Don't Get Burned on eBay - Shauna Wright 2006-03-10

Lots of books tell you how to buy and sell on eBay. But what if something goes horribly awry? Do you have to chalk it up to a

"lesson learned," lick your wounds and move on? Not a chance. Don't Get Burned on eBay offers relevant lessons based on real-life stories posted on eBay's Answer Center. With sharp, witty rhetoric, veteran eBay user Shauna Wright (co-founder of the popular web site WhoWouldBuyThat.com, shows eBay veterans and newcomers alike how to avoid those nasty scenarios, and how to pull themselves out of the muck if they've already fallen in. Six entertaining (and hair-raising) chapters cover real problems that people have encountered with bidding, payment, shipping, packaging, dealing with other eBayers, and coping with the eBay system. This book is for anyone who's ever used eBay, because even veteran buyers and sellers often don't know the intricacies of eBay's and PayPal's rules. Don't Get Burned on eBay will leave you well-informed and better protected from potential pitfalls. The book's extensive glossary and numerous in-depth sidebars also make the book useful to people who haven't yet taken the plunge into eBay.

The eBay Business Handbook 3e -

Robert Pugh 2010-07-09

Anyone can buy and sell on eBay. But how many people actually make serious money from eBay? How many people make enough to give up the day job and run an eBay business full time? Robert Pugh has done just that and in this fully updated and revised third edition of his *eBay Business Handbook* he reveals the secrets of his success. Robert covers everything you need to know; from the eBay basics through to the creation and management of your own business. It gives you the information you need to use eBay to its full potential, to maximise returns and develop a robust online business. This book has been written for anyone who has ever considered the idea of being their own boss. Whether you want to supplement an existing income or you want a complete change in lifestyle, this book is for you - giving you the confidence and knowledge you need to make that step. Unlike many other eBay guides, this

handbook is based on the personal experiences of an established Power Seller. Everything is covered; from the practical concerns of international sales to the purchase of packing materials. With a fresh, common sense approach to selling, the book includes many hints, tips and personal recommendations that can be applied to all of your eBay activities. One of the most valuable sections is the one dedicated to finding stock to sell. Where traders obtain their stock is a closely guarded secret and often finding where to buy can be quite daunting. This guide tells you where to look, how to buy from different sources and, perhaps the most interesting of all, how to use eBay as a source of goods. Discover how the author went from zero to over 25,000 positive feedbacks (and counting). From the very first LP record to the family car, he has sold items into almost every corner of the globe and taken every form of payment known to man. Anybody can do this, just follow the simple steps in this guide, dedicate the time, and soon you too could be living the eBay dream.

The Complete Guide to Buying at Garage, Yard, and Estate Sales and Selling Online for Fun and Profit - Dan Blakely 2017-06-09

For years garage sale trainer Dan Blakely has been helping people easily supplement their income by going to Garage sales! This is not a small book, it is complete and covers a very wide range of profit opportunities. With so much demand for his services he has finally agreed to write a book to expand his expertise to whomever wants to learn. If you have wondered how some people make a lot of money on eBay and Amazon then this is definitely the one you want, it is not a small quick how to book, rather, this is a very complete and detailed book but one written in a simple and to the point manner. You will learn just about EVERYTHING from A to Z to easily start and maintain a money-making business and/or hobby. Just look inside and check out the table of contents and you will agree, this IS the COMPLETE guide! There are a lot of books on the market about how to have a garage sale and yes some about making money buying at them but many of these books can be limited in their information. There is just SO MUCH opportunity out there; Antiques, vintage

stuff from the 70's and 80's, CD's, Book's and the list goes on. However, to succeed at this, having the right systems, information and tools is critically important. This book provides valuable insights into successfully mastering the world of these sales. First, how to find and negotiate the best price for objects of value and, second, how to easily resell those same objects on eBay and Amazon for a nice profit. Beginning with a section titled "How to Use This Book," the author instructs his readers on how to maximize their efforts, how to discern what is worth buying (and, as importantly, what isn't). He also discusses many other very valuable perks to attending garage, yard and estate sales like finding high end clothes or even just general household items for your own or use which translates into a huge savings of money. This is also a great opportunity to start your own collection of antiques and collectibles which is both fun and an unbelievably good investment. Once the buyer has secured his or her bargains, the author walks the reader through an easy step-by-step system to resell those items for a great profit without spending a whole lot of time. Dan Blakely also helps his readers find their own personal niche. Using individual knowledge, the reader already possesses, to dominate those sales. For instance, let's say you know quite a bit about clothing, designer and vintage for example, well there are literally oodles of clothing to be had for next to nothing. Another niche that anyone can easily learn is how to buy books for next to nothing and re-sell them on Amazon. This alone can be a great profit center to supplement your income. This guide brims with nuts-and-bolts advice. For example, there is a chapter on how to organize your self without taking up too much room in your home and the middle of the book is devoted to instructing the reader on finding value in common items, such as DVDs, CDs. Dive into this can't-miss program for a steady second income or a fun new money-making hobby! Whatever you choose, buying at garage sales is a great opportunity!
