God's Diplomats - Victor Gaetan 2021-07-15

Using inside sources and extensive field reporting about the secretive, high-stakes world of international diplomacy, Vatican reporter Victor Gaetan takes readers to the Holy See to explicate Pope Francis's diplomacy, show why it works, and to offer readers a startling

contrast to the dangerous inadequacies of recent U.S. international decisions.

God's Secretaries - Adam Nicolson 2003-04-29

A net of complex currents flowed across Jacobean England. This was the England of Shakespeare, Jonson and Bacon; of the Gunpowder Plot; the worst outbreak of the plague England had ever seen; Arcadian

landscapes; murderous, toxic slums; and, above all, of sometimes overwhelming religious passion. Jacobean England was both more godly and less godly than it had ever been, and the entire culture was drawn taut between the polarities. This was the world that created the King James Bible. It is the greatest work of English prose ever written, and it is no coincidence that the translation was made at the moment "Englishness" and the English language had come into its first passionate maturity. Boisterous, elegant, subtle, majestic, finely nuanced, sonorous and musical, the English of Jacobean England has a more encompassing idea of its own reach and scope than any before or since. It is a form of the language that drips with potency and sensitivity. The age,

with all its conflicts, explains the book. The sponsor and guide of the whole Bible project was the King himself, the brilliant, ugly and profoundly peace-loving James the Sixth of Scotland and First of England. Trained almost from birth to manage the rivalries of political factions at home, James saw in England the chance for a sort of irenic Eden over which the new translation of the Bible was to preside. It was to be a Bible for everyone, and as God's lieutenant on earth, he would use it to unify his kingdom. The dream of Jacobean peace, guaranteed by an elision of royal power and divine glory, lies behind a Bible of extraordinary grace and everlasting literary power. About fifty scholars from Cambridge, Oxford and London did the work, drawing on

*Downloaded from
ect2018.fpune.edu.py on

many previous versions, and created a text which, for all its failings, has never been equaled. That is the central question of this book: How did this group of near-anonymous divines, muddled, drunk, self-serving, ambitious, ruthless, obsequious, pedantic and flawed as they were, manage to bring off this astonishing translation? How did such ordinary men make such extraordinary prose? In *God's Secretaries*, Adam Nicolson gives a fascinating and dramatic account of the accession and ambition of the first Stuart king; of the scholars who labored for seven years to create his Bible; of the influences that shaped their work and of the beliefs that colored their world, immersing us in an age whose greatest monument is not a painting or a

building, but a book. *Accidental Gods* - Anna Della Subin 2021-12-07 NAMED A BEST BOOK OF THE YEAR BY ESQUIRE, THE IRISH TIMES AND THE TIMES LITERARY SUPPLEMENT A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age Ever since 1492, when Christopher Columbus made landfall in the New World and was hailed as a heavenly being, the accidental god has haunted the modern age. From Haile Selassie, acclaimed as the Living God in Jamaica, to Britain's Prince Philip, who became the unlikely center of a new religion on a South Pacific island, men made divine—always men—have appeared on every continent. And because these deifications

always emerge at moments of turbulence—civil wars, imperial conquest, revolutions—they have much to teach us. In a revelatory history spanning five centuries, a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of “religion” was invented; why religion and politics are perpetually entangled in our supposedly secular age; and how the power to call someone divine has been used and abused by both oppressors and the oppressed. From nationalist uprisings in India to Nigerien spirit possession cults, Anna Della Subin explores how deification has been a means of defiance for colonized peoples. Conversely, we see how Columbus, Cortés, and other white explorers amplified stories of their godhood to justify

their dominion over native peoples, setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores. At once deeply learned and delightfully antic, *Accidental Gods* offers an unusual keyhole through which to observe the creation of our modern world. It is that rare thing: a lyrical, entertaining work of ideas, one that marks the debut of a remarkable literary career.

A Visual History of the English Bible - Donald

L. Brake 2008-09-15
With a full color layout and over one hundred illustrations, *A Visual History of the English Bible* covers the fascinating journey of the Bible from the pulpit to the people. Renowned biblical scholar Donald L. Brake invites readers to explore the process of transformation from medieval manuscripts to the contemporary translations of our day. Along the way, readers will meet many heroes of the faith--men and women who preserved and published the Scriptures, often at risk of their own lives. From Wycliffe and Tyndale to King Henry VIII and the Geneva Bible, from the Bishop's Bible and the King James Version to the American Revolution and the Civil War, this tumultuous tale is history come alive. This book is

perfect for history buffs, bibliophiles, and anyone interested in the colorful account of the world's most popular book.

God's Cold Warrior -

John D. Wilsey

2021-02-09

When John Foster Dulles died in 1959, he was given the largest American state funeral since Franklin Delano Roosevelt's in 1945. President Eisenhower called Dulles—his longtime secretary of state—"one of the truly great men of our time," and a few years later the new commercial airport outside Washington, DC, was christened the Dulles International Airport in his honor. His star has fallen significantly since that time, but his influence remains indelible—most especially regarding his role in bringing the worldview of American

exceptionalism to the forefront of US foreign policy during the Cold War era, a worldview that has long outlived him. God's Cold Warrior recounts how Dulles's faith commitments from his Presbyterian upbringing found fertile soil in the anti-communist crusades of the mid-twentieth century. After attending the Oxford Ecumenical Church Conference in 1937, he wrote about his realization that "the spirit of Christianity, of which I learned as a boy, was really that of which the world now stood in very great need, not merely to save souls, but to solve the practical problems of international affairs." Dulles believed that America was chosen by God to defend the freedom of all those vulnerable to the godless tyranny of communism, and he

*Downloaded from
ect2018.fpune.edu.py on

carried out this religious vision in every aspect of his diplomatic and political work. He was conspicuous among those US officials in the twentieth century that prominently combined their religious convictions and public service, making his life and faith key to understanding the interconnectedness of God and country in US foreign affairs.

Secretaries of God -

Diane Watt 1997

"The English women prophets and visionaries whose voices are recovered here all lived between the twelfth and the seventeenth centuries and claimed, through the medium of trances and eucharistic piety, to speak for God. [...] Through prophecy they were often able to intervene in the religious and political discourse of their times: the role of God's

secretary gave them the opportunity to act and speak autonomously and publicly"--Back cover.

The Mighty and the Almighty -

Madeleine Albright 2009-03-17

"In this fascinating book, Madeleine Albright weaves together history, personal experiences, and brilliant analysis in exploring how religion can be a force for liberty and tolerance rather than oppression and terror."

-- Walter Isaacson, author of *The Code Breaker* The New York Times bestselling author and former secretary of state Madeleine Albright offers a provocative and very personal look at the role of religion in America's foreign policy. Traditionally, America's foreign policy professionals have sought to downplay the impact of religious beliefs in international affairs. Reinforced by

Downloaded from
ect2018.fpune.edu.py on
by guest

the constitutional separation between church and state, policymakers have shied away from this potentially volatile and divisive issue. In this timely precious book, one of the most renowned figures in American politics argues that in today's climate, a secular approach is no longer sufficient. The 21st century seems to be devolving into a period of religious war, and in an era of confrontation between international terrorism and the West, our political leaders can no longer avoid dealing directly and explicitly with religious issues. In *The Mighty and the Almighty*, Madeleine Albright examines religion and foreign affairs through the lens of U.S. history as well as her own experience in public office. She offers a sharp critique of U.S.

policy, condemnation for those who exploit religious fervor for violent ends, and praise for political, cultural, and spiritual leaders who seek to harness the values of faith to unite us in these confusing and dangerous times. Illuminating and engrossing, this is a provocative work calling for leadership that is bold enough to rein in divisive religious rivalries and lay the groundwork for a new moral consensus.

God of Creation - Bible Study Book - Jen Wilkin 2018

Sea Room - Adam Nicolson
2007-08-14

In 1937, Adam Nicolson's father answered a newspaper ad—"Uninhabited islands for sale. Outer Hebrides, 600 acres. . . . Puffins and seals. Apply."—and thus found the Shiantis. With a name meaning "holy or enchanted islands," the Shiantis for millennia were a haven for those seeking solitude, but their rich, sometimes violent history of human habitation includes much more. When he was twenty-one, Nicolson inherited this almost indescribably beautiful property: a landscape,

soaked in centuries-old tales of restless ghosts and Bronze Age gold, that cradles the heritage of a once-vibrant world of farmers and fishermen. In *Sea Room*, Nicolson describes and relives his love affair with the three tiny islands and their strange and colorful history in passionate, keenly precise prose—sharing with us the greatest gift an island bestows on its inhabitants: a deep engagement with the natural world.

The Intercessor, God's Secretary - Gwendolyn

Ann Cook 2010-12-08

There has to be intimacy before intercession. Jesus calls us to develop an intimate relationship with Him and the Father by becoming frequent visitors before the throne. We must then ask ourselves the question, Are you known at the

Downloaded from
ect2018.fpune.edu.py on
by guest

throne? The lesson in this book is very clear; we are not magicians before the throne, magically calling things into existence or naming it and claiming it by using the mighty name of Jesus. The spiritual war we should wage starts with believing God; this produces a spiritual connection when you engage the enemy through intercession. I call this coming into agreement with heaven and at this point Jesus Himself reaffirms with His Word.

100 Unexpected

Statements about God's Secretaries - Oliver Skeat 2013-01

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "God's Secretaries: The Making of the King James Bible." Don't say we

didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

The Screwtape Letters -

C. S. Lewis 2001-02-06

In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of what it means to live a faithful life.

Songs for the Missing -

Stewart O'Nan 2008

When a popular high-

school student goes missing from her small Midwestern community, her loving parents, introverted sister, friends, and boyfriend devote themselves to finding her, an effort that gives way to pleading television appearances, private investigations, and intimate struggles to cling to hope. 60,000 first printing.

For Such a Time as This

- Kayleigh McEnany
2021-12-07

Kayleigh McEnany describes her path to the White House podium, bringing the reader behind the scenes in the world's most powerful building and illuminating how faith got her through. If you would have told me that in the year 2020 I would stand at the White House podium and communicate with the American people as COVID-19 ravaged the globe and violent

protests beset the nation, I would have told you that you were crazy. But Jesus Christ had this very plan for my life. From White House intern to White House press secretary, from production assistant to national television host, from Catholic all-girls high school to Harvard Law School, God has guided my path through uncharted territory. In *For Such a Time as This*, I will chronicle my journey to the White House and offer never-before-told anecdotes about what really happened within the Trump administration. You will experience some of the most high stakes moments in the West Wing right alongside me as I reveal how faith got me through.

God's Hand on America -

Michael Medved
2019-11-26

The national radio host

*Downloaded from
ect2018.fpune.edu.py on

and bestselling author of *The American Miracle* reveals the happy accidents, bizarre coincidences, and flat-out miracles that continue to shape America's destiny. "A hopeful message for our troubled times . . . Michael Medved has an eye for a story, and a preternatural gift for telling it in beguiling ways."—Joseph J. Ellis, Pulitzer Prize and National Book Award-winning author of *Founding Brothers* Has God withdrawn his special blessing from the United States? Americans ponder that painful question in troubled times, as we did during the devastation of the Civil War and after the assassinations of the '60s, and as we do in our present polarization. Yet somehow—on battlefields, across western

wilderness, and in raucous convention halls—astounding events have reliably advanced America, restoring faith in the Republic's providential protection. In this provocative historical narrative, Michael Medved brings to life ten haunting tales that reveal this purposeful pattern, including: • A near-fatal carriage accident forces Lincoln's secretary of state into a canvas-and-steel neck brace that protects him from a would-be assassin's knife thrusts, allowing him two years later to acquire Alaska for the United States. • A sudden tidal wave of Russian Jewish immigration, beginning in 1881, coincides with America's rise to world leadership, fulfilling a biblical promise that those blessing Abraham's children will themselves

*Downloaded from
ect2018.fpune.edu.py on
by guest*

be blessed. • Campaigning for president, Theodore Roosevelt takes a bullet in the chest, but a folded speech in his jacket pocket slows its progress and saves his life. • At the Battle of Midway, U.S. planes get lost over empty ocean and then miraculously reconnect for five minutes of dive-bombing that wrecks Japan's fleet, convincing even enemy commanders that higher powers intervened against them. • A behind-the-scenes "conspiracy of the pure of heart" by Democratic leaders forces a gravely ill FDR to replace his sitting vice president—an unstable Stalinist—with future White House great Harry Truman. These and other little-known stories build on themes of *The American Miracle*, Medved's bestseller about America's

remarkable rise. The confident heroes and stubborn misfits in these pages shared a common faith in a master plan, which continues to unfold in our time. *God's Hand on America* confirms that the founders were right about America's destiny to lead and enlighten the world.

On Strike Against God -
Joanna Russ 1980

God Is Dead - Ron Currie
2007-07-05

The electrifying, "cutting-edge" (USA Today) debut work of fiction from Ron Currie, author of the forethcoming novel *The One-Eyed Man* (March 2017) Ron Currie's gutsy, funny book is instantly gripping: If God takes human form and dies, what would become of life as we know it? Effortlessly combining outlandish humor with big questions about

mortality, ethics, and human weakness, Ron Currie, Jr., holds a funhouse mirror to our present-day world. God has inhabited the mortal body of a young Dinka woman in the Sudan. When she is killed in the Darfur desert, he dies along with her, and word of his death soon begins to spread. Faced with the hard proof that there is no supreme being in charge, the world is irrevocably transformed, yet remains oddly recognizable.

Stress Test - Timothy F. Geithner 2014-05-12
New York Times
Bestseller Washington Post
Bestseller Los Angeles Times
Bestseller *Stress Test* is the story of Tim Geithner's education in financial crises. As president of the Federal Reserve Bank of New York and then as President Barack Obama's secretary of the Treasury, Timothy F.

Geithner helped the United States navigate the worst financial crisis since the Great Depression, from boom to bust to rescue to recovery. In a candid, riveting, and historically illuminating memoir, he takes readers behind the scenes of the crisis, explaining the hard choices and politically unpalatable decisions he made to repair a broken financial system and prevent the collapse of the Main Street economy. This is the inside story of how a small group of policy makers—in a thick fog of uncertainty, with unimaginably high stakes—helped avoid a second depression but lost the American people doing it. *Stress Test* is also a valuable guide to how governments can better manage financial crises, because this one won't be the last.

Stress Test reveals a

Downloaded from
ect2018.fpune.edu.py on
by guest

side of Secretary Geithner the public has never seen, starting with his childhood as an American abroad. He recounts his early days as a young Treasury official helping to fight the international financial crises of the 1990s, then describes what he saw, what he did, and what he missed at the New York Fed before the Wall Street boom went bust. He takes readers inside the room as the crisis began, intensified, and burned out of control, discussing the most controversial episodes of his tenures at the New York Fed and the Treasury, including the rescue of Bear Stearns; the harrowing weekend when Lehman Brothers failed; the searing crucible of the AIG rescue as well as the furor over the firm's lavish bonuses; the battles inside the Obama

administration over his widely criticized but ultimately successful plan to end the crisis; and the bracing fight for the most sweeping financial reforms in more than seventy years. Secretary Geithner also describes the aftershocks of the crisis, including the administration's efforts to address high unemployment, a series of brutal political battles over deficits and debt, and the drama over Europe's repeated flirtations with the economic abyss. Secretary Geithner is not a politician, but he has things to say about politics—the silliness, the nastiness, the toll it took on his family. But in the end, Stress Test is a hopeful story about public service. In this revealing memoir, Tim Geithner explains how America withstood the ultimate stress test

of its political and financial systems. Life Between the Tides - Adam Nicolson 2022-02-22 Adam Nicolson explores the marine life inhabiting seashore rockpools with a scientist's curiosity and a poet's wonder in this beautifully illustrated book. The sea is not made of water. Creatures are its genes. Look down as you crouch over the shallows and you will find a periwinkle or a prawn, a claw-displaying crab or a cluster of anemones ready to meet you. No need for binoculars or special stalking skills: go to the rocks and the living will say hello. Inside each rock pool tucked into one of the infinite crevices of the tidal coastline lies a rippling, silent, unknowable universe. Below the stillness of the surface course different currents of

endless motion—the ebb and flow of the tide, the steady forward propulsion of the passage of time, and the tiny lifetimes of the rock pool's creatures, all of which coalesce into the grand narrative of evolution. In Life Between the Tides, Adam Nicolson investigates one of the most revelatory habitats on earth. Under his microscope, we see a prawn's head become a medieval helmet and a group of "winkles" transform into a Dickensian social scene, with mollusks munching on Stilton and glancing at their pocket watches. Or, rather, is a winkle more like Achilles, an ancient hero, throwing himself toward death for the sake of glory? For Nicolson, who writes "with scientific rigor and a poet's sense of wonder" (The American Scholar), the world of

*Downloaded from
ect2018.fpu.edu.py on

the rock pools is infinite and as intricate as our own. As Nicolson journeys between the tides, both in the pools he builds along the coast of Scotland and through the timeline of scientific discovery, he is accompanied by great thinkers—no one can escape the pull of the sea. We meet Virginia Woolf and her Waves; a young T. S. Eliot peering into his own rock pool in Massachusetts; even Nicolson's father-in-law, a classical scholar who would hunt for amethysts along the shoreline, his mind on Heraclitus and the other philosophers of ancient Greece. And, of course, scientists populate the pages; not only their discoveries, but also their doubts and errors, their moments of quiet observation and their thrilling realizations.

Everything is within the rock pools, where you can look beyond your own reflection and find the miraculous an inch beneath your nose. "The soul wants to be wet," Heraclitus said in Ephesus twenty-five hundred years ago. This marvelous book demonstrates why it is so. Includes Color and Black-and-White Photographs

God's Secretaries - Adam Nicolson 2009-10-13

NATIONAL BESTSELLER • A NEW YORK TIMES NOTABLE BOOK "This scrupulously elegant account of the creation of what four centuries of history has confirmed is the finest English-language work of all time, is entirely true to its subject: Adam Nicolson's lapidary prose is masterly, his measured account both as readable as the curious demand and as dignified as the story deserves."

— Simon Winchester,

tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: Doctor Zhivago • A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak's magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm

to pry secrets out of powerful men. Under Sally's tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. The Secrets We Kept combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired Zhivago's heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world.

author of *The Day of the Jackal*, international master of intrigue Frederick Forsyth, comes a thriller that brilliantly blends fact with fiction for one of this summer's—or any season's—most explosive reads! From the behind-the-scenes decision-making of the Allies to the secret meetings of Saddam Hussein's war cabinet, from the brave American fliers running their dangerous missions over Iraq to the heroic young spy planted deep in the heart of Baghdad, Forsyth's incomparable storytelling skill keeps the suspense at a breakneck pace. Somewhere in Baghdad is the mysterious "Jericho," the traitor who is willing—for a price—to reveal what is going on in the high councils of the Iraqi dictator. But Saddam's ultimate weapon has been kept secret even from

his most trusted advisers, and the nightmare scenario that haunts General Schwarzkopf and his colleagues is suddenly imminent, unless somehow, the spy can locate that weapon—*The Fist of God*—in time. Peopled with vivid characters, brilliantly displaying Forsyth's incomparable, knowledge of intelligence operations and tradecraft, moving back and forth between Washington and London, Baghdad and Kuwait, desert vastnesses and city bazaars, this breathtaking novel is an utterly convincing story of what may actually have happened behind the headlines.

Cold-Case Christianity -

J. Warner Wallace

2013-01-01

Written by an L. A. County homicide detective and former atheist, *Cold-Case*

Downloaded from
ect2018.fpune.edu.py on
by guest

Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in

detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Forged - Bart D. Ehrman
2011-03-22

Bart D. Ehrman, the New York Times bestselling author of Jesus, Interrupted and God’s Problem reveals which books in the Bible’s New Testament were not passed down by Jesus’s disciples, but were instead forged by other hands—and why this centuries-hidden scandal is far more significant than many scholars are willing to admit. A controversial work of historical reporting in the tradition of Elaine Pagels, Marcus Borg, and John Dominic Crossan, Ehrman’s Forged delivers a stunning explication of one of the most substantial—yet least discussed—problems

confronting the world of biblical scholarship.

Hezbollah - Matthew

Levitt 2015-04-29

Hezbollah: The Global

Footprint of Lebanon's

Party of God is the

first thorough

examination of

Hezbollah's covert

activities beyond

Lebanon's borders,

including its financial

and logistical support

networks and its

criminal and terrorist

operations worldwide.

Hezbollah–Lebanon's

"Party of God"–is a

multifaceted

organization: It is a powerful political party in Lebanon, a Shia Islam religious and social movement, Lebanon's largest militia, a close ally of Iran, and a terrorist organization. Drawing on a wide range of sources, including recently declassified government documents, court records, and personal interviews with intelligence and law enforcement officials around the world, Matthew Levitt examines Hezbollah's beginnings, its first violent forays in Lebanon, and then its terrorist activities and criminal enterprises abroad in Europe, the Middle East, South America, Southeast Asia, Africa, and finally in North America. Levitt also describes Hezbollah's unit dedicated to supporting Palestinian militant groups and Hezbollah's involvement in training

and supporting insurgents who fought US troops in post-Saddam Iraq. The book concludes with a look at Hezbollah's integral, ongoing role in Iran's shadow war with Israel and the West, including plots targeting civilians around the world. Levitt shows convincingly that Hezbollah's willingness to use violence at home and abroad, its global reach, and its proxy-patron relationship with the Iranian regime should be of serious concern. Hezbollah is an important book for scholars, policymakers, students, and the general public interested in international security, terrorism, international criminal organizations, and Middle East studies.

Sylvain Neuvel's innovative series about human-alien contact takes another giant step forward. "Sleeping Giants may have debuted his thrilling saga, but Waking Gods proves that Neuvel's scope is more daring than readers could have imagined."—Paste As a child, Rose Franklin made an astonishing discovery: a giant metallic hand, buried deep within the earth. As an adult, she's dedicated her brilliant scientific career to solving the mystery that began that fateful day: Why was a titanic robot of unknown origin buried in pieces around the world? Years of investigation have produced intriguing answers—and even more perplexing questions. But the truth is closer than ever before when a second robot, more massive than the first,

materializes and lashes out with deadly force. Now humankind faces a nightmare invasion scenario made real, as more colossal machines touch down across the globe. But Rose and her team at the Earth Defense Corps refuse to surrender. They can turn the tide if they can unlock the last secrets of an advanced alien technology. The greatest weapon humanity wields is knowledge in a do-or-die battle to inherit the Earth . . . and maybe even the stars. Praise for Waking Gods "Kick-ass, one-on-one robot action combines with mind-bending scientific and philosophical speculation. Series science-fiction fans will enjoy this follow-up filled with unexpected revelations and a surprise finale."—Booklist "Pure, unadulterated literary

escapism featuring giant killer robots and the looming end of mankind.

In a word:

unputdownable.”—Kirkus Reviews (starred review)

“Sheer escapist

fun.”—Shelf Awareness

Best Book.

Sleeping Giants -

Sylvain Neuvel

2016-04-26

A page-turning debut in

the tradition of Michael

Crichton, World War Z,

and The Martian,

Sleeping Giants is a

thriller fueled by an

earthshaking mystery—and

a fight to control a

gargantuan power. A girl

named Rose is riding her

new bike near her home

in Deadwood, South

Dakota, when she falls

through the earth. She

wakes up at the bottom

of a square hole, its

walls glowing with

intricate carvings. But

the firemen who come to save her peer down upon something even stranger: a little girl in the palm of a giant metal hand. Seventeen years later, the mystery of the bizarre artifact remains unsolved—its origins, architects, and purpose unknown. Its carbon dating defies belief; military reports are redacted; theories are floated, then rejected. But some can never stop searching for answers. Rose Franklin is now a highly trained physicist leading a top secret team to crack the hand's code. And along with her colleagues, she is being interviewed by a nameless interrogator whose power and purview are as enigmatic as the provenance of the relic. What's clear is that Rose and her compatriots are on the edge of unraveling history's most perplexing discovery—and figuring

out what it portends for humanity. But once the pieces of the puzzle are in place, will the result prove to be an instrument of lasting peace or a weapon of mass destruction? Praise for *Sleeping Giants* "As high-concept as it is, *Sleeping Giants* is a thriller through and through. . . . One of the most promising series kickoffs in recent memory, [and] a smart demonstration of how science fiction can honor its traditions and reverse-engineer them at the same time."—NPR "Neuvel weaves a complex tapestry with ancient machinery buried in the Earth, shadow governments, and geopolitical conflicts. But the most surprising thing about the book may just be how compelling the central characters are in the midst of these larger-than-life concepts. . . . I can't

stop thinking about it.”—Chicago Review of Books “A remarkable debut . . . Reminiscent of Max Brooks’s *World War Z*, the story’s format effectively builds suspense.”—Library Journal (debut of the month) “This stellar debut novel . . . masterfully blends together elements of sci-fi, political thriller and apocalyptic fiction. . . . A page-turner of the highest order.”—Kirkus Reviews (starred review) Don’t miss any of The Themis Files by Sylvain Neuvel: SLEEPING GIANTS | WAKING GODS | ONLY HUMAN *What Hath God Wrought* - Daniel Walker Howe 2007-10-29 The Oxford History of the United States is by far the most respected multi-volume history of our nation. In this Pulitzer prize-winning, critically acclaimed

addition to the series, historian Daniel Walker Howe illuminates the period from the battle of New Orleans to the end of the Mexican-American War, an era when the United States expanded to the Pacific and won control over the richest part of the North American continent. A panoramic narrative, *What Hath God Wrought* portrays revolutionary improvements in transportation and communications that accelerated the extension of the American empire. Railroads, canals, newspapers, and the telegraph dramatically lowered travel times and spurred the spread of information. These innovations prompted the emergence of mass political parties and stimulated America's economic development from an overwhelmingly

rural country to a diversified economy in which commerce and industry took their place alongside agriculture. In his story, the author weaves together political and military events with social, economic, and cultural history. Howe examines the rise of Andrew Jackson and his Democratic party, but contends that John Quincy Adams and other Whigs--advocates of public education and economic integration, defenders of the rights of Indians, women, and African-Americans--were the true prophets of America's future. In addition, Howe reveals the power of religion to shape many aspects of American life during this period, including slavery and antislavery, women's rights and other reform movements, politics, education, and literature. Howe's story

of American expansion culminates in the bitterly controversial but brilliantly executed war waged against Mexico to gain California and Texas for the United States. Winner of the New-York Historical Society American History Book Prize Finalist, 2007 National Book Critics Circle Award for Nonfiction The Oxford History of the United States The Oxford History of the United States is the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, a New York Times bestseller, and winners of the Bancroft and Parkman Prizes. The Atlantic Monthly has praised it as "the most distinguished series in American historical scholarship," a series that "synthesizes a generation's worth of historical inquiry and

by guest*

knowledge into one literally state-of-the-art book." Conceived under the general editorship of C. Vann Woodward and Richard Hofstadter, and now under the editorship of David M. Kennedy, this renowned series blends social, political, economic, cultural, diplomatic, and military history into coherent and vividly written narrative.

God's Secretaries - Adam Nicolson 2001-01-01
Nicolson gives a fascinating and dramatic account of the era of the King James Bible and its translation, immersing readers in an age whose greatest monument is not a painting or a building but a book. 16-page insert.

One Nation Under God - Kevin M. Kruse 2015-04-14
The provocative and authoritative history of

the origins of Christian America in the New Deal era We're often told that the United States is, was, and always has been a Christian nation. But in *One Nation Under God*, historian Kevin M. Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s. To fight the "slavery" of FDR's New Deal, businessmen enlisted religious activists in a campaign for "freedom under God" that culminated in the election of their ally Dwight Eisenhower in 1952. The new president revolutionized the role of religion in American politics. He inaugurated new traditions like the National Prayer Breakfast, as Congress added the phrase "under God" to the Pledge of Allegiance and made "In God We Trust" the country's first official

motto. Church membership soon soared to an all-time high of 69 percent. Americans across the religious and political spectrum agreed that their country was "one nation under God." Provocative and authoritative, *One Nation Under God* reveals how an unholy alliance of money, religion, and politics created a false origin story that continues to define and divide American politics to this day.

The Screwtape Letters (Enhanced Special Illustrated Edition) - C. S. Lewis 2011-04-05
This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. The Deluxe Illustrated Edition of a Timeless Classic Now with this enhanced edition, readers can gain additional insight

through video interviews, audio excerpts and letters from C. S. Lewis. First published in 1942, *The Screwtape Letters* has sold millions of copies world-wide and is recognized as a milestone in the history of popular theology. A masterpiece of satire, it entertains readers with its sly and ironic portrayal of human life and foibles from the vantage point of Screwtape, a highly placed assistant to "Our Father Below." At once wildly comic, deadly serious, and strikingly original, *The Screwtape Letters* is the most engaging account of temptation—and triumph over it—ever written.

Why Homer Matters - Adam Nicolson 2014-11-18
"Adam Nicolson writes popular books as popular books used to be, a breeze rather than a scholarly sweat, but

humanely erudite,
elegantly written,
passionately felt...and
his excitement is
contagious."—James Wood,
The New Yorker Adam
Nicolson sees the Iliad
and the Odyssey as the
foundation myths of
Greek—and
our—consciousness,
collapsing the passage
of 4,000 years and
making the distant past
of the Mediterranean
world as immediate to us
as the events of our own
time. Why Homer Matters
is a magical journey of
discovery across wide
stretches of the past,
sewn together by the
poems themselves and
their metaphors of life
and trouble. Homer's
poems occupy, as Adam
Nicolson writes "a third
space" in the way we
relate to the past: not
as memory, which lasts
no more than three
generations, nor as the
objective accounts of
history, but as epic,

invented after memory
but before history,
poetry which aims "to
bind the wounds that
time inflicts." The
Homeric poems are among
the oldest stories we
have, drawing on deep
roots in the Eurasian
steppes beyond the Black
Sea, but emerging at a
time around 2000 B.C.
when the people who
would become the Greeks
came south and both
clashed and fused with
the more sophisticated
inhabitants of the
Eastern Mediterranean.
The poems, which ask the
eternal questions about
the individual and the
community, honor and
service, love and war,
tell us how we became
who we are.

State of Terror - Louise
Penny 2021-10-12

AN INSTANT #1 NEW YORK
TIMES BESTSELLER □ Named
one of the most
anticipated novels of
the season by People,
Associated Press, Time,

Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—State of Terror. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her

multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As

the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FS0; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

Hitler's Last Secretary

- Traudl Junge 2011-09

Hitler's personal secretary reveals the experience of day-to-day life beside one of history's true monsters.

Visual History of the King James Bible, A -

Donald L. Brake

2011-02-01

For 400 years the King James Version of the Holy Bible has been the most influential book to be published in the English language. Now Bible collector and expert Donald L. Brake brings to life the fascinating story of its creation and proliferation throughout the English-speaking world. With beautiful and informative photos, illustrations, charts, and sidebars, Brake invites readers to explore the KJV's mysterious beginnings, the men who translated it, the manuscripts upon which that translation

Downloaded from
