She has grown used to the cries of penguins before dawn, to meager supplies and housing, to spending most of her days in one of the most remote regions on earth. What she isn't used to is strange men washing ashore, which happens one day on her watch. The man won't tell her his name or where he came from, but Angela, who has a soft spot for strays, tends to him, if for no other reason than to protect her birds and her work. When she later learns why he goes by an alias, why he is a refugee from the law, and why he is a man without a port, she begins to fall in love—and embarks on a journey that takes her deep into Antarctic waters, and even deeper into the emotional territory she thought she'd left behind. Against the backdrop of the Southern Ocean, *The Tourist Trail* weaves together the stories of Angela as well as FBI agent Robert Porter, dispatched on a mission that unearths a past he would rather keep buried; and Ethan Downes, a computer tech whose love for a passionate animal rights activist draws him into a dangerous mission.

*Live Bait* - P. J. Tracy 2005-04-05

Minneapolis detectives Leo Magozzi and Gino Rolseth are bored - ever since they solved the Monkeewrench case, the Twin Cities have been in a murder-free dry spell, as people no longer seem interested in killing one another. But with two brutal homicides taking place in one awful night, the crime drought ends - not with a trickle, but with an eventual torrent. Who would kill Morey Gilbert, a man without an enemy, a man who might as well have been a saint? His tiny, cranky little wife, Lily, is no help, and may even be a suspect; his estranged son, Jack, an infamous ambulance-chasing lawyer, has his own enemies; and his son-in-law, former cop Marty Pullman, is so depressed over his wife's death a year ago that he's ready to kill himself, but not Morey. The number of victims - all elderly - grows, and the city is fearful once again." The detectives' investigation threatens to uncover a series of horrendous secrets, some buried within the heart of the police department itself, blurring the lines between heroes and villains. Grace MacBride's cold-case-solving software may find the missing link - but at a terrible price.

**Ice Cold Heart** - P. J. Tracy 2019-09-10

Minneapolis detectives Leo Magozzi and Gino Rolseth join Grace MacBride and Monkeewrench to uncover a dark and ugly conspiracy that reaches deep into the safety of homes in this latest electrifying thriller from New York Times bestselling author P. J. Tracy. It's a bitter winter in Minnesota--too cold to kill. There hasn't been a murder for a month, but the lull quickly comes to an end for Detectives Leo Magozzi and Gino Rolseth, when they're called to the gruesome homicide of Kelly Ramage. Found in a friend's vacant house, this was no random attack, and clues reveal that she was living a very dangerous secret life. Magozzi and Gino trace her steps back to an art gallery where she was last seen alive. The gallery seems like a dead end, but the art is disturbing and exploitative. It may very well be inspiring a sadistic killer, because in this instance, art doesn't imitate life, it imitates death. Tipped off about a year-old murder that is a mirror-image of Kelly's crime scene, Gino and Magozzi enlist the aid of Grace MacBride and her eccentric, tech genius partners in Monkeewrench Software to help them decipher the digital trail that might connect the cases. As coincidences

emerge, Magozzi, Gino, and the team have to work around the clock at breakneck pace to unravel a series of clues that form the framework of a larger, more sweeping, and insidious conspiracy than any of them could have imagined. Is Kelly the last person to die or just the most recent? And is there any way to stop it? *All We Buried* - Elena Taylor 2020-04-07

New York Times bestselling author Iris Johansen returns with another thriller, *No Easy Target* Margaret Douglas has worked hard to put her painful past behind her. *A Beautiful Blue Death* - Charles Finch 2007-06-26

Equal parts Sherlock Holmes and P.G. Wodehouse, Charles Finch's debut mystery *A Beautiful Blue Death* introduces a wonderfully appealing gentleman detective in Victorian London who investigates crime as a diversion from his life of leisure. Charles Lenox, Victorian gentleman and armchair explorer, likes nothing more than to relax in his private study with a cup of tea, a roaring fire and a good book. But when his lifelong friend Lady Jane asks for his help, Lenox cannot resist the chance to unravel a mystery. Prudence Smith, one of Jane's former servants, is dead of an apparent suicide. But Lenox suspects something far more sinister: murder, by a rare and deadly poison. The grand house where the girl worked is full of suspects, and though Prue had dabbled with the hearts of more than a few men, Lenox is baffled by the motive for the girl's death. When another body turns up during the London season's most fashionable ball, Lenox must untangle a web of loyalties and animosities. Was it jealousy that killed Prudence Smith? Or was it something else entirely? And can Lenox find the answer before the killer strikes again—this time, disturbingly close to home?

**The Fourth Durango** - Ross Thomas 2007-04-01

The Fourth Durango is not your ordinary Durango. It's not in Spain, or Mexico, and it's not a ski town in the Colorado Rockies, although Durangos do exist in all of those places. This Durango has an industry, albeit a rather odd one—it is a hideout business, a place where people pay to find sanctuary from former friends and associates who are either trying to kill them, or have them killed. Into this Durango comes a former chief justice of a state supreme court, followed by son-in-law Kelly Vines to act as his emissary to the beautiful and savvy mayor. Following them come a false priest, and a run of murders. It takes a Ross Thomas to stir these characters into a witty and ingenious mix readers will not be able to—and certainly would not want to—resist.
