If He Had Been with Me - Laura Nowlin 2013-04-02

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

The Marine Officer's Guide - Kenneth W. Estes 2008

The Marine Officer's Guide, 7th Edition describes in detail the Marine Corps as a military institution of the United States and, in so doing, delineates the characteristics of the men and women who constitute the Corps. The Guide supplements, but does not supplant, official regulations and instructions. It can help an officer to acquire quickly a stockpile of information, but it does not relieve the officer of his or her obligation to know the published regulations that govern our Corps. I have endeavored to provide sound advice and up-to-date information on professional matters of note to the Marine officer. I have described customs and usages that are current and not at variance with "the book." I have also deleted some practices that have become anachronistic, and persons in search of nostalgic material can refer to preceding editions for them. Many a well-worn copy sits ready at hand on the bookshelves of the officer corps, and officers of all grades have grown accustomed to its reliability and utility. This seventh edition reflects all the changes in the organization of the Corps fostered by the evolving military establishment of the United States. A modern corps, shaped in so many ways by the Great Pacific War of 1941-1945, now reflects the Gulf Conflicts and the passing of the era of superpower rivalry and the century of the world wars. What remain remarkably unchanged, however, are the character of the Marine Corps and the keen pursuit of excellence in the profession of arms that its officer corps reflects.

The Seventh Most Important Thing - Shelley Pearsall
2016-10-04

This "luminescent" (Kirkus Reviews) story of anger and art, loss and redemption will appeal to fans of Lisa Graff's *Lost in the Sun* and Vince Vawter's *Paperboy*. NOMINATED FOR 16 STATE AWARDS! AN ALA NOTABLE BOOK AN ILA TEACHERS CHOICE A KIRKUS REVIEWS BEST BOOK OF THE YEAR Arthur T. Owens grabbed a brick and hurled it at the trash picker. Arthur had his reasons, and the brick hit the Junk Man in the arm, not the head. But none of that matters to the judge—he is ready to send Arthur to juvie forever. Amazingly, it's the Junk Man himself who offers an alternative: 120 hours of community service . . . working for him. Arthur is given a rickety shopping cart and a list of the Seven Most Important Things: glass bottles, foil, cardboard, pieces of wood, lightbulbs, coffee cans, and mirrors. He can't believe it—is he really supposed to rummage through people's trash? But it isn't long before Arthur realizes there's more to the Junk Man than meets the eye, and the "trash" he's collecting is being transformed into something more precious than anyone could imagine. . . . Inspired by the work of folk artist James Hampton, Shelley Pearsall has crafted an affecting and redemptive novel about discovering what shines within us all, even when life seems full of darkness. "A moving exploration of how there is often so much more than meets the eye." —Booklist, starred review "There are so many things to love about this book. Remarkable." —The Christian Science Monitor

The Concise APA Handbook - Paul Chamness Iida 2020-07-01
Most students struggle with learning how to find references, use them effectively, and cite them appropriately in a required format. One of the most common formats is that of APA. The authors all have vast experience teaching writing courses to various levels of students from undergraduates to graduates in other countries. However, there was lacking a book that could explain the basics of APA in simple, easy-to-understand language for non-native speakers of English, who are often unfamiliar with using references and formatting an essay in a particular method. In order to offer English Learner student writers a source of information that is appropriate for their level, and is cost-effective, this updated APA 7th edition guidebook provides students with important information in clear, concise, user-friendly language, as well as to offer practical examples that will help them grasp the concept of secondary research writing. Much of the published materials on the market targets native speakers of English. The problem with this is that they present the nitpicky details of APA in ways that do not make sense to native speakers of English, let alone to those for whom English is not their first language, because the information is presented in very technical terms that are not easy to understand. This handbook presents the same information in simplified terms with images and step-by-step instructions in ways that make sense to both native and non-native English speaking student writers. Additionally, student writers often struggle with understanding the concept of plagiarism, as well as how to find sources, evaluate the appropriateness of sources, and use sources in effective ways (e.g., how to integrate quotes, when to paraphrase, among others). This book provides this important information that is concise and easy to understand. NOTE: This is a REVISED edition of our original *The Concise APA Handbook*, which has been updated for APA 7th edition, which was issued in the fall, 2019.

A Good Girl's Guide to Murder - Holly Jackson 2020-02-04
THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES•
Everyone is talking about *A Good Girl's Guide to Murder*! With shades of *Serial* and *Making a Murderer* this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect.

Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author
