Finders Keepers - Fern Michaels 2022-12-27
In a moving, unforgettable Southern saga of lost and found, a woman who was stolen as a toddler from a poor but loving family must journey through a maze of heartbreak before she can reclaim her true identity. Now in trade paperback for the first time! Raised in a magnificent Charleston house, Jessie Roland wants for nothing. But as she grows into young adulthood, all she feels is loss and a desperate need to break free from the stifling possessiveness of her "parents." Somewhere,

in the deepest part of herself, Jessie believes that the world she has always lived in is not the one she came from . . . or belongs in. Now, at nineteen, she has escaped to Washington, D.C., where no one knows her, and where she is swept into a whirlwind marriage to a Texas senator's son. But the past will not release Jessie, who is still haunted by a sense of lost happiness, of simple, tender gestures buried in her memory. Only in Luke Holt, a reclusive rancher, will she discover the strength to penetrate the darkness, and find her way back to a place

On a backpacking trip through Europe, Jason Medley and Theo Barnes stumble through hash bars and hangovers; religious zealots and stalkers; food

poisoning and thunderstorms; cute girls; overnight trains; fever-pitch hallucinations-and the spectre of adult responsibility. But when a jar containing the Universe's DNA falls from Eternity, these new friends find their loyalties put to the test . . . unaware that a motley crew from another realm is chasing them across the globe, with the fate of the Milky Way hanging in the balance. Traversing Europe, New Zealand, and the backbone of Eternity, Finders Keepers is a raunchy, sci-fi backpacking comedy that not only tackles friendship, sex, commitment, and desire, but also God, reincarnation-and what really happened to the dinosaurs!

Finders Keepers - Craig Childs

someone steals a relic from a museum and returns it to the ruin it came from, is she a thief? Written in his trademark lyrical style, Craig Childs's riveting new book is a ghost story--an intense, impassioned investigation into the nature of the past and the things we leave behind. We visit lonesome desert canyons and fancy Fifth Avenue art galleries, journey throughout the Americas, Asia, the past and the present. The result is a brilliant book about man and nature, remnants and memory, a dashing tale of crime and detection.

American Dream set in South Philly from the # 1 New York Times–bestselling author (Entertainment Weekly). What would you do if you found a million dollars? When Joey Coyle did, he was a twenty-eight-year-old drug-dependent, unemployed longshoreman living with his ailing mother in a tight-knit Philadelphia neighborhood. While cruising the streets just blocks from his home, fate took a turn worthy of a Hollywood caper when he found \$1.2 million in unmarked bills—casino money that had fallen off an armored truck. It was virtually untraceable. Coyle? Not so much. Over the next seven days, fueled by euphoria, methamphetamine, and paranoia, Coyle shared his windfall with everyone from his eight-year-old niece to total strangers to a local mob boss who offered to “clean” it. All the while, Det. Pat Laurenzi and members of the FBI were working around the clock to find it. No one was prepared for how Coyle’s dream-come-true would come tumbling down, or what would happen when it did.

From “a master of narrative journalism” comes the incredible true-life thriller of an ordinary man with an extraordinary dilemma, and the complicity, concern, and betrayal of friends, family, and neighbors that would prove his undoing (The New York Times Book Review). “A miniature serio-comedy about life in the city.” —The Washington Post “Masterfully reported and artfully paced.”

—Entertainment Weekly “A taut, fast-paced tale.” —The Baltimore Sun

Finders Keepers? - Terence Daintith 2010

Since the beginnings of the oil industry, production activity has been governed by the 'law of capture,' dictating that one owns the oil recovered from one's property even if it has migrated from under neighboring land. This 'finders keepers' principle has been excoriated by foreign critics as a 'law of the jungle' and identified by American commentators as the root cause of the enormous waste of oil and gas resulting from U.S.

The quizmaster opened his arms and laughed, straight into Patrick's eyes. 'Patrick!' he shouted. 'Are you ready to play . . . Finders Keepers?' Patrick's eyes bulged. He licked his lips, swallowed. 'Yes,' he squeaked. 'Well, come on over!' bawled the quizmaster. And then everything went black. Patrick is a Finder, someone who can cross the barrier between two worlds and retrieve lost objects.

He's been chosen in a game of chance, but he'll need more than luck to win, and time is running out.

There was an immediate chemical reaction, and one year later, they were married. Billy is an account executive and partner in a small advertising firm. Becca is part owner and teacher at the Ross School, a successful private progressive educational institution on the Upper East Side, Manhattan, for children ages two to five. The school gets its name from the first letter of each of the four principal owners/teachers: Elizabeth Romano (R), Catherine O'Neal (O), Samantha Smith (S), and Rebecca Stone (S). Sam and Becca were childhood friends, went through Columbia together. They met Cathy and Liz in graduate school. The four became immediate friends and decided they would start a Nursery school after graduation. Billy and Becca are vacationing in California, celebrating their one-year anniversary and belated honeymoon. After

touring all over the state, they spend their last week at one of the rare six-star resorts in the world, Las Palmas Resort and Spa in Cabo, San Lucas. Billy surprises Becca with a day at the spa. Perusing "What to Do in Baja," he comes across an ad entitled "Finders Keepers." The ad asks, "How much of a gambler are you? Come to our auction and bid on unknown contents left in storage bins for more than ten years. Who knows, you might find unclaimed treasures or junk. Winning bidder has one year to vacate contents after which they revert to Finders Keepers LLC." Billy thinks, "Why not?" He decides to go for it. At Finders Keepers, there is a registration desk where he receives paddle #151, which identifies him to be used in the bidding process. He bids and wins bin 117. Soon after they are befriended by Dolly and Sonny Morrison, who own a B&B. The young couple move from their hotel and accept the Morrisons' hospitality. Little did they know that there was a treasure in bin 117. They

Are You Chasing a Purple Squirrel? (purple squirrel n: an ideal job candidate who, in reality, does not exist) Too often, managers waste time chasing a purple squirrel. A sales candidate may be skilled at selling, but can he or she relate to your industry sales

cycle, costing systems, delivery schedules, and manufacturing processes? Recruiting talent is the number one issue facing companies today. How do you attract and retain elite talent in today’s tight labor market? How do you evaluate motivation and ability to sell competitively in your industry? These are just some of the questions Russell Riendeau addresses in Finders Keepers. Other questions addressed include: Is your organization attractive to the best sales and management personnel? Is there a magic commission formula that will keep talent on your team? What can you do about expensive turnover in your sales force? Why is it important to brag about sales reps who have left your organization? Why should you find your replacement?

Finders Keepers by Stephen King | Summary & Analysis
Preview: Private investigator, Bill Hodges, races to find another deranged killer in Finders Keepers, the second book in a projected trilogy by Stephen King. The first, Mr. Mercedes, won the 2015 Edgar Award for best mystery novel. Finders Keepers, while a strong, stand alone book, continues the themes of the first book by examining of the nature of obsession while also offering a close look at the relationship

between literature and the real world. In 1978, three masked men invade the remote New Hampshire home of John Rothstein, a reclusive novelist. He hopes that three masked men just want money. The 79-year-old gives them the code to his safe. One of the men, Morrie Bellamy, is obsessed with the Jimmy Gold trilogy, Rothstein's masterwork, a favorite of alienated adolescents for decades. Bellamy hates Rothstein for having Gold sell out to Madison Avenue and move to suburbia in the final book... PLEASE NOTE: This is a summary and analysis of the book and NOT the original book. Finders Keepers - Belinda Bauer 2017-03-14

A spine-tingling, edge-of-your-seat thriller about an alarming killing spree in southwest England from the CWA Gold Dagger Award-winning author. The eight-year-old boy had vanished from the car and—as if by slick, sick magic—had been replaced by a note on the steering wheel: “You don’t love him.” At the height of summer a dark shadow falls across Exmoor, as children begin to disappear, with each disappearance marked only by a terse, accusatory note. There are no explanations, no ransom demands, and no hope. Policeman Jonas Holly (a character returning from Bauer’s first two novels) faces a precarious journey into the warped mind of the kidnapper if he’s to stand any chance of catching him. But—still reeling from a personal tragedy—is Jonas really up to the task? There are some who would say that, when it comes to being

the first line of defense, Jonas Holly may be the last man to trust. “Finders Keepers has an enjoyably creepy premise . . . Bauer’s villain, incidentally, is one of the oddest in detective fiction: what he does with his victims is utterly weird.” —The Guardian

- Sheila Turnage 2019-09-10

The heart-warming conclusion to the beloved Mo & Dale Mysteries by Newbery Honor author Sheila Turnage featuring the most shocking case yet! Pirate fever sweeps through the town after an opportunistic treasure hunter shows up looking to lay claim to Blackbeard's lost gold buried somewhere in Tupelo Landing. When the (probably) world-famous Desperado Detectives-- Mo and Dale and Harm--are hired by Mayor Little's mother to find the pirate loot for her, and the high-stakes race for riches is on! But that's not the only treasure hunt in town. Mo LoBeau unearths shocking new clues that may lead to her long-lost Upstream Mother--in the riskiest, scariest, and possibly richest case of her life. Will Mo find her Upstream Mother? Can the Desperados sidestep Blackbeard's curse and outsmart a professional treasure hunter? Will Dale faint under the pressure of Valentine's Day? Could the stakes be any higher? Yes. With

twin treasures hanging in the balance, Mo, Dale, and Harm realize one of them may have to leave Tupelo Landing. For good. Whether autobiographical, topical, or specifically literary, these writings circle the central preoccupying questions of Seamus Heaney's career: "How should a poet properly live and write? What is his relationship to be to his own voice, his own place, his literary heritage and the contemporary world?" Along with a selection from the poet's three previous collections of prose (Preoccupations, The Government of the Tongue, and The Redress of Poetry), the present volume includes

Independent trader Trilby Elliot is making some not-quite-legal modifications to her starfreighter, when an unexpected visitor falls out of space. Literally. He's crashed onto the uninhabited planet of Avamar in a crippled 'Sko fighter--the last place you'd expect to find a Zafharin military officer because the 'Sko and the Zafharin have been at war as long as Trilby can remember. Rhis Vanur is your typically arrogant Zafharin. But to Trilby's surprise, he doesn't look down on her or her slapdash ship.

Still, Trilby's learned the hard way that even though she found Rhis, she can't keep him. She's just a low-budget jump jockey as far as men like him are concerned. She's not falling for his offer to help...until Port Rumor reports her best friend missing and Trilby learns that the 'Sko are hunting both her and Rhis. Now they're in it together for better, for worse--or till death blasts them to oblivion....

Finders Keepers - Fern Michaels 2011-04-07

A Southern saga of family lost and found from the #1 New York Times-bestselling author of the Sisterhood books. Fern Michaels thrills us, once again, with the story of an unforgettable young woman who was stolen as a toddler from a poor but loving family, and who must journey through a maze of heartbreak before she can reclaim her true identity. Raised in a magnificent Charleston house, Jessie Roland wants for nothing. But as she grows into young adulthood, all she feels is loss and a desperate need to break free from the stifling possessiveness of her

Now, at nineteen, she has escaped to Washington, D.C., where no one knows her, and where she is swept into a whirlwind marriage to a Texas senator’s son. But the past will not release Jessie, who is still haunted by a sense of lost happiness, of simple, tender gestures buried in her memory.

Only in Luke Holt, a reclusive rancher, will she discover the strength to penetrate the darkness, and find her way back to a place she can call home. Praise for Fern Michaels
