EBOOK: Understanding Business, Global Edition - William Nickels 2012-05-16

Understanding Business Global Edition by Nickels, McHugh, and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons: (1) The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, (2) we listen to our customers, and (3) the quality of our supplements package. We consistently look to the experts - full-time faculty members, adjunct instructors, and of course students - to drive the decisions we make about the text itself and the ancillary package. Through focus groups, symposia, as well as extensive reviewing of both text and key ancillaries, we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement. As teachers of the course and users of their own materials, the author team is dedicated to the principles of excellence in business education. From providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues, to creating groundbreaking and market-defining ancillary items for professors and students alike, Understanding Business leads the way.

Sell it Online: How to Make Money Selling on eBay, Amazon, Fiverr & Etsy - Nick Vulich 2014-06-28

eBay, Amazon, Etsy, & Fiverr So many choices How do you decide? Which site is right for your online business? Many books promise to share the secrets to getting wealthy selling online. They tell you to sell this or that product, or to try this top secret listing method, or to sign up for this course. But, that's all they are - promises. Sell It Online is different. It's written by a real eBay Power Seller and Top Rated Seller. One who's been selling on eBay and Amazon for over fifteen years. Most importantly, Sell It Online doesn't make any crazy promises that you'll make a million dollars overnight selling on any of these sites. It's not going to happen. It also doesn't tell you that you can make three thousand dollars a month following my method, because those kinds of promises don't make sense. Anyone can make money selling online. But, you aren't going to make a fortune following someone else's plan.

eBay Hacks - David A. Karp 2005-06-02

Whatever you call it--an online auction house, the world's largest flea market, or a vast social experiment--no metaphor completely describes the huge trading community that is eBay. Underneath it all, eBay is also a computer program and a complex socio-economic system, requiring experience, finesse, and the right tools to master. *eBay Hacks, 2nd Edition* has been completely revised and updated to make use of an array of new tools and features, as well as to reflect the changes in the eBay API, eBay's policies, and general practices of its increasingly sophisticated users. In all, the new edition of *eBay Hacks* sports 30 brand-new hacks plus dozens of hacks that have been expanded, deepened, or otherwise completely rewritten. *eBay Hacks* shows you how to become a more efficient buyer and seller with clever tricks and shortcuts that will surprise even the most experienced eBayers. The book's wide range of topics covers all aspects of using eBay, such as advanced searching techniques, sniping tools, selling strategies, photography tips, and even research techniques for PowerSellers. But *eBay Hacks* doesn't just cover the basics; you will learn how to write scripts to automate tedious tasks, take better photos, and tap into the eBay API to develop your own custom tools. Unlike any other book, *eBay Hacks, 2nd Edition* also provides insight into the social aspects of the eBay community, with diplomatic tools to help to get what you want with the least hassle and risk of negative feedback. This bestseller supplies you with the tools you need to master eBay, whether as a buyer or seller, casual surfer or serious collector, novice or seasoned expert. With this guide, you will become a savvy power user who trades smarter and safer, makes more money, enjoys successes, and has fun doing it. *Popular Science* - 2002-12
