Practical Lessons from the Story of Joseph - James Russell Miller
2020-03-26
There are many ways of reading the Bible. One of the most helpful, is to

read it to learn from it how to live so as to please God, attain the highest beauty of character, and leave the largest blessing in the world. There have been many lives of

Joseph written. Some of these are very valuable because of the knowledge of ancient Egypt and the Egyptians which they impart in the telling of the story. Nothing of this is attempted in the present chapters, the author's desire being only to find and interpret some of the lessons in life which the narrative has for its earnest readers. The Dark Forest - Cixin Liu

2015-08-11

Soon to be a Netflix Original Series!

"Wildly imaginative." –President Barack Obama on The Three-Body Problem trilogy This near-future trilogy is the first chance for

English-speaking readers to experience this multiple-award-winning phenomenon from Cixin Liu, China's most beloved science fiction author. In *The Dark Forest*, Earth is reeling from the revelation of a coming alien invasion-in just four centuries' time. The aliens' human collaborators may have been defeated, but the presence of the sophons, the subatomic particles that allow Trisolaris instant access to all human information, means that Earth's defense plans are totally exposed to the enemy. Only the human mind remains a secret. This is the motivation for the Wallfacer Project, a daring plan that grants four men enormous resources to design secret strategies, hidden through deceit and misdirection from Earth and Trisolaris alike. Three of the

Wallfacers are influential statesmen and scientists, but the fourth is a total unknown. Luo Ji, an unambitious Chinese astronomer and sociologist, is baffled by his new status. All he knows is that he's the one Wallfacer that Trisolaris wants dead. Wicked Beauty - Katee Robert

2022-06-07

She was the face that launched a thousand ships, the fierce beauty at the heart of Olympus...and she was never ours to claim. *A scorchingly hot modern retelling of Helen of

Troy, Achilles, and Patroclus that's as sinful as it is sweet.* In Olympus, you either have the power to rule...or you are ruled. Achilles Kallis may have been born with nothing, but as a child he vowed he would claw his way into the poisonous city's inner circle. Now that a coveted role has opened to anyone with the strength to claim it, he and his partner, Patroclus Fotos, plan to compete and double their odds of winning. Neither expect infamous beauty Helen Kasios to be part of the prize...or for the complicated fire that burns the moment she looks their way. Zeus may have decided Helen is his to give to away, but she has her own plans. She enters into the competition as a middle finger to the meddling Thirteen rulers, effectively vying for her own hand in marriage.

Unfortunately, there are those who would rather see her dead than lead the city. The only people she can trust are the ones she can't keep her hands off—Achilles and Patroclus. But can she really believe they have her best interests at heart when every stolen kiss is a battlefield?

Temptation - Karen Ann Hopkins
2017-08-13

An Amish boy. An English Girl. An

impossible, forbidden love . . . "I loved joining Rose and Noah during their journey in the Temptation series by Karen Hopkins." - Katie McGarry, acclaimed YA author Everyone told me I was making a mistake, but the heart wants what the heart wants, and my heart wanted Noah. We met and fell in love in the hidden fields and forests of Meadowview. If he was English or I was Amish, none of this would have happened. One of us had to make the sacrifice of leaving our culture to be together. As if the clash of our vastly different worlds wasn't enough, our small farming community had deeper troubles, and they might just be enough to tear us apart forever. Temptation is the compelling first book in a tension-filled series about star-crossed lovers struggling to be together

against all odds.

Heir - Katee Robert 2021-02-07

My father's trap failed, but I'm no closer to freedom than when he declared me sacrifice. Now, thanks to the seraphim blood running through my veins, I'm bonded to Malachi, Rylan, and Wolf. Our connection forces us into intimacy that none of us want, but the price of resisting will cost us our very lives. There's only one path out of this. I have to get pregnant so I can become my father's heir, and kill him before he assassinates me. I need time. Time to figure out things with my men. Time to come up with a better plan. Just flat out time. I've spent my entire life avoiding confrontation and running instead of fighting. Running isn't an option this time. Now, I'm prepared to go to war to survive. Heir

is the second book in the Bloodline Vampires trilogy, and should be read following Sacrifice. CW: Dubious consent, blood play, breeding, abusive parent (father), cliffhanger

Electric Idol - Katee Robert
2022-01-18

INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER! He was the most beautiful man in Olympus...and if I wasn't careful, he was going to be my death. *A scorchingly hot modern retelling of Psyche and Eros that's as sinful as it is sweet.* In the ultra-modern city of Olympus, there's always a

price to pay. Psyche Dimitriou knew she'd have to face Aphrodite's jealous rage eventually, but she never expected her literal heart to be at stake...or for Aphrodite's gorgeous son to be the one ordered to strike the killing blow. Eros has no problem shedding blood. Raised to be his mother's knife in the dark, he's been conditioned to accept that he's more monster than man. But when it comes time to take out his latest target...he can't do it. Confused by his reaction to Psyche's unexpected kindness, he does the only thing he can think of to keep her safe: he binds her to him, body and soul. Psyche didn't expect to find herself married to the glittering city's most dangerous killer, but something about Eros wakens a fire inside her she's never felt before. As lines blur and

loyalties shift, Psyche realizes Eros might take her heart after all...and she's not sure she can survive the loss. Dark Notes - Pam Godwin 2016-04-04
They call me a slut. Maybe I am. Sometimes I do things I despise. Sometimes men take without asking. But I have a musical gift, only a year left of high school, and a plan. With one obstacle. Emeric Marceaux doesn't just take. He seizes my will power and bangs it like a dark note. When he commands me to play, I want to give him everything. I kneel for his punishments, tremble for his touch, and risk it all for our stolen moments. He's my obsession, my master, my music. And my teacher.
Flesh - Kylie Scott 2018-01-23
Ali has been hiding in an attic since civilization collapsed eight weeks ago. When the plague hit, her neighbors turned into mindless, hungry, homicidal maniacs. Daniel has

been a loner his entire life. Then the world empties and he realizes that being alone isn't all it's cracked up to be. Finn is a former cop who is desperate for companionship, and willing to do anything it takes to protect the survivors around him. When the three cross paths they band together; sparks fly, romance blooms in the wasteland and Ali, Daniel and Finn bend to their very human needs in the ruins of civilization. Lust, love and trust all come under fire in *Flesh* as the three battle to survive, hunted through the suburban wastelands.

The Bastard's Betrayal - Katee Robert 2021-08-25

She thought it was love. Rose Romanov is a mafia princess, and everything that entails. Violently over-protective parents. A giant extended family, all ready to kill anyone who looks at her wrong. Learning to run a business that isn't exactly on the right side of the law. So, naturally, when she meets a nice guy who isn't in the life, she falls hard... Right up until she discovers her new boyfriend isn't a civilian at all. But he betrayed her. When Dante Verducci was sent on an undercover mission to evaluate the Romanov

family for weakness, he never expected to have an instant connection with their unlikely heir. There's something fierce and feral about Rose that calls to him. They're alike, even if they're both lying to each other during the months they date. Before he could figure out a new plan, Rose finds out who he really is, dumps him, and immediately enters an engagement with the heir of a rival family. Yeah, no, that's not going to work for Dante. Now he'll do anything to reclaim her. Even go to war. Author's Note: For all tropes, tag, and CWs, please check the author's website.

Breaking Sin - Emily Stormbrook
2020-12-02

Ivy Sinclair knew the job offer was too good to be true. But she was desperate. She'd lost her father, her

job, her apartment, and her best friend all in one foul swoop. She'd no choice but to hope this was a turning point. She thought things couldn't get any worse. How wrong she had been. Abducted and thrust into a world of violence, trapped alone with a captor who had been stalking her for years, Ivy must find a way to survive his darkness without losing herself completely as he forces her to become his, in body, mind, and soul. He has wanted her for years, planned each move to perfection, and now all that remained was for him to break her. He wanted an heir. He wanted to hear her screams. He wanted her. This book contains graphic, non-consensual sex, abuse, and violence. If you don't enjoy reading a book containing these dark themes this book is not for you.. Not suitable

for under 18s.

Against the Tide of Years - S. M.

Stirling 1999-05-01

“STIRLING HAS SURPASSED HIS PREVIOUS WORK,” raved Science Fiction Chronicle of his bestselling novel *Island in the Sea of Time*, and George R. R. Martin hailed it as “an utterly engaging account of what happens when the isle of Nantucket is whisked back into the Bronze Age.” Now, the adventure continues... In the years since the Event, the Republic of Nantucket has done its best to recreate the better ideas of the modern age. But the evils of its time resurface in the person of William Walker, renegade Coast Guard officer, who is busy building an empire for himself based on conquest by technology. When Walker reaches Greece and recruits several of their

greater kinglets to his cause, the people of Nantucket have no choice. If they are to save the primitive world from being plunged into bloodshed on a twentieth-century scale, they must defeat Walker at his own game: war.

Culture and History in Eastern Europe

- Dennis P. Hupchick 1994
Culture and history in Eastern Europe provides a refreshingly different approach toward understanding recent and current events in one of the world's most complex and fascinating regions. Dr. Hupchick presents substantive arguments for the importance of culture in its most essential form - a particular group of people's basic perception of reality - as the continuous driving force underlying human actions. It is the interplay among various cultures over time that form the determining factors that shape human development. With great clarity and precision, Dr. Hupchick describes the cultural

complexities of Eastern Europe and Russia, giving the reader many insights into how the region's inhabitants themselves perceive their rich yet terrible histories. This is a book which will be as stimulating to specialists as it will be enlightening to students.

Storms of My Grandchildren - James Hansen 2011-01-04

Dr James Hansen, the world's leading scientist on climate issues, speaks out for the first time with the full truth about global warming: the planet is hurtling to a climatic point of no return. Hansen - whose climate predictions have come to pass again and again, beginning in the 1980s when he first warned US Congress about global warming - is the single most credible voice on the subject worldwide. He paints a

devastating but all-too-realistic picture of what will happen if we continue to follow the course we're on. But he is also a hard-headed optimist, and shows that there is still time to take the urgent, strong action needed to save humanity.

The Mysteries of Christianity - Matthias Joseph Scheeben 2022 2022 Reprint of the 1946 Edition. Exact facsimile of the original edition and not reproduced with Optical Recognition Software. Christians, from the lowliest to the most gifted minds all through the ages have yearned for a fuller understanding of the chief mysteries

of their faith. The principal elements of these mysteries have been defined by the Church. But the implication and expansion of the dogmatic definitions embrace a wide field of discussion and speculation for theologians. All recognize, however, that some aspects of these mysteries lie beyond the reach of the human intellect, even aided by divine revelation. In THE MYSTERIES OF CHRISTIANITY, Scheeben attempts to clarify and present an explanation of these mysteries. Scheeben combines the strict logic of a theologian with the warmth of a man of prayer. The warmth pervades the logic throughout. The student or the professor of dogmatic theology will find here a method of proof that will supplement the more familiar scholastic treatment. The scope of this volume

is best indicated by the following headings of the ten parts. I. The Most Holy Trinity II. God in the Original Creation III. Sin IV. The God-man and His Economy V. The Eucharist VI. The Church and the Sacraments VII. Christian Justification VIII. Glorification and the Last Things IX. Predestination X. The Science of the Mysteries of Christianity

The Value of Privacy - Beate Rössler
2015-10-08

This new book by Beate Rössler is a
work of real quality and originality
on an extremely topical issue: the
issue of privacy and the relations
between the private and the public.
Rössler investigates the reasons why
we value privacy and why we ought to
value it. In the context of modern,
liberal societies, Rössler develops a
theory of the private which links
privacy and autonomy in a
constitutive way: privacy is a
necessary condition to lead an
autonomous life. The book develops a
theory of freedom and autonomy which

sees the ability to pose the “practical question” of how one wants to live, of what a person strives to be, at the centre of the modern idea of autonomy. The question of privacy is emerging as an increasingly important topic in social and political theory and is central to many current debates in law, the media and politics. The Value of Privacy will be widely recognised to be a classic contribution to the subject.

Social Organization - Charles Horton Cooley 1909

Neon Gods - Katee Robert 2021-06
Society darling Persephone Dimitriou wants nothing to do with her mother's ambitions. She's biding her time until she's able to leave the ultra-modern city of Olympus and start her doctorate degree. The one thing she never planned on? Her mother ambushing her with an engagement to Zeus--a man with more than a few dead wives in his past. Persephone will do anything to escape that fate...even flee the sparkling upper city and make a devil's bargain with a man she once believed was a myth. Hades has spent his life in the shadows, and he has no intention of stepping into the

light. Not even for the woman who flees into his territory as if the very hounds of hell are on her heels. But when he finds that Persephone can offer a little slice of the revenge he's spent his entire life craving? It's all the excuse he needs to agree to help her--for a price. She'll be his for the summer, and then he'll see her safely out of Olympus and

away from her mother and Zeus. Hades and Persephone's deal might seem simple enough, but they both quickly realize it's anything but. With every breathless night spent with Hades, Persephone wonders at her ability to leave him behind. And Hades? Now that he has a taste for Persephone, he's willing to go to war with Olympus itself to keep her...
