The Beats, Black Mountain, and New Modes in American Poetry - Matt Theado 2021-09-15

The Beats, Black Mountain, and New Modes of American Poetry explores correspondences amongst the Black Mountain and Beat Generation writers, two of most well-known and influential groups of poets in the 1950s. The division of writers as Beat or Black Mountain has hindered our understanding of the ways that these poets developed from mutual influences, benefitted from direct relations, and overlapped their boundaries. This collection of academic essays refines and adds context to Beat Studies and Black Mountain Studies by investigating the groups' intersections and undercurrents. One goal of the book is to deconstruct the Beat and Black Mountain labels in order to reveal the shifting and fluid relationships among the individual poets who developed a revolutionary poetics in the 1950s and beyond. Taken together, these essays clarify the radical experimentation with poetics undertaken by these poets.

A guide to hiking on the Tennessee Cumberland Plateau, providing information on fifty day and overnight hikes, and featuring detailed maps, descriptions of the area and natural history, and tips.

Black Mountain: Alex Hunter 4 - Greig Beck 2012-12-01

Alex Hunter, code named Arcadian, wakes up with no knowledge of who he is, in the care of a woman he doesn't recognise, in a country not his own. But there is a calling deep within him, to return home to Black Mountain. Formed a billion years ago, the Appalachian's Black Mountain hosts a terrible legend. Only one elder remains to guard its long-forgotten, deadly secret and there is a fear that there is evil lurking again. Some hikers have gone missing, and the rescue team sent to search for them has not returned. Meanwhile, in nearby Asheville, Professor Matt Kearns is drawn into the mystery of an ancient artefact recovered from the mountainside, and an image too grotesque to be real. A survivor is then found half-alive, covered in blood - blood revealed to be not quite human. Alex must confront an age-old enemy of man and discover the truth about his past, and confront the horror that stalks the frozen mountain, and also the one haunting his very soul.

A History of Mt. Mitchell and the Black Mountains - S. Kent Schwarzkopf 1985

The Black Mountain range of the Appalachians is the highest mountain range in the eastern United States and has a diverse ecology with plants and animals usually found much further north. Heavily deforested in the late nineteenth century, the range was the site of the nation's first natural resources preservation movement in the early 20th century. Subjects discussed include initial habitations by scientist Elisha Mitchell's exploration of the range, developing tourism in the 1850s, the Clingman-Mitchell highest peak controversy, and geographic explorations of Arnold Guyot, exploitation and preservation at the turn of the 20th century, and the return of tourism.

The Devil's Mouth - Thomas Williams 2001-06-11

When political conspirators murder his father, Prince Lanson of Lochlaund flees for his life. He falls in love with a beautiful tavern maid who is hiding from the moral condemnation of the powerful Lochlaund church, which has a stranglehold on the kingdom. Ultimately Lanson must decide whether to release her to the church's legalistic justice or defy the church and save her life by wedding her. This mythical story of freedom, justice, and forbidden love is the second book in "The Seven Kingdoms Chronicles."

Thisby Thestoop and the Black Mountain - Zac Gorman 2018-04-17

Surrounded by all creatures gruesome and grotesque, Thisby Thestoop, the gamekeeper for the Black Mountain Dungeon, is getting roped into another job—saving the princess's skin—in the debut fantasy-adventure series by Zac Gorman, contributor to the hilarious Rick and Morty comic series. In the absurd land of Nth, Thisby Thestoop can be found within the forlorn walls of Castle Grimstone, down the precarious steps of the Black Mountain dungeon, up to her nose in griffon toenails, gnoll spittle, and troll meat (to give to them, not made of them). When the prince and princess arrive for a Royal Inspection, the much too good-looking Princess Iphigenia winds up lost in the tunnels of the dungeon—without her guards, her staff, or her younger twin brother—and it's up to Thisby to guide the princess safely past the hoards of minotaurs, wyverns, ghouls, and who-knows-what-else that would love nothing more than to nosh the royal highness for dinner. Thisby Thestoop and Princess Iphigenia have a dangerous adventure ahead of them. If they're going to a rescue the missing prince, stop a mounting war, and keep safe all the creatures who call the mountain dungeon home, they'll have to learn how to trust each other. Don't miss the first book in this rollicking new fantasy-adventure series from debut author Zac Gorman!

Black Mountain Review - Robert Creeley 1956

50 Hikes on Tennessee's Cumberland Plateau (second) (Explorer's 50 Hikes) - Johnny Molloy 2019-11-12
Walks, hikes, and backpacking trips from the Tennessee River Gorge to the Big South Fork Tennessee's Cumberland Plateau, a wide tableland cut with a dizzying array of deep gorges, is a geological wonderland. It is a place to behold and savor. This updated second edition covers hikes from the Big South Fork National River and Recreation Area near Kentucky to the fascinating Walls of Jericho astride the Alabama state line; from the thousand-foot gorge cut by the mighty Tennessee River down Chattanooga way to the watery beauty of Virgin Falls by Sparta. Specific emphasis is placed on the most scenic destinations and the unique places that make the plateau so special, places like the Great Stone Door, with its sandstone formations and vertical rock walls, and Cumberland Mountain State Park, with its ancient trees and evidence of ancient human history. Also included are comprehensive maps for each hike, scenic photos, and a hikes-at-a-glance table that makes choosing your desired hike a breeze.
