**Pioneering Theories in Nursing** - Austyn Snowden  
2014-09-03

Pioneering Theories in Nursing traces the origins of nursing theories through their founders. Unlike other nursing theory texts, this book provides the personal story on some of the greatest nursing leaders, clinicians and theorists to date so the reader can understand the context within which the nursing pioneer developed their theory. It will attempt to explain the theories and practice of nursing and provide food for thought for students and practitioners, encouraging reflective thinking. Each section begins with an overview of the chapters and identifies common themes. Designed to be highly user-friendly, each chapter follows a standard structure with a short biography, a summary on their special interests and an outline of their writings before each theory is examined in detail. The chapter then looks at instances of how this theory

has been put into practice and what influence this process has had on the wider nursing community. Further links to other theorists are provided as well as key dates in the life of the theorists and a brief profile. **Tra Leopardi e la luna ( Cantus de prexu e de amargura)** - Gianni Mascia 2015-10-14

**Notes from the Underground Annotated** - Fyodor Dostoyevsky 2022-02-14

One of the most profound and most unsettling works of modern literature, Notes from Underground (first

published in 1864) remains a cultural and literary watershed. In these pages Dostoevsky unflinchingly examines the dark, mysterious depths of the human heart. The Underground Man so chillingly depicted here has become an archetypal figure -- loathsome and prophetic -- in contemporary culture. This vivid new rendering by Boris Jakim is more faithful to Dostoevsky's original Russian than any previous translation; it maintains the coarse, vivid language underscoring the "visceral experimentalism" that made both the book and its protagonist groundbreaking and iconic.

Palm Beach, Finland - Antti Tuomainen 2018-08-30

DIV\*\*\*Shortlisted for the CrimeFest Last Laugh Award\*\*\*  
\*\*\*Book of the Year in The Times\*\*\* Things don't go entirely to plan when undercover ace detective Jan Nyman is sent to the 'hottest beach in Finland' to investigate a suspicious death. Fargo meets Baywatch in a mesmerising, poignant dark-comedy thriller by the King of Helsinki Noir 'A roller-coaster read and extraordinarily poignant' Guardian 'Tuomainen is the funniest writer in Europe' Marcel Berlins, The Times 'Right up there with the best' TLS

---

Sex, lies and ill-fitting swimwear ... Sun Protection Factor 100 Jan Nyman, the ace detective of the covert operations unit of the National Central Police, is sent to a sleepy seaside town to investigate a mysterious death. Nyman arrives in the town dominated by a bizarre holiday village – the 'hottest beach in Finland'. The suspect: Olivia Koski, who has only recently returned to her old hometown. The mission: find out what happened, by any means necessary. With a nod to Fargo, and dark noir, Palm Beach Finland is both a page-turning thriller and a black comedy about lust for money, fleeing dreams and

people struggling at turning points in their lives – chasing their fantasies regardless of reason.

---

'Inspired meld of crime and dark comedy ... Colourful characters and awkward situations, as when Nyman becomes a person of interest to the locals, enhance the zany plot. Tim Dorsey fans will have fun' Publishers Weekly 'A sort of Fargo in Finland, if you can imagine such a thing' Crime Reads 'Finnish criminal chucklemeister Tuomainen is channelling Carl Hiaasen in this hilarious novel set in a bizarre Florida-style beach resort on Finland's chilly shore. There are comically inept dim-crims, inventive psychos, a hot babe and even a blow-up pink flamingo – which is a lot for ace detective Jan Nyman to deal with when he arrives, undercover, to investigate a mysterious death' Sunday Times 'Tuomainen's crime comedy is frequently compared to Fargo-era Coen Brothers, but Florida's Carl Hiaasen is likely a strong influence too ... A full-blooded, off-kilter caper-gone-wrong that also serves as an acerbic commentary on the crime genre' Irish Times 'A tightly paced Scandinavian thriller with a wicked sense of humour' Foreword Reviews 'Like Fargo before it, unfortunate events take place and people get in over their heads ... The off kilter, black comedy tone is perfect for such a far-fetched story, guaranteeing plenty of spontaneous bouts of laughter' CultureFly 'You'll laugh, you'll cry with laughter, what is there not to like? Welcome to a classic new holiday resort!' Crime Time 'A quirky, smirky, entertaining slice of fabulous ... A wonderful wave of dark humour rolls through this novel gathering raised eyebrows and snorts' LoveReading 'Antti Tuomainen always steps into the new with each novel and Palm Beach Finland, in this assured translation by David Hackston, takes a Finnish

slice from the comic, crazy, greedy, crime world of the likes of Get Shorty or Fargo. Where will Tuomainen's imagination take us next? I don't know but before that – read this one. Absolutely recommended' EuroCrime 'Tuomainen is one of those authors whose books are an automatic must-read, so pick up or download a copy as soon as you can' Crime Fiction Lover/div
