**The Purloining of Prince Oleomargarine** - Mark Twain 2021-03-09

New York Times Bestseller! A School Library Journal Best Book of the Year A never-before-published, previously unfinished Mark Twain children's story is brought to life by Philip and Erin Stead, creators of the Caldecott Medal-winning A Sick Day for Amos McGee. In a hotel in Paris one evening in 1879, Mark Twain sat with his young daughters, who begged their father for a story. Twain began telling them the tale of Johnny, a poor boy in possession of some magical seeds. Later, Twain would jot down some rough notes about the story, but the tale was left unfinished . . . until now. Plucked from the Mark Twain archive at the University of California at Berkeley, Twain's notes now form the foundation of a fairy tale picked up over a century later. With only Twain's fragmentary script and a story that stops partway as his guide, author Philip Stead has written a tale that imagines what might have been if Twain had fully realized this work. Johnny, forlorn and alone except for his pet chicken, meets a kind woman who gives him seeds that change his fortune, allowing him to speak with animals and sending him on a quest to rescue a stolen prince. In the face of a bullying tyrant king, Johnny and his animal friends come to understand that generosity, empathy, and quiet courage are gifts more precious in this world than power and gold. Illuminated by Erin Stead's graceful, humorous, and achingly poignant artwork, this is a story that reaches through time and brings us a new book from America's most legendary writer, envisioned by two of today's most important names in children's literature. A Bank Street College of Education Best Children's Book of the Year "Will capture the imaginations of readers of all ages"—USA Today, ★ ★ ★ ★ (out of four stars) ★ "Samuel Langhorne Clemens himself would be proud."—Booklist, starred review ★ "A cast of eccentric characters, celestially fine writing, and a crusade against pomp that doesn't sacrifice humor."—Publishers Weekly, starred review ★ "Completing a story penned by arguably America's greatest author is no easy feat, but the Caldecott-winning author-illustrator (and husband-wife) team proves more than equal to the task. . . . A pensive and whimsical work that Twain would applaud."—Kirkus, starred review ★ "The combination of Twain's (often sarcastic) humor and "lessons of life," a touch of allegory, and Stead's own storytelling skills result in an awesome piece of fantasy."—School Library Journal, starred review ★ "Beautifully understated and

nuanced illustrations by Erin Stead add the finishing flourishes to this remarkable work."—Shelf Awareness, starred review "drawn with a graceful crosshatched intelligence that seems close to the best of Wyeth."—Adam Gopnik, The New York Times "Twain and the two Steads have created what could become a read-aloud classic, perfect for families to enjoy together."—The Horn Book "Artful and meta and elegant"—The Wall Street Journal "Should inspire readers young and old to seek further adventures with Twain."—The Washington Post

**The Greatest Game** - Greg Rajaram 2021-04-15

Ever since humans became self-aware, we have struggled to find the meaning of life. The price we paid for becoming intelligent was to become painfully ignorant of the difference between good and evil. Adi, a 10-year-old boy, works together with two old philosophers as they try to unravel the prophecy of a promised King. With insatiable curiosity, Adi must work with the wise men as they rationalize with each other on why and how humans became intelligent. Together they attempt to answer some of the most profound questions related to existence. Does evolution end with human beings or is there an 'Overman' who can reach evolution's pinnacle? Will this Overman be able to define values for humankind? Centuries later a young boy promises his mother that he will always uphold the love that she has taught him. It is a promise that drowns him in the nectar of the gods. Krish grows up to be an engineer and joins a team of scientists as they try to create artificial consciousness in a machine. Krish soon realizes that he has a bigger fight on his hands. A fight to preserve love in a desolate world. His quest for true love ultimately leads him down a path where he comes face to face with a fearsome snake

delivering a kiss of death. Humans have come a long way by questioning the nature of objects around us and pushing the limits of our intelligence, but it's now time that we ask the greatest question yet: when does intelligence transcend to become consciousness?

**Le avventure di Tom Sawyer** - Mark Twain 2016-01-28T00:00:00+01:00

Nelle Avventure di Tom Sawyer (apparso nel 1876) l'Autore dà voce ai sentimenti, alle storie e alle superstizioni che la sua generazione ancora condivideva nel periodo appena antecedente la Guerra di secessione, dove l'insicurezza e i problemi razziali dipingevano lo scenario emotivo della società americana del Sud. La storia picaresca è incentrata sulle figure di Huck Finn e Tom Sawyer i quali, oltre che nelle "normali" avventure che potevano capitare ai monelli della loro età, si trovano coinvolti in un fatto di sangue, allorquando, intrufolatisi nel cimitero della loro cittadina, diventano muti testimoni del delitto del dottore del paese. La rocambolesca serie di eventi che ne seguirà porterà Tom ad affrontare Joe l'Indiano, ben deciso a eliminare l'unico testimone del delitto. Tom riuscirà a salvarsi e a concludere felicemente l'avventura: da sempre monello, verrà consacrato finalmente eroe del paese!

*Disciple IV* - Abingdon Press 2005-05

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE

OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

*A Life in the Cinema* - Mick Garris 2020-11-11

Introduction by Stephen King, Afterword by Tobe Hooper, Jacket and Interior Art by Clive Barker  
*A LIFE IN THE CINEMA* is the first book from award-winning filmmaker Mick Garris. It is a collection of eight prickly tales and a screenplay that reach under the skin of real life and reel life to take you places you never realized you wanted to go. The title story, "A Life in the Cinema" and its sequel, "Starfucker", are set in the author's hometown of Hollywood, and provide a yellow-jaundiced look at a world you only thought was glamorous. As Stephen King, in his introduction, says: "Here is a real Hollywood insider writing about the real inside world of filmmaking: the good, the bad, and the cheesy. These stories are both erotic and cynical, but they are above all well and fiercely told-when he's yarning about the tarnished tinsel underbelly of the town he knows (and clearly loves) the best, Mick Garris writes like a combination of Robert Bloch and James Ellroy, hardboiled noir with a ghastly little prink of the devil's own pitchfork." Not all of the stories are Hollywood-based: Garris includes tales of a grandmother who is just as loving in death as she was in life, a geriatric trailer park with a randy secret, wistful and impossible love with a twist, the wrong kind of baby-love, and a deathly brush with fame. The book is capped with a screenplay by Garris, as well as "Chocolate", the story it's based on, providing, as King puts it, "a textbook seminar in the art and craft of adapting one's own work." So welcome to a dark side of Hollywood you've never seen before...
