ancient and diverse artifacts from  
the American Academy in Rome's  
collection.

**Ohio** - Stephen Markley 2019-06-04

"Extraordinary...beautifully  
precise...[an] earnestly ambitious  
debut." –The New York Times Book  
Review "A wild, angry, and  
devastating masterpiece of a book."  
–NPR "[A] descendent of the  
Dickensian 'social novel' by way of  
Jonathan Franzen: epic fiction that  
lays bare contemporary culture  
clashes, showing us who we are and  
how we got here." –O, The Oprah  
Magazine "A book that has stayed with  
me ever since I put it down." –Seth  
Meyers, host of Late Night with Seth  
Meyers One sweltering night in 2013,  
four former high school classmates  
converge on their hometown in  
northeastern Ohio. There's Bill  
Ashcraft, a passionate, drug-abusing  
young activist whose flailing  
ambitions have taken him from  
Cambodia to Zuccotti Park to post-BP  
New Orleans, and now back home with a  
mysterious package strapped to the  
undercarriage of his truck; Stacey  
Moore, a doctoral candidate  
reluctantly confronting her family  
and the mother of her best friend and  
first love, whose disappearance spurs  
the mystery at the heart of the  
novel; Dan Eaton, a shy veteran of  
three tours in Iraq, home for a  
dinner date with the high school  
sweetheart he's tried desperately to  
forget; and the beautiful, fragile  
Tina Ross, whose rendezvous with the  
washed-up captain of the football  
team triggers the novel's shocking  
climax. Set over the course of a  
single evening, Ohio toggles between  
the perspectives of these

unforgettable characters as they  
unearth dark secrets, revisit old  
regrets and uncover—and  
compound—bitter betrayals. Before the  
evening is through, these narratives  
converge masterfully to reveal a  
mystery so dark and shocking it will  
take your breath away.

Pirate Blood - Eugenio Pochini  
2020-12-17

Golden age of piracy. Johnny spends his childhood in Port Royal. Its alleys are populated with adventurers, throat cutters and prostitutes: everyone is looking for fortune among the inns and the decks. The boy finds out once the existence of a mysterious treasure... and everything changes suddenly. Forced to join the terrible pirate Barbanera's crew, Johnny will have to face a lot of dangers, between cruel boardings, scaring native tribes and dark omens, putting his life at risk and trying to fulfill his destiny. Eugenio Pochini: after obtaining his Bachelor of Arts Degree at La Sapienza University in Rome, he began working in the Italian theatre and cinema industry. *Pirate Blood* is his first novel, winner of the "International Golden Books Awards 2019" in "Best Plot Category".

**Creativity and the Agile Mind** - Tony Veale 2013-05-28

Creativity is a highly-prized quality in any modern endeavor, whether artistic, scientific or professional. Though a much-studied subject, and the topic of a great many case-studies, the field of creativity research is still very much an open one. Creativity remains a field where absolute definitions hold very little water, and where true insight can only emerge when we properly appreciate - from a nuanced, multi-disciplinary perspective - the crucial distinction between the producer's perspective and the consumer's perspective. Theories that afford us a critical appreciation of a creative work do not similarly afford an explanatory insight into the origins and development of the work. As researchers, we must approach creativity both as producers - to consider the vast search-spaces that a producer encounters, and to appreciate the need for heuristic strategies for negotiating this space - and as consumers, to appreciate the levels of shared knowledge (foreground and background) that is exploited by the producer to achieve a knowingly creative effect in the mind of the consumer. This volume thus brings together both producers and consumers in a cross-disciplinary exploration of this complex, many-faceted phenomenon.

**The Gramophone Classical Catalogue** - 1995-06

**Books Are Made Out of Books** - Michael Lynn Crews 2017-09-05

A "comprehensive and enlightening" study of Cormac McCarthy's literary influences, based on newly acquired archival materials (Times Literary Supplement). Though Cormac McCarthy once told an interviewer for the New York Times Magazine that "books are made out of books," he has been famously unwilling to discuss how his own writing draws on the works of other writers. Yet his novels and plays masterfully appropriate and allude to an extensive range of literary works, demonstrating that McCarthy is well aware of literary tradition, respectful of the canon, and deliberately situating himself in a knowing relationship to precursors. The Wittliff Collection at Texas State University acquired McCarthy's literary archive in 2007. In *Books Are Made Out of Books*, Michael Lynn Crews thoroughly mines the archive to identify nearly 150 writers and

thinkers that McCarthy himself references in early drafts, marginalia, notes, and correspondence. Crews organizes the references into chapters devoted to McCarthy's published works, the unpublished screenplay *Whales and Men*, and McCarthy's correspondence. For each work, Crews identifies the authors, artists, or other cultural figures that McCarthy references; gives the source of the reference in McCarthy's papers; provides context

for the reference as it appears in the archives; and explains the significance of the reference to the novel or play that McCarthy was working on. This groundbreaking exploration of McCarthy's literary influences—impossible to undertake before the opening of the archive—vastly expands our understanding of how one of America's foremost authors has engaged with the ideas, images, metaphors, and language of other thinkers and made them his own.
