**Nothing Left to Steal** - Mzilikazi wa Afrika 2014-08-20  
This tell-all memoir reveals the details behind Sunday Times journalist Mzilikazi wa Afrika's exposure of the R1.7 billion lease scandal between police commissioner Bheki Cele and property tycoon Roux Shabangu, for which he was infamously arrested in 2010. It is also the riveting account of how a neglected boy in an unknown village became one of South Africa's most awarded investigative reporters and found himself at the receiving end of the corruption that had defeated those he helped put in power. Fearless in the face of corrupt authorities with sinister political motives, and fervent about justice, Wa Afrika's life was characterised by resistance to oppression and inequality from an early age. Destined to defend and uphold the principles of

democracy, his story is the inspiring tale of an ordinary man, armed with a pen, who challenged the proverbial giant.

**How to Be a Capitalist Without Any Capital** - Nathan Latka 2019-03-05

Instant Wall Street Journal Bestseller! You don't need to be Ivy League educated, have money, be creative, or even have an idea to get rich. You just need to be willing to break the rules. At nineteen, I founded a software company with \$119 in my bank account. Five years later, it was valued at \$10.5 million. I don't consider myself exceptionally brilliant. I just realized something few people know: You don't need lots of money or an original idea to get really rich. Now, I make more than \$100,000 in passive income every month, while also running my own private equity firm and hosting The Top Entrepreneurs podcast, which has more than 10 million downloads. This book will show you how I went from college dropout to member of the New Rich. And I'm holding nothing back. You'll see my tax returns, my profit and loss statements, my email negotiations when buying and selling companies. It's time to forget your grandfather's advice. I'll teach you how to be a modern opportunist--investor, entrepreneur, or side hustler--by breaking these four golden rules of the old guard:

1.Focus on one skill: Wrong. Don't cultivate one great skill to get ahead. In today's business world, success goes to the multitaskers. 2.Be unique: Wrong. The way to get rich is not by launching a new idea but by aggressively copying others and then adding your own twist. 3.Focus on one goal: Wrong. Focus instead on

creating a system to produce the outcome you want, not just once, but over and over again. 4.Appeal to the masses: Wrong. The masses are broke (\$4k average net worth in America?). Let others cut a trail through the jungle so you can peacefully walk in and capitalize on their hard work. By rejecting these defunct rules and following my unconventional path, you can copy other people's ideas shamelessly, bootstrap a start-up with almost no funding, invest in small local businesses for huge payoffs, and reap all the benefits.

**Shift** - Jeremiah Desmarais 2017-06-09

Insurance agents and financial advisors are being taught outdated marketing and sales strategies to grow their businesses. Cold calling, seminars, online leads, networking groups and display ads are showing less returns. At the same time, according to Google, every 5 seconds someone is searching for a financial or insurance product to meet their needs, yet most agents are unaware of how to reach this growing market. Shift is a compilation of exclusive, rarely-before-seen techniques, strategies and best practices used right now to increase sales exponentially using digital marketing.

These are not taught in magazines, books or courses today simply because most people won't share them. Jeremiah has used these concepts to train over 100,000 agents in over 51 countries including the US, Canada, Japan, Switzerland, the Caribbean and South Africa. Using his years of success stories and behind-the-scenes access to the frontlines of what's working now, Jeremiah has been part of teams that have generated over two million leads in the insurance space, leading to over \$300,000,000 in commissions paid out. He has documented the most inspiring, entertaining and duplicatable techniques his teams and front line advisors are using TODAY to SHIFT industry thinking to solve these problems.

Fiverr Star - Gianluca Sidoti 2018-12-11

Fiverr is the largest freelance marketplace in the world. You can sell services for only \$ 5, which makes it very popular among those looking for a job at a few dollars. But what about freelancers? Is it really worthwhile selling your services on Fiverr? Absolutely yes, and in this book I'm gonna show you how you can earn several thousand dollars working just over 2 hours a day, from home! In this book bestselling author Gianluca Sidoti, former founder of the OverPerform.Pro website, shows the steps necessary not only to increase the net earnings of every single gig, but also how it is possible to be among the first Fiverr researches, increasing visibility and therefore the gains! The great part of Fiverr is that you can sell everything, without necessarily having the right skills! You can sell graphics, video, SEO, Social Media Marketing packages etc ... by buying them from a third-party retailer for a

few dollars, and then selling them on Fiverr earning the difference. Here are the chapters you will find in Fiverr Star: CHAPTER 1: INTRODUCTION (How to make money on Fiverr) CHAPTER 2: YOUR FIVERR ACCOUNT (Account Creation and Setup, Fiverr Levels) CHAPTER 3: CREATING A NEW GIG AND SETTING IT UP FOR MAXIMUM EARNINGS CHAPTER 4: WHAT TO SELL ON FIVERR; MINIMUM WORK FOR MAXIMUM EARNING CHAPTER 5: ACHIEVING FIVERR SUCCESS (Reviews, Up-Selling, Cross-Selling, Down-Selling, Offers for repeating customers, how to promote outside Fiverr...) CHAPTER 6: MY SYSTEM: 8 HOURS OF WORK A WEEK CHAPTER 7: ROAD TO A TOP RATED SELLER CHAPTER 8: PROTECTING YOURSELF AS A NOW SUCCESSFUL SELLER CHAPTER 9: SUMMARY AND CLOSING THOUGHTS BONUS CHAPTER 10: 101 FIVERR GIGS YOU CAN SELL RIGHT NOW

**Profitable Publishing Today: Start Earning Money as an Author Without Quitting Your Day Job** - Kim Staflund

2019-09-29

The best way to build a profitable book publishing business is to start writing on part-time basis. Keep the security of your regular full-time job to ensure a steady flow of income while you write. That will ensure your peace of mind along the way. Only when your monthly writing profits match your regular monthly income should you transition to full-time writing. How long this process takes will depend a lot on you. For one writer, the transition took a year; for another, it took five years. In this book, we'll talk about exactly how they, and many others, did it. More importantly, we'll discuss how you can accomplish the same. YOU'RE IN THE DRIVER'S SEAT Gone are the days when the world's large corporate book publishers set the pace and direction of the entire publishing market. Today, independent authors are now in the driver's seat. The tools are already at your fingertips, and online publishing is the easiest and most affordable way to begin. (And when I say "affordable," I mean almost completely free of charge. Now that's affordable!) Your only necessary cost will be editing, which will be covered in detail in this book. The fact is, if you want your ebook to be accepted by a discerning population of readers, you'll need to hire a proper editor to help you get things right. I'll show you exactly where and how to find one at a price that suits your budget. In fact, the whole process from start to finish—from outlining a full ebook series to publishing it online—will be covered in this book. By the time you're done reading this, you'll know exactly how to publish a book. You'll know what it takes to successfully sell it, too. YOUR SIX-WEEK BLUEPRINT TO SUCCESS This book contains a repeatable, entirely achievable six-week publishing process—a blueprint you

can easily follow no matter what type of book series you wish to publish on the United States of America's Amazon, Canada's Kobo, and even Malaysia's E-Sentral ecommerce sites. It also contains case studies of several highly successful independent authors who are already doing these things and earning massive incomes from it. Read this blueprint in full before you publish. Educate yourself about how this process works before you do anything else. Then make a commitment to yourself to follow through with it. Because it works!

**Letters to Boot Camp** - Hayden Hodges 2012-05-23

From July to Sept. 2014 all book sales will go to housing our homeless veterans here in the US. Check out <http://www.gofundme.com/b34yes> for more information. Thank you! Letters to Boot Camp provides the reader with a heart wrenching and awe inspiring look into the lives of a mother and her son as he made his way through Boot Camp on Parris Island. - "Once they're shipped out to Boot Camp, the only things that those of us left at home can really do for them is to write and pray. And if you're lucky, smuggle in the occasional treat. (I did.) It wasn't easy, but I wrote him every day, and he wrote me as often as he could. Inside these pages you'll find our personal story, our personal letters, and a good deal of information you may find useful. I like to think of Parris Island as a place of miraculous change and growth. Yeah, change isn't easy, and growing often hurts, but the end result is worth every bit of it." - - "On November 7, 2011, in a hotel lobby, I smiled and gave my son one last big hug. I told him I loved him and how proud I was of him. The last thing I said was, "You go kick some ass Baby, and I'll be there waiting when you're done." He had to go, so with that I turned around and walked out. Yes, I did look back, and yes, he did

grin and wave. From there he would go to MEPS one last time and then get on a bus with all his new best buddies to Parris Island where they would be made into Marines."

Side Hustle - Chris Guillebeau 2017-09-19

The author of the New York Times Bestseller THE \$100 STARTUP, shows how to launch a profitable side hustle in just 27 days. To some, the idea of quitting their day job to start a business is exhilarating. For others, it's terrifying. After all, a job that produces a steady paycheck can be difficult to give up. But in a time when businesses have so little loyalty to employees that the very notion of "job security" has become a punchline, wouldn't it be great to have an additional source of income to fall back on? And wouldn't it be great to make that happen without leaving your day job? Enter the Side Hustle. Based on detailed information from hundreds of case studies, Chris Guillebeau provides a step-by-step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately, without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money, or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today's world, options aren't just nice to have: they're essential. You don't need entrepreneurial experience to launch a profitable side hustle. You don't need a business degree, know how to code, or be an expert marketer. And

you certainly don't need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.

**Tohellwithyou Mitro** - Kṛṣṇa Sobatī 2007

Krishna Sobti's lively, unapologetic portrayal of a married woman who brooks no limits to her sexuality is as compelling, pertinent and provocative today as when it first shook the Hindi literary world in 1966. Katha

presents another masterpiece from one of the most spirited writers of our times. Mitro Marjani was not a writer's story ... I was amazed at the surprises Mitro gave me at every turn. Brought up outside the walls of patriarchy ... Mitro is her mother's daughter who can voice her desires and get away with it. She has no inhibitions about talking of things tabooed by tradition. She really impressed me .- Krishna Sobti

**Lucky Bitch** - Denise Thomas 2018-03-20

Can you learn to be lucky? Self-made millionaire Denise Duffield-Thomas not only believes this is possible, she knows it's possible. From being broke, hating her office job and generally having a life that made her completely miserable, Denise went on to travel the world and make all of her dreams come true within the space of a few years. She attracted more than half a million dollars-worth of free travel, scholarships, prizes and bank

errors in her favour, and in this book she reveals how you can do the same. Whether you're already lucky and want to attract even more into your life, or you feel like your luck is just about to run out, Lucky Bitch will show you how to take action in areas of your life that are lacking in magic. With her trademark humour and encouragement, Denise gives clear and effective instructions based on the principles of the Law of Attraction to get you closer to living your dream life. You'll also learn the 'Ten Lucky Bitch Commandments' and how to use them to create luck in all areas of life, including business and money. This book has already changed the lives of tens of thousands of women. Now it has the potential to change yours. If you've been asking for an answer or a miracle, this book is it!

Scrum – A Pocket Guide - 2nd edition - Gunther Verheyen  
2019-02-16

This pocket guide to Scrum is the one book for everyone who wants to learn or re-learn about Scrum. The book describes the framework as it was designed and intended, with a strong focus on the purpose to the rules and adding an historical perspective to Scrum and the Agile movement. Several elements that were described in the first edition of Scrum - A Pocket Guide (2013) were later added to the official Scrum Guide. The most noticeable ones are the Scrum Values (2016) and the description of the 3 questions of the Daily Scrum as a good, yet optional practice (2017). As the balance of society keeps shifting from industrial labor to digital work, complexity and unpredictability keep increasing. The need for agility through Scrum increases equally, in and beyond software and product development. This 2nd edition of Scrum - A Pocket Guide offers the clarity and insights on Scrum that many organizations need, today and in the foreseeable future. Scrum – A Pocket Guide is an extraordinarily competent book. It flows with insight, understanding, and perception. This should be the de facto standard handout for all looking for a complete, yet clear overview of Scrum without being bothered by irrelevancies. (Ken Schwaber, Scrum co-creator) The author, Gunther Verheyen, is a seasoned Scrum practitioner (2003). Throughout his standing career as a consultant, Gunther has employed Scrum in diverse circumstances. He was partner to Ken Schwaber and Director of the Professional Scrum series at Scrum.org. He is the founder of Ullizee-Inc and engages

with people and organizations as an independent Scrum Caretaker.

**The Sharing Economy in Europe** - Vida Česnuiytė  
2022-01-21

This open access book considers the development of the sharing and collaborative economy with a European focus, mapping across economic sectors, and country-specific case studies. It looks at the roles the sharing economy plays in sharing and redistribution of goods and services across the population in order to maximise their functionality, monetary exchange, and other aspects important to societies. It also looks at the place of the sharing economy among various policies and how the contexts of public policies, legislation, digital platforms, and other infrastructure interrelate with the development and function of the sharing economy. The book will help in understanding the future (sharing) economy models as well as to contribute in solving questions of better access to resources and sustainable innovation in the context of degrowth and growing inequalities within and between societies. It will also provide a useful source for solutions to the big challenges of our times such as climate change, the loss of biodiversity, and recently the coronavirus disease pandemic (COVID-19). This book will be of interest to academics and students in economics and business, organisational studies, sociology, media and communication and computer science.

**It's All About Who You Hire, How They Lead...and Other Essential Advice from a Self-Made Leader** - Morton Mandel  
2012-11-08

American business leader, entrepreneur, and noted philanthropist Morton Mandel shares lessons he gleaned from co-founding and leading, along with his brothers

Jack and Joe, Premier Industrial Corporation, a major industrial parts and electronic components manufacturer and distributor. Now for readers everywhere who are interested in studying leadership development, *It's All About Who* describes Mandel's approach to finding, recruiting and cultivating "A" players. In his book, Mandel shares his fine-tuned set of practices to develop leaders that have proven to deliver dramatically better results. Containing sixteen core sections, "It's All About Who" covers key strategic topics from "Building a Rich, Deep, and Ethical Culture" to "Killing Yourself for Your Customer" to "Using Business Ideas in the Social Sector." What makes Mandel unique is his selflessness in pursuing a life of purpose. Mandel has lived in two worlds: the world of profit and the world of social impact. Even as chairman and CEO of a New York Stock Exchange company for more than three decades, he spent as much as a third of his time in the social sector. Mandel has personally founded more than a dozen non-profit organizations. His deep-seated passion is evident in the mission of his Foundation: "To invest in people with the values, ability and passion to change the world."
