Ride along as they share tales of living full-time in Airbnbs in over 50 countries and pay tribute to the many hosts who not only helped them live daily life, but also offered unique opportunities to experience their cities. From the barber's chair in Dublin and the dentist's chair in Split, to a wild motorcycle ride in Athens, a peek behind the Soviet Curtain in Transnistria, and the demise of a chicken for dinner in Marrakech, hosts made the Campbell's dream of adventure come true. Discover how Debbie and Michael find their next Airbnb, how they get there, and the many ways they enjoy their new city just as the locals do. Learn their tips and tricks for using Airbnb and how they get the most out of each stay, all while spending little more than they would have spent settled into their rocking chairs in Seattle.
