The Saturday Evening Post - 1965

Going Down to the River - Doug Seegers
2018-09-11

The astonishing story of a singer-songwriter living on the streets of Nashville who met Jesus, got sober, and found international stardom at the age of 62. Doug Seegers left New York for Nashville in search of every songwriter's dream. When he didn't find success, he fell into a state of loneliness that fed an addiction he had battled since adolescence. Soon, he was homeless, playing his guitar on the street with a cardboard sign asking for money. But then he cried out to God in repentance and need, and God graciously met him. Doug then found sobriety, regained some footing, and in a miraculous moment was discovered outside a food pantry by a Swedish musician and documentarian who put his story on the air in Stockholm. Within days of the documentary airing--even though he still walked to the public library every day and acquired most of his belongings from nearby Dumpsters--Doug had the number-one selling song in Sweden. *Going Down to the River* is Doug's inspirational story of faith, forgiveness, and the power of prayer and belief. It is also the never-give-up tale

of a man who played music for 55 years without success only to become a chart-topping artist at the age of 62.

Jazz Guitar Technique - Andrew Green

2018-09-13

When improvising, what your mind hears is more often than not determined by what your body can

reproduce on your instrument. Much of your conception as an improviser is determined by your technique. If you can't play certain types of ideas, you are simply not going to conceive of them while you are improvising. Even if you could, it wouldn't matter, since you couldn't play them anyway. This book presents serious chops-building technical studies for single note lines and chords. Plus, the examples feature a lot of harmonic content. The material is written in standard notation.

Billboard - 1963-03-23

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
