Adventure Bible Handbook - Zonderkidz, 2013-10-08

Adventure Awaits! When an archaeologist on an expedition in the Holy Land disappears, his four children are willing to try anything to find him. Dragging his assistant along, they join an offbeat tour group run by two zany guides whose mission, it turns out, is to lead kids from all over the world on a life-changing quest for truth. Soon the group is visiting ancient cities, exploring important geographical sites, and traveling back in time to experience biblical events firsthand—with the help of some Really Smart Phones (RSPs), a bunch of camels, jet skis, ATVs, hang gliders, and other wacky modes of transportation. Along the way, the children look for clues to their father's whereabouts and learn facts about ancient Bible times, the people, the culture, and witness important historical events, like the parting of the Red Sea, the building and filling of Noah's ark, and the crucifixion of Jesus. As they continue searching and their father is not

to be found, the kids are tempted to give up. But finishing this crazy tour may just be the key to finding their father—and learning what life is all about! The Adventure Bible Handbook is the newest addition to the Adventure Bible family of titles. The Adventure Bible is the #1 Bible for kids, packed with fun features that lead kids on an exciting journey through God's Word and help build on their relationship with God. Chronicles of Dinosauria - Dave Woetzel 2013-04-01

Explore legends, mythical sightings, and intriguing explorations from around the globe! Enjoy the unique combination of visual illustrations and unforgettable accounts. Discover why the author calls into question what we've been taught to believe and understand about the history of dinosaurs and man. Every legend is said to include some grain of truth, and for years co-author Dave Woetzel has sought to separate fact from fiction as he explores mysteries related to dinosaurs, mankind's history, and the biblical time-line. Teaming with artist and designer Richard Dobbs, the two have created a visual archive of expeditions and intriguing clues to explore, all of which highlight the connection to the authority and reliability of Scripture. Provocative artifacts from around the world are examined in an exquisite, full-color book that hints at man's familiarity with living dinosaurs. Studies point to more than simple answers beneath the waves of Loch Ness, and other sites

around the world, many investigated personally by the author. Here is the study of cryptozoology and the discoveries that seem to defy all evolutionary time-lines, vividly illustrated and filled with rare photos.
