St. James Encyclopedia of Popular Culture - Thomas Riggs 2013

The St. James Encyclopedia Of Popular Culture, 2nd ed., updates and augments the over ten-year-old first edition. It includes 3,036 signed essays (300 of them new), alphabetically arranged, and written or reviewed by subject experts and edited to form a consistent, readable, and straightforward reference. The entries cover topics and persons in major areas of popular culture: film; music; print culture;

social life; sports; television and radio; and art and performance (which include theater, dance, stand-up comedy, and other live performance). The entries analyze each topic or person's significance in and relevance to American popular culture; in addition to basic factual information, readers will gain perspective on the cultural context in which the topic or person has importance.

Estimating Market Value and Establishing Market Rent at Small Airports - Aviation Management Consulting Group, Inc 2020

"Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are

many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

Moon-face and Other Stories - Jack London 1919

JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and

illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. "The son of the Wolf" (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, "The Call of the Wild" (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including "The Sea-Wolf" (1904), "White Fang" (1906), "South Sea Tales" (1911), and "Jerry of the South Seas" (1917). One of London's most interesting novels is the semi-autobiographical "Martin Eden" (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

American Rifle - Alexander Rose 2009-09-29

George Washington insisted that his portrait be painted with one. Daniel Boone created a legend with one. Abraham Lincoln shot them on the White House lawn. And Teddy Roosevelt had his specially customized. In this first-of-its-kind book,

historian Alexander Rose delivers a colorful, engrossing biography of an American icon: the rifle. Drawing on the words of foot soldiers, inventors, and presidents, based on extensive new research, and spanning from the Revolution to the present day, *American Rifle* is a balanced, wonderfully entertaining history of the rifle and its place in American culture.
