A NEW NOVEL IN THE MONSTER HUNTER MEMOIRS SERIES. TWO AUTHORS, WHO COMBINED HAVE OVER FOUR MILLION BOOKS IN PRINT AND 10 NEW YORK TIMESBESTSELLERS, TEAM UP TO EXPAND LARRY CORREIA'S MONSTER HUNTER UNIVERSE!

NIGHTMARE IN THE BIG EASY With New Orleans out of control, Chad Oliver Gardenier, one of Monster Hunter International's premier hunters, has been dispatched from Seattle to reinforce the beleaguered members of MHI'S Hoodoo Squad in their fight against the darkness. Chad had once taken a werewolf while wearing only jogging gear. With half a dozen or more loup garou appearing every full moon, mysterious shadow demons, hoodoun necromancers, fifty-foot bipedal crocodiles showing up every couple of months and more vampires than a Goth concert, New Orleans in the '80s gives a whole new perspective to the term "Hell on Earth." In fact, more monsters are popping up than crawfish at a fais do do! Chad may be able to collect enormous bounties for the monsters he kills. But there's one catch: he has to stay alive to do it! Monster Hunter International, Second Edition - Larry Correia 2015-05-13

Contains an all-new afterword by New York Times best-selling author Larry Correia! Welcome to *Monster Hunter International*. Five days after Owen Zastava Pitt pushed his insufferable boss out of a fourteenth story window, he woke up in the hospital with a scarred face, an unbelievable memory, and a job offer. It turns out that monsters are real. All the things from myth, legend, and B-movies are out there, waiting in the shadows. Officially secret, some of them are evil, and some are just hungry. On the other side are the people who kill monsters for a living. *Monster Hunter International* is the premier eradication company in the business. And now Owen is their newest recruit. It's actually a pretty sweet gig, except for one little problem. An ancient entity known as the Cursed One has returned to settle a centuries old vendetta. Should the Cursed One succeed, it means the end of the world, and MHI is the only thing standing in his way. With the clock ticking towards Armageddon, Owen finds himself trapped between legions of undead minions, belligerent federal agents, a cryptic ghost who has taken up residence inside his head, and the cursed family of the woman he loves. Hollywood Gothic - David J. Skal 2004-10-18

The primal image of the black-caped vampire Dracula has become an indelible fixture of the modern imagination. It's recognition factor rivals, in its own perverse way, the familiarity of Santa Claus. Most of us can recite without prompting the salient characteristics of the vampire: sleeping by day in its coffin, rising at dusk to feed on the blood of the living; the ability to shapeshift into a bat, wolf, or mist; a mortal vulnerability to a wooden stake through the heart or a shaft of sunlight. In this critically acclaimed excursion through the life of a cultural icon, David Skal maps out the archetypal vampire's relentless trajectory from Victorian literary oddity to movie idol to cultural commodity, digging through the populist veneer to reveal what the prince of darkness says about us all.

Monster Hunter Bloodlines - Larry Correia 2021-08-03

IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING

PRIORITIES The chaos god Asag has been quiet since the destruction of the City of Monsters, but Monster Hunter International know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. But before the stone can be handed off, it is stolen by a mysterious thief with ties to MHI and the Vatican's Secret Guard. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is, there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Larry Correia and the Monster Hunter International series: “[E]verything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow.” —Jim Butcher “[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read.” —BookReporter.com “If you love monsters and action, you'll love this book. Go and buy some . . . for yourself and for stocking stuffers.” —Massad Ayoob “This lighthearted, testosterone-soaked sequel to 2009's Monster Hunter International will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts.” —Publishers Weekly on Monster Hunter Vendetta

Servants of War - Larry Correia 2023-02-28

MILITARY FANTASY FROM THE CREATOR OF MONSTER HUNTER INTERNATIONAL LARRY CORREIA AND MASTER OF HORROR

STEVE DIAMOND Horror in the trenches! The war between Almacia and the Empire of Kolakovia is in its hundredth year. Casualties heap even higher on both sides as the conflict leaves no corner of the world untouched. Illarion Glaskov's quiet life on the fringes of the empire is thrown into chaos when tragedy strikes his village. When he is conscripted into the Tsarist military, he is sent to serve in The Wall—an elite regiment that pilots suits of armor made from the husks of dead golems. But the great war is not the only—or even the worst—danger facing Illarion, as he is caught in a millennia-old conflict between two goddesses. In order to triumph, he must

survive the ravages of trench warfare, horrific monsters from another world, and the treacherous internal politics of the country he serves. About *Servants of War*: “*Servants of War* is a gritty, militaristic fantasy that is both engrossing and scary as hell . . . It gripped me from the beginning and consumed most of a Sunday for me . . . It's exactly what people want in dark fantasy, and I wholeheartedly recommend it to anyone who is looking for that sort of thing.” —Warped Factor “Solid characterization, great world-building, intense action . . . a great read.” —Elitist Book Review About Larry Correia: “Correia piles on the intrigue, action, and cliffhangers in the invigorating second *Saga of the Forgotten Warrior* epic fantasy. . . . Correia also weaves in elements that question the value of belief and the cost of giving authority to those who find more profit in preying on the weak. . . . Brisk fight scenes, lively characters, and plenty of black humor continue to make this series a real pleasure.” —Publishers Weekly “This book has everything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow.” —Jim Butcher, creator of the New York Times best-selling *Dresden Files* “Best-selling fantasy author Correia casts a compelling spell with this India-influenced series opener. . . . Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come.” —Publishers Weekly, starred review “Fans who like Correia's fast-moving style will be pleased with the plethora of action scenes, and epic fantasy readers interested in delving into a new universe should be equally satisfied. A solid choice for admirers of Brent Weeks and Brandon Sanderson's *Mistborn* series.” —Library Journal “Correia is, above all, a storyteller, and he weaves a unique and entertaining tale. Without question, his action sequences pop on the page, his magic system has a nice wrinkle, and he has the foundations laid out for some excellent character growth as the series continues. . . . [A] definite hit.”

—Bookreporter “The lore here is fascinating and well told. I enjoyed learning the history of the world and the legend of Ramrowan. The politics are just complicated enough to feel real without being too difficult to follow. Where the book truly shines, however, is in the characters. All are well drawn and distinctively voiced.” —SFCrowsnest “I loved the book, it was great, fast paced, with wonderful characters, and also a lot of wonderful scenes that screamed to be painted.” —Larry Elmore, legendary award-winning artist and cover artist for *Son of the Black Sword* “*Son of the Black Sword: Saga of the Forgotten Warrior* tells of what happens after the war with the gods, when demons were cast out and fell to the world to nearly destroy these unstoppable beasts until the gods sent a hero to save them. Centuries have passed since this event and the people have regulated these events to legend. One Ashok has been chosen to be a protector with a powerful weapon in hand, uncovering those who still practice old ways and are potential dangers to the order—but when he discovers all his efforts have been based on a lie, everything's about to change. A powerful epic fantasy evolves into a solid, compelling read.”

—Midwest Book Review “[A] no-holds-barred all-out page-turner that is part science fiction, part horror, and an absolute blast to read.” —BookReporter.com “A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books] . . . The plotting is excellent, and Correia makes you care about the characters . . . I read both books without putting them down except for work . . . so whaddaya waitin' for? —Publishers Weekly on *Monster Hunter Vendetta* About Steve Diamond: “Residue will scare you—that's its primary goal—but along the way it will touch you, shock you, make you laugh, make you cheer, and make you think. Horror has been waiting for Steve Diamond.” — Dan Wells
