Facing Evil - Victoria Newman 2021-08-19

On October 24, 2014, a thrice-deported evildoer and his wife engaged in a Bonnie and Clyde-like crime spree through the Sacramento (CA) region, killing Deputy Danny Oliver and Detective Michael Davis. They also severely wounded a third deputy and a civilian. More victims and witnesses were terrorized as a several-hour manhunt ensued, resulting in several carjackings and shootings. Schools and neighborhoods were put on lockdown. The effects of chaos reverberated throughout the region until both were taken into custody. But it was only the beginning of a long journey of loss, grief, post-traumatic stress, and a painful trial. For years afterward, this day tormented the souls of many more officers, claiming marriages, careers, and peace of mind. Deputy Scott Brown, Oliver's partner and friend, was the first to face this evil and survive. With his wife, Liz, by his side, he embarked on a long and difficult journey through layers of grief, survivor's guilt and post-traumatic stress. Together, Scott and Liz continue to pursue healing, embracing a new mission to help others along the way. "This is REAL—it is not a romanticized or dramatized version of a law enforcement career. *Facing Evil* represents what it is truly like to be a human being who wears a uniform and a badge. This book will punch you in the gut, touch your heart and open your eyes." Kathy H. Thomas, PhD., Warrior's Rest Foundation, Clinical Director "Scott Brown takes readers to the authentic place where police officers in America live -- the raw and untold sacrifices they make on the job and at home to keep us all safe. He

describes in uncanny detail an event that shocked the country with the heinous headlines of a cop killer so filled with hate he couldn't even contain his courtroom outburst years after his crimes." Ty Steele, News Anchor "Listen to Scott's words! These are lessons and insights mired in road rash and shared with a level of vulnerability rarely seen in our profession, as he navigated the aftermath of the violent death of brothers in arms." Jeremy Kopp, Undersheriff of Gallatin County Sheriff's Office, Montana "Those who make this journey, together, share a special bond that only they can fully understand. This is a story of that special bond and the day two partners confronted evil ... and how triumph will continually rise out of that tragedy." Jim Bontrager, Vice-President of International Conference of Police Chaplains "Facing Evil tells of heartbreak, community, resource, deep faith, forgiveness (the toughest kind) and healing...after the abyss has had its turn looking long back into those who stand in that Thin Blue Line." Karen Lansing, LMFT, BCETS "Guided by faith and friendship, the author recounts how he overcame the "survivor's guilt" that had nearly destroyed his spirituality, family and career. *Facing Evil* is a must read for every law enforcement officer and significant other!" Michael Stolzman, President of Northern California C.O.P.S.

The End of Policing - Alex S. Vitale 2018-08-28

LOS ANGELES TIMES BESTSELLER The problem is not overpolicing, it is policing itself. Why we need to defund the police and how we get there. Recent weeks have seen an explosion of protest against police brutality and repression. Among activists, journalists and politicians, the conversation about how to respond and improve policing has focused on accountability, diversity, training, and community relations. Unfortunately, these reforms will not produce results, either alone or in combination. The core of the problem must be addressed: the nature of modern policing itself. This book attempts to spark public discussion by revealing the tainted origins of modern policing as a tool of social control. It shows how the expansion of police authority is inconsistent with community empowerment, social justice— even public safety. Drawing on groundbreaking research from across the world, and covering virtually every area in the increasingly broad range of police work, Alex Vitale demonstrates how law enforcement has come to exacerbate the very

problems it is supposed to solve. In contrast, there are places where the robust implementation of policing alternatives—such as legalization, restorative justice, and harm reduction—has led to a decrease in crime, spending, and injustice. The best solution to bad policing may be an end to policing.

Watch Me Disappear - Janelle Brown 2020-08-04

NEW YORK TIMES BESTSELLER • The disappearance of a beautiful, charismatic mother leaves her family to piece together her secrets in this propulsive novel for fans of *Big Little Lies*—from the bestselling author of *All We Ever Wanted Was Everything* and the upcoming *Pretty Things*.

“Watch Me Disappear is just as riveting as *Gone Girl*.”—San Francisco Chronicle Who you want people to be makes you blind to who they really are. It's been a year since Billie Flanagan—a Berkeley mom with an enviable life—went on a solo hike in Desolation Wilderness and vanished from the trail. Her body was never found, just a shattered cellphone and a solitary hiking boot. Her husband and teenage daughter have been coping with Billie's death the best they can: Jonathan drinks as he works on a loving memoir about his marriage; Olive grows remote, from both her father and her friends at the all-girls school she attends. But then Olive starts having strange visions of her mother, still alive. Jonathan worries about Olive's emotional stability, until he starts unearthing secrets from Billie's past that bring into question everything he thought he understood about his wife. Who was the woman he knew as Billie Flanagan?

Together, Olive and Jonathan embark on a quest for the truth—about Billie, but also about themselves, learning, in the process, about all the ways that love can distort what we choose to see. Janelle Brown's insights into the dynamics of intimate relationships will make you question the stories you tell yourself about the people you love, while her nervy storytelling will keep you guessing until the very last page. Praise for *Watch Me Disappear*

“Watch Me Disappear is a surprising and compelling read. Like the best novels, it takes the reader somewhere she wouldn't otherwise allow herself to go. . . . It's strongest in the places that matter most: in the believability of its characters and the irresistibility of its plot.”—Chicago Tribune “Janelle Brown's third family drama delivers an incisive and emotional view of how grief and recovery from loss can seep into each aspect of a person's life. . . . Brown imbues realism in each character, whose complicated emotions fuel the suspenseful story.”—Associated

Press “When a Berkeley mother vanishes and is declared dead, her daughter is convinced she's alive in Janelle Brown's thriller, calling to mind *Big Little Lies* and *Gone Girl*.”—Variety

They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. Stephen King Short Fiction - Stephen King 2021-10-05

Now in one stunning collection, four of Stephen King's most well-loved horror stories: *The Mist*, *Apt Pupil*, *The Body*, and *The Sun Dog*. Each standalone story is a riveting master class in short fiction from "the reigning King of American popular literature" (Los Angeles Daily News). In *The Mist*, terror descends in the wake of a summer storm. As the confinement takes its toll on the group's nerves, staying in the store may prove fatal—so, the Draytons, Brent, and a handful of other survivors attempt their escape. But what's out there may be worse than what they left behind. *Apt Pupil* follows Todd Bowden, a top-performing student and all-around "good kid" who learns his teacher, Mr. Dussander, is more than he seems.
