touch and surreal detachment that are the hallmarks of her writing, Banana Yoshimoto turns a potential tragedy into a poignant coming-of-age ghost story and a life-affirming homage to the healing powers of community, food, and family.

Beauty Tips from Moose Jaw - Will

Ferguson 2010-08-06

Will Ferguson's first book in three years, following on the back-to-back successes of *How to Be a Canadian* (over 110,000 copies sold) and *Happiness™* (Winner of the Leacock Medal for Humour). Will Ferguson has spent the past three years criss-crossing Canada and back again. In a helicopter above the barrenlands of the sub-Arctic, in a canoe with his four-year-old son, aboard seaplanes and along the Underground Railroad, Will's travels have taken him from Cape Spear on the coast of Newfoundland to the sun-dappled streets of Olde Victoria. In his last book, Will told us how to be Canadian; now in this book, he will tell us what it means to be Canadian. And what Will finds out along the way is that Canada in its development and

in its current state is really a series of outposts – not only geographically but culturally. Will's journey takes him to far-flung isolated communities as well as deep into Canada's urban centres. From the "million-acre farm" that is P.E.I. to the tobacco belt of southern Ontario, from the architectural mess that is Montreal to the glorious jumble that is St. John's, from a renegade republic in northwestern New Brunswick to a tundra buggy in the polar bear migration paths of Hudson Bay, Will explodes the myths of who we are. Funny, poignant and insightful, *Beauty Tips from Moose Jaw* is a provocative tribute to our quirky and fascinating country. Excerpt from *Beauty Tips from Moose Jaw* In one particular seedy St. John's pub, I was adopted by a work

crew from Portugal Cove who took an immediate, almost antagonistic liking to me. "You're from Alberta, you say? I have a cousin in Fort McMurray, maybe you know him." (Everybody in Newfoundland has a cousin in Fort McMurray.) The crew from Portugal Cove tormented me with screech and second-hand smoke as they regaled me with tales of how their families were so poor "back when" that all they could afford to eat were lobsters. This was not the first time I had heard this. Apparently half the population of Newfoundland has subsisted on lobster at some point or other.

The Soccer War - Ryszard Kapuscinski
2013-08-21

Part diary and part reportage, *The Soccer War* is a remarkable chronicle of war in the late twentieth century.

Between 1958 and 1980, working primarily for the Polish Press Agency, Kapuscinski covered twenty-seven revolutions and coups in Africa, Latin America, and the Middle East. Here, with characteristic cogency and emotional immediacy, he recounts the stories behind his official press dispatches—searing firsthand accounts of the frightening, grotesque, and comically absurd aspects of life during war. *The Soccer War* is a singular work of journalism.

The Way of the Living Sword - Yagyu Munenori 2003-08

The Way of the Living Sword is the final installment in D.E. Tarver's popular Warrior Series. It stands beside *The Book of Five Rings* by Miyamoto Musashi as one of the greatest writings of the warrior

mind. In *The Way of the Living Sword*, Munenori gives an in-depth explanation of the connection between physical martial arts and the mental process of Zen. While Munenori and Musashi were both avid students of Zen, Munenori was more fascinated by the academic aspects of the philosophy. Munenori stretches the consciousness of even the most enlightened martial artist. Martial arts devotees will experience many flashes of revelation as Tarver explores the various aspects of Munenori's approach. Read and grow!

The Roads to Sata - Alan Booth
2021-04-27

'A memorable, oddly beautiful book'
Wall Street Journal 'A marvellous glimpse of the Japan that rarely peeks through the country's public image' Washington Post One sunny

spring morning in the 1970s, an unlikely Englishman set out on a pilgrimage that would take him across the entire length of Japan. Travelling only along small back roads, Alan Booth travelled on foot from Soya, the country's northernmost tip, to Sata in the extreme south, traversing three islands and some 2,000 miles of rural Japan. His mission: 'to come to grips with the business of living here,' after having spent most of his adult life in Tokyo. *The Roads to Sata* is a wry, witty, inimitable account of that prodigious trek, vividly revealing the reality of life in off-the-tourist-track Japan. Journeying alongside Booth, we encounter the wide variety of people who inhabit the Japanese countryside - from fishermen and soldiers, to bar

hostesses and school teachers, to hermits, drunks and the homeless. We glimpse vast stretches of coastline and rambling townscapes, mountains and motorways; watch baseball games and sunrises; sample trout and Kilimanjaro beer, hear folklore, poems and smutty jokes. Throughout, we enjoy the wit and insight of a uniquely perceptive guide, and more importantly, discover a new face of an often-misunderstood nation.

Mathematical Physiology - James Keener 2010-06-04

Divided into two volumes, the book begins with a pedagogical presentation of some of the basic theory, with chapters on biochemical reactions, diffusion, excitability, wave propagation and cellular homeostasis. The second, more extensive part discusses particular

physiological systems, with chapters on calcium dynamics, bursting oscillations and secretion, cardiac cells, muscles, intercellular communication, the circulatory system, the immune system, wound healing, the respiratory system, the visual system, hormone physiology, renal physiology, digestion, the visual system and hearing. New chapters on Calcium Dynamics, Neuroendocrine Cells and Regulation of Cell Function have been included. Reviews from first edition: Keener and Sneyd's *Mathematical Physiology* is the first comprehensive text of its kind that deals exclusively with the interplay between mathematics and physiology. Writing a book like this is an audacious act! -Society of Mathematical Biology Keener and Sneyd's is unique in that it attempts

to present one of the most important subfields of biology and medicine, physiology, in terms of mathematical "language", rather than organizing materials around mathematical methodology. -SIAM review

Itadakimasu - Fabio Geda

2014-11-06T00:00:00+01:00

"Tokyo nell'immaginario occidentale è un ossimoro. Ipercontemporaneità e ipertradizione, computer e animismo, grattacieli antisismici e tempietti shinto. In mezzo a questi specchi, il cibo. Che in Giappone ha a che fare con lo spirito, con la bellezza e con un gusto misterioso, l'umami. Per capire tutto questo c'è bisogno di qualcuno che ti prenda per mano: ci sono una ragazza gentile ed evanescente; un anziano dal sorriso da rana e il signor Otsuka, che naturalmente è un gatto. E va matto

per i mochi."

Modern Japan - Elise K. Tipton 2002
Ranging from the Tokugwa period to the present day, this text provides a concise and fascinating introduction to the social, cultural and political history of modern Japan. Tipton covers political and economic developments and shows how they relate to social themes and developments. Her survey covers traditional political history as well as areas growing in interest: gender issues, labor conditions and ethnic minorities.

A Case of Two Cities - Qiu Xiaolong
2007-10-02

Inspector Chen Cao of the Shanghai Police Bureau is summoned by an official of the party to take the lead in a corruption investigation - one where the principle figure and

his family have long since fled to the United States and beyond the reach of the Chinese government. But he left behind the organization and his partners-in-crime, and Inspector Chen is charged to uncover those responsible and act as necessary to end the corruption ring. In a twisting case that takes him from Shanghai, all the way to the U.S.,

reuniting him with his previous cohort from the U.S. Marshall's service - Inspector Catherine Rhon. At once a compelling crime novel and a insightful, moving portrayal of everyday life, The Emperor's Sword is the next installment in the critically acclaimed, award-winning Inspector Chen series.
