Indian Feminisms - Geetanjali Gangoli
2016-05-23

Contributing to debates on feminism, this book considers the impact made by feminists in India from the 1970s.

Geetanjali Gangoli analyses feminist campaigns on issues of violence and women's rights, and debates on ways in which feminist legal debates may be limiting for women and based on

exclusionary concepts such as citizenship. She addresses campaigns ranging from domestic violence, rape, pornography and son preference and sets them within a wider analysis of the position of women within the Indian state. The strengths and limitations of law reform for women are addressed as well as whether legal feminisms relating to law and women's legal rights are effective in the Indian context. The question of whether legal campaigns can make positive changes in women's lives or whether they further legitimize oppressive state patriarchies is considered. The recasting of caste and community identities is also assessed, as well as the rise of Hindu fundamentalism and the ways in which feminists in India have combated and confronted these

challenges. Indian Feminisms will interest researchers and students in the areas of feminism, law, women's movements and social movements in India, and South Asia more generally. Women's Buddhism, Buddhism's Women - Ellison Banks Findly 2000-06-15 A diverse array of scholars, activists, and practitioners explores how women are bringing about the change in the forms, practices, and institutions of Buddhism.

Dilip Kumar - Dilip Kumar 2014-07-28
An authentic, heartfelt and compelling narrative – straight from the horse's mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude.

In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn

everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma,

Saudagar and Qila.

Rudali - Mahāśvetā Debī 1997

Rudali is a powerful short story written by Mahasweta Devi. Revolving around the life of Sanichari, a poor lowcaste village woman, it is an acidly ironic tale of exploitation and struggle, and above all, of survival. In 1992 it was adapted into a play by Usha Ganguli, a leading theatre director of Calcutta, and instantly became one of the most

acclaimed productions of its time. In both incarnations of Rudali, it has been a woman who has wrought and rewrought this text which revolves around the life of a woman; and each version of Rudali can be read as an important feminist text for contemporary India. Both the short story and the play, are included in this volume, along with an introductory essay that studies how and why the versions are different and what the changes signify, leading to an analysis of how the metamorphosis of Rudali allows us to address the simultaneity and asymmetry of feminist positions in this country today. Anjum Katyal, who has translated and introduced the texts in this volume, is a writer and an editor based in Calcutta. Mahasweta Devi is one of India's

foremost writers. Her powerful fiction has won her recognition in the form of the Sahitya Akademi (1979), Jnanpith (1996) and Ramon Magsaysay (1996) awards, the title of Officier del Ordre Des Arts Et Des Lettres (2003) and the Nonino Prize (2005) amongst several other literary honours. She was also awarded the Padmasree in 1986, for her activist work among dispossessed tribal communities.

These short stories are shorn of

sentimentality but have a deep understanding of what it means to live, to love and to die. CS Lakshmi, writing under the pseudonym Ambai, has been a significant voice in Indian literature for the past four decades. A Red-necked Green Bird is the writer's seventh collection of short stories.

The Presence of Siva - S. Kramrisch
2021-02-09

One of the three great gods of Hinduism, Siva is a living god. The most sacred and most ancient book of India, The Rg Veda, evokes his presence in its hymns; Vedic myths, rituals, and even astronomy testify to his existence from the dawn of time. In a lively meditation on Siva-based on original Sanskrit texts, many translated here for the first time--Stella Kramrisch ponders the metaphysics, ontology, and myths of Siva from the Vedas and the Puranas. Who is Siva? Who is this god whose being comprises and transcends

everything? From the dawn of creation, the Wild God, the Great Yogi, the sum of all opposites, has been guardian of the absolute. By retelling and interweaving the many myths that keep Siva alive in India today, Kramrisch reveals the paradoxes in Siva's nature and thus in the nature of consciousness itself.

Scandalous Housewives: Mumbai, written by Madhuri Banerjee, is a story about honest and brave housewives in Mumbai. These women are in search of love and are unafraid to follow their hearts blindfolded by rejecting their present lives. Life in Mumbai is pretty hectic and above all, it is monotonous at times, especially with people working like a

machine. The story in the book, Scandalous Housewives: Mumbai, revolves particularly around a residential area in Mumbai known as the Sapphire Towers, which is similar to any other place in Mumbai. Some high-profile people of Mumbai live here. The book brings to limelight the lives of housewives and their daily routine activities. This work is carried out with precision, so much so that one can adjust their watch according to their work. But this is just the outer cover and as one digs deeper, some graciously hidden secrets are uncovered. The author has given examples about this monotonous life and the reason why these illegitimate activities are carried out. Scandalous Housewives: Mumbai gives us an example of Gita, a mother of two young daughters, who is

bored with her daily monotonous way of living and is desperate to escape from it. The book also describes a Gujarati housewife, who is a mother but is also addicted to sex and is even ready to pay for it.

The Kama Sutra - Vatsyayana

2015-05-11

The Kama Sutra The Standard Work on Human Sexual Behavior By Vatsyayana Translated from the Sanscrit In Seven Parts, with Preface, Introduction and Concluding Remarks. New Edition The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of

the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra (Sanskrit: Kama Sastra). Historians attribute

Kamasutra to be composed between 400 BCE and 200 CE. John Key says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE.
