The Crown of Venice #7 - Steve Stevenson 2014-11-13

Agatha heads to Italy in this exciting new mystery! Agatha and her cousin Dash are hot on the trail of the missing crown of Venice. The ancient relic, worn by the Doges—or Dukes—of Venice, was stolen during the city's famous carnival, and it seems like everyone is a suspect.

The Deliverance of Evil - Roberto Costantini 2014-02-11

Winner of the Scerbanenco Prize for the best Italian crime thriller, *The Deliverance of Evil* is a masterful psychological thriller about an edgy policeman's personal evolution--or devolution--as seen through the lens of a devilish case that consumed him early in his career and continues to haunt him twenty-four years later. With excitement over Berlusconi rise to power and Italy in a state of gleeful and frenzied anticipation over the national soccer team's improbable run to the 1982 World Cup, Italians are filled with hopeful feelings. The night before the big match, Elisa Sordi--an attractive eighteen year-old employed by the Vatican--vanishes. The case falls to a young, hedonistic post-Fascist officer named Michele Balistreri. Headstrong and ambivalent about spending his life as a policeman, Balistreri is annoyed to be interrupted during the festivities and takes the case lightly. But when Elisa's tortured corpse surfaces in the Tiber, Balistreri doubts he will ever be able to forgive himself for his inattention. After the man he arrested for the murder is exonerated, and tantalizing links to the Vatican and top right-wing politicians ignored, the case is never solved. Despondent, Michele spirals into drinking and depression. Twenty-four years later Italy is victorious once again in the World Cup, but the nation has changed. The balloon of optimism from the Eighties has deflated, and the now-gloomy nation suffers under the arrogant and corrupt Berlusconi government. A weak economy and chaotic immigration policies that have inflamed racist sentiments provide a stark contrast to the last time Italy tasted sweet soccer victory. Disturbingly, more lax divorce laws have spawned a trend of "revenge" violence against women who try to assert their independence. Suddenly Sordi's mother apparently commits suicide, and then a slew of female corpses begin to turn up all with a letter of the alphabet carved into their bodies. The apparent hate behind the murders causes Balistreri to realize that the case that has haunted for twenty-four years may be heating up again, and with a newfound sense of purpose he charges into his work: the opportunity to redeem the darkest part of his past. The murders continue, and what initially seemed to be the work of a lone psychopath reveals itself to be part of something much bigger and more dangerous. Finally Balistreri realizes that the letters marking each victim are spelling out a chilling message. From the Hardcover edition.

Riccardino - Andrea Camilleri 2021-10-14

The Sunday Times bestselling, twenty-eighth and final novel in the thrilling, wickedly funny Inspector Montalbano Mysteries series by Andrea Camilleri. 'Contrary to what you think, I'm carrying out this investigation as best I can. But let's do this: if I get stuck, if I find I can't go forward or back, then I'll let you know, and you can step in. And offer me a way out. You've gained a bit of detective work through me, haven't you? What do you say?' 'I'm game,' said the Author . . . When Inspector Montalbano receives an early-morning phone call it proves to be the start of a very trying day. For the caller expects Montalbano to arrive imminently at a rendezvous with some friends. But before he can reply the caller announces himself as someone called Riccardino and hangs up. Later that day news comes in of a brutal slaying in broad daylight by an unknown assassin who makes his getaway on a motorbike. And when the Inspector learns of the victim's identity - a man called Riccardino - his troubles are only just beginning. For soon he must contend with the involvement of a local bishop and a fortune teller who reports some strange goings-on in her neighbourhood. All roads soon lead to a local salt mine but the case proves stubbornly intractable until Montalbano receives another unexpected call . . . 'Camilleri has contrived a fitting goodbye to a dear old friend who operates, to the very last, on his own terms' - Guardian

Federico Barocci - Judith W. Mann 2017-09-22

Reviewers of a recent exhibition termed Federico Barocci (ca. 1533–1612), 'the greatest artist you've never heard of'. One of the first original iconographers of the Counter Reformation, Barocci was a remarkably inventive religious painter and draftsman, and the first Italian artist to incorporate extensive color into his drawings. The purpose of this volume is to offer new insights into Barocci's work and to accord this artist, the dates of whose career fall between the traditional Renaissance and Baroque periods, the critical attention he deserves. Employing a range of methodologies, the essays include new ideas on Barocci's masterpiece, the Entombment of Christ; fresh thinking about his use of color in his drawings and innovative design methods; insights into his approach to the nude; revelations on a key early patron; a consideration of the reasons behind some of his most original iconography; an analysis of his unusual approach to the marketing of his pictures; an exploration of some little-known aspects of his early production, such as his reliance on Italian majolica and contemporary sculpture in developing his compositions; and an examination of a key Barocci document, the post mortem inventory of his studio. A translated transcription of the inventory is included as an appendix.

Italian Horror Cinema - Stefano Baschiera 2016-06-14

This collection brings together for the first time a range of contributions aimed at a new understanding of the Italian horror cinema genre.

Dosso's Fate - Dosso Dossi 1998

Dosso Dossi has long been considered one of Renaissance Italy's most intriguing artists. Although a wealth of documents chronicles his life, he remains, in many ways, an enigma, and his art continues to be as elusive as it is compelling. In *Dosso's Fate*, leading scholars from a wide range of disciplines examine the social, intellectual, and historical contexts of his art, focusing on the development of new genres of painting, questions of style and chronology, the influence of courtly culture, and the work of his collaborators, as well as his visual and literary sources and his painting technique. The result is an important and original contribution not only to literature on Dosso Dossi but also to the study of cultural history in early modern Italy.

Apolline Project Vol. 1 - Girolamo F. De Simone 2009

Il tesoro delle Bermuda. Agatha Mystery. Vol. 6 - Sir Steve Stevenson 2011-12-19T00:00:00+01:00

The Goldfish Boy - Lisa Thompson 2017-02-28

Lisa Thompson's debut novel is a page-turning mystery with an emotionally-driven, complex character study at its core -- like *Rear Window* meets *The Curious Incident of the Dog in the Night-Time*. Matthew Corbin suffers from severe obsessive-compulsive disorder. He hasn't been to school in weeks. His hands are cracked and bleeding from cleaning. He refuses to leave his bedroom. To pass the time, he observes his neighbors from his bedroom window, making mundane notes about their habits as they bustle about the cul-de-sac. When a toddler staying next door goes missing, it becomes apparent that Matthew was the last person to see him alive. Suddenly, Matthew finds himself at the center of a high-stakes mystery, and every one of his neighbors is a suspect. Matthew is the key to figuring out what happened and potentially saving a child's life... but is he able to do so if it means exposing his own secrets, and stepping out from the safety of his home?

The Root of All Evil - Roberto Costantini 2016-01-05

In the 1960s, post-colonial Libya fell prey to the sprawling industrial greed of the West, driven by the discovery of oil. While the modern quarter of Tripoli, built by the Italians, was small and affluent, the rest of the city--like the rest of the nation--was left to fend for itself amid the arid,

sandy stretches of North Africa. As tensions mounted between eastern and western ideals, terror began to supplant justice, and acts of religiously motivated violence began to fill some of Tripoli's darkest corners. Against this backdrop, the teenaged Michele Balistreri--a smart young man plagued by thuggish tendencies and a youthful attraction to Fascism--suffered a succession of personal blows that would scar him for life: the death of his mother; a terrible tragedy that befell his best friend's family; and the consequences of his father's role in Gaddafi's rise to power. Worst of all, an innocent blood pact he made as a teenager would come to haunt him as an adult. Four decades later, journalist Linda Nardi is hard at work investigating the shadowy history of the Vatican Bank's involvement in Libya when she suddenly finds her attention diverted to an irresistible story assignment: covering the collapse of Colonel Gaddafi's forty-two year dictatorship. It is only a matter of time before Nardi's research and Balistreri's investigative work as a police commissario bring them into contact. Together they unearth a deadly conspiracy that goes to the top of Rome's power structure that neither of them will ever be able to forget.

There, they join forces with a third cousin--a safari expert--to track down the poacher who has stolen the priceless animal.

Historical Dictionary of Italian Cinema - Gino Moliterno 2020-12-08

Italian cinema is now regarded as one of the great cinemas of the world. Historically, however, its fortunes have varied. Following a brief moment of glory in the early silent era, Italian cinema appeared to descend almost into irrelevance in the early 1920s. A strong revival of the industry which gathered pace during the 1930s was abruptly truncated by the advent of World War II. The end of the war, however, initiated a renewal as films such as *Roma città aperta* (Rome Open City), *Sciuscià* (Shoeshine, 1946), and *Ladri di biciclette* (Bicycle Thieves, 1948), flagbearers of what soon came to be known as Neorealism, attracted unprecedented international acclaim and a reputation that only continued to grow in the following years as Italian films were feted worldwide. Ironically, they were celebrated nowhere more than in the United States, where Italian films consistently garnered the lion's share of the Oscars, with Lina Wertmüller becoming the first woman to ever be nominated for the Best Director award. This second edition of *Historical*

Dictionary of Italian Cinema contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on major movements, directors, actors, actresses, film genres, producers, industry organizations and key films. This book is an excellent resource for students, researchers, and anyone wanting to know more about Italian Cinema.

Italian Silent Cinema - Giorgio Bertellini 2013

Despite the wealth of studies of silent cinema in the English language, knowledge of the medium's first decades has remained attached to a canon in which Italian silent cinema appears deceptively familiar but largely absent. With 30 essays written by leading scholars in the field, 'Italian Silent Cinema' illuminates this understudied area of film history. Featuring over 100 illustrations, the reader brings into focus individual film companies, stars and genres and seeks to place the Italian production of dramas, comedies, serials, newsreels, and avant-garde works in dialogue with international film culture.

Memoirs of the Dukes of Urbino ... - James Dennistoun 1851

The Intellectual as a Detective - Angelo Castagnino 2014

The Intellectual as a Detective: From Leonardo Sciascia to Roberto Saviano offers a fresh perspective on both Italian crime fiction and the role of the intellectual in Italian society. By analyzing the characterization of men of culture as investigators, this book addresses their social commitment in a period that goes from the Sixties to today. The connection it establishes

between fiction and real life makes this book an interesting addition to the debate on crime literature and its social function in Italy. The detectives created by Sciascia, Eco, Pasolini, Saviano and other novelists foster a reflection on how the narrative aspect of characterization has been used in connection with a historical perspective. Thanks to its broad scope, not limited to a single author, this book can be studied in undergraduate and graduate classes on the Italian detective novel, and it can be a helpful resource for scholars interested in characterization and the transforming figure of the intellectual in Italian society.
