Optimists Die First - Susin Nielsen 2017-02-21

Award-winning author Susin Nielsen has written a laugh-out-loud and heartrending novel for fans of Robyn Schneider's *Extraordinary Means* and Cammie McGovern's *Say What You Will*. Beware: Life ahead. Sixteen-year-old Petula de Wilde is anything but wild. A former crafting fiend with a happy life, Petula shut herself off from the world after a family tragedy. She sees danger in all the ordinary things, like crossing the street, a bug bite, or a germ handshake. She knows: life is out to get you. The worst part of her week is her comically lame mandatory art therapy class with a small group of fellow misfits. Then a new boy, Jacob, appears at school and in her therapy group. He seems so normal and confident, though he has a prosthetic arm; and soon he teams up with Petula on a hilarious project, gradually inspiring her to let go of some of her fears. But as the two grow closer, a hidden truth behind why he's in the group threatens to derail them, unless Petula takes a huge risk. . . . Praise: Bank Street Best Children's Books of the Year "Nielsen writes with sensitivity, empathy, and humor." —Kirkus Reviews, Starred "Nielsen excels at depicting troubled, clever teenagers in familiar environments." —School Library Journal, Starred "[An] empathic and deeply moving story, balanced by sharply funny narration and dialogue." —Publishers Weekly, Starred "A poignant exploration into the nuances of healing." —Quill and Quire, Starred

MARVEL's Avengers: Infinity War: The Cosmic Quest Volume Two -

Brandon T. Snider 2018-11-27

Space. Reality. Soul. A deadly threat emerged from the cosmos—and it was fulfilled. In the wake of Thanos's horrifying success, the people of Earth are left reeling in despair and confusion. Without any logical explanation for the blip-out event, those remaining must pick up the pieces. Doctor Erik Selvig and his associate Darcy Lewis are determined to find and understand the cause of the devastation. With a team of friends both old and new, they embark on a pursuit of knowledge, eager to discover the links between their own pasts and the stones that decimated half of humanity—the Infinity Stones. Little do they know that a new foe who threatens to destroy them all is looming...

Overcoming Heterosexism and Homophobia - James Thomas Sears 1997

Few aspects of American military history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan. In this

carefully crafted volume, Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons, surveys the major debates related to that decision, and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II. Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945. He then provides a historical overview of the events in question, beginning with the decision and program to build the atomic bomb. Detailing the sequence of events leading to Japan's surrender, he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders. Finally, Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents, scholarly books, and articles.

Small Change for Stuart - Lissa Evans 2011-05-05

Stuart Horten - ten years old and small for his age - moves to the dreary town of Beeton, far away from all his friends. And then he meets his new

next-door neighbours, the unbearable Kingley triplets, and things get even worse. But in Beeton begins the strangest adventure of Stuart's life as he is swept up in quest to find his great-uncle's lost workshop - a workshop stuffed with trickery and magic. There are clues to follow and puzzles to solve, but what starts as fun ends up as danger, and Stuart begins to realize that he can't finish the task by himself . . . The first children's novel by Lissa Evans, this is a fast-moving blend of comedy and magic.

Oh, Freedom! - Francesco D'Adamo 2016-06-09

This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.

I Am An Artist - Marta Altés 2014-12-04

Meet the boy who can't stop creating art! He loves colours, shapes, textures and EVERYTHING inspires him: his socks, the contents of the fridge, even his cat gets a new coat (of paint!). But there's just one problem: his mum isn't quite so enthusiastic. In fact, she seems a little cross! But this boy has a plan to make his mum smile. He's about to create his finest piece yet and on a very grand scale . . . Funny, irreverent and perfect for creative children and adults, *I Am An Artist* by Marta Altés is a sharp, silly, fabulous book which shows that art is EVERYWHERE!

All Cats Welcome - Susin Nielsen 2022-05-10

In this sweet and affirming picture book, two cats discover they don't need to share a language to become friends. Leonard adores his human. "Stay! Let's play!" he says when it's time to leave for work. His human just hears "Meow." Sometimes Leonard gets lonely. So does Mariposa, who is new in town. Maybe they could keep each other company? "Hello," says Leonard. "Hola," says Mariposa. While the friends don't share a language, they do share adventures. And together they find a place where all

cats—and their humans—are welcome.

There's a mammoth living at the top of a mountain and a hungry caveman living at the bottom. Is the caveman going to get some mammoth pie - or not?

The Zohar - Michael Laitman 2009-01-01

The wisdom of Kabbalah teaches us how to perceive and live in the reality that spreads before us. It is a systematic method that has evolved over thousands of years, nurtured by individuals whose task was to ensure that the true wisdom would be given to those ready to receive it. The Book of Zohar (The Book of Radiance) is an ageless source of wisdom and the basis for all Kabbalistic literature. Since its appearance nearly 2,000 years ago, it has been the primary, and often only, source used by Kabbalists. Written in a unique and metaphorical language. The Book of Zohar enriches our understanding of reality and expands our worldview. However, this text should not be read in an ordinary fashion. We should patiently and repeatedly read and think about each sentence as we try to penetrate the author's feelings. We should read it slowly and try to extract the nuances of the text. Although the text deals with one subject only-how to relate to the Creator-it approaches it from different angles. This allows each of us to find the particular phrase or word that will carry us into the depths of this profound and timeless wisdom.

Word Nerd - Susin Nielsen 2016-10-06

Ambrose Bukowski is a twelve-year-old with a talent for mismatching his clothes, for saying the wrong thing at the worst possible time, and for words. In short, he's a self-described nerd. Making friends is especially hard because he and his overprotective mother, Irene, have had to move so often. And when bullies at his latest school almost kill him by deliberately slipping a peanut into his sandwich to set off his allergy, it's his mother who has the extreme reaction. From now on, Ambrose has to be home-schooled. Then Ambrose strikes up an unlikely friendship with the landlord's son, Cosmo, an ex-con who's been in prison. They have nothing in common except for Scrabble. But a small deception grows out of control when Ambrose convinces a reluctant Cosmo to take him to a Scrabble club. Could this spell disaster for Ambrose?

Elmet - Ted Hughes 1994

Fay Godwin is commonly regarded as this country's finest landscape photographer. Ted Hughes, who was born and brought up in the part of the world she has captured in these atmospheric studies, was inspired by them to provide a verse text, one of the most personal things he has written.

"I'll Get You!" Drugs, Lies, and the Terrorizing of a PTA Mom - Sam Rule 2016-08-31

dollar civil judgment in Kelli's favor.

Little Fox in the Forest - Stephanie Graegin 2017-02-28

Fans of Aaron Becker's Caldecott Honor winner *Journey* will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world. When a young girl brings her beloved stuffed fox to the playground, much to her astonishment, a real fox takes off with it! The girl chases the fox into the woods with her friend, the boy, following close behind, but soon the two children lose track of the fox. Wandering deeper and deeper into the forest, they come across a tall hedge with an archway. What do they find on the other side? A marvelous village of miniature stone cottages, tiny treehouses, and, most extraordinary of all, woodland creatures of every shape and size. But where is the little fox? And how will they find him? Stephanie Graegin's oh-so-charming illustrations are simply irresistible, and readers young and old will want to pore over the pages of this delightful fantasy adventure again and again.

Things I've Learned from Women Who've Dumped Me - Ben Karlin 2008-02-04

The Emmy award-winning former executive producer of *The Daily Show* and *The Colbert Report* has assembled a stellar lineup of men who have one thing in common: all have been dumped...and are willing to share their pain and the lessons learned. Relationships end. And in almost all of them, even the most callow among us take something away. This is a book about that something, whether it be major life lessons, like "If you lie, you will get caught," simple truths like, "Flowers work," or something wholly unique like, "Watch out for the high strung brother in the military." This anthology will be comprised of longer and shorter pieces, drawn from an array of impressive celebrities, writers and public figures. Some pieces may be a paragraph in length while others will be full-blown essays. All of them will be about that salient something men take away from a failed relationship. Yes, men learn. This is not a touchy-feely book. This is not a self-help book. This is a book packed with smart, funny and insightful stories from men you probably thought never got dumped, or if they did, would never admit it.

Caro George Clooney puoi sposare la mamma? - Susin Nielsen 2014

Dear George Clooney - Susin Nielsen 2012-04-10

Violet's TV-director dad has traded a job in Vancouver for one in Los Angeles, their run-down house for a sleek ranch-style home complete with a pool, and, worst of all, Violet's mother for a trophy wife, a blonde actress named Jennica. Violet's younger sister reacts by bed-wetting, and her mother ping-pongs from one loser to another, searching for love. As for Violet, she gets angry in ways that are by turns infuriating, shocking, and hilarious. When her mother takes up with the unfortunately named Dudley Wiener, Violet and her friend Phoebe decide that they need to take control. If Violet's mom can't pick a decent man herself, they will help her snag George Clooney. In *Dear George Clooney, Please Marry My Mom*,

Susin Nielsen has created a truly original protagonist in Violet and a brilliant new novel that will delight readers into rooting for her, even when she's at her worst.

[Tremendous Things](#) - Susin Nielsen 2021-05-25

From Governor General's Literary Award--winning author Susin Nielsen comes a funny and heartfelt story about learning how to rise above your most embarrassing moment with humor, best friends and a killer triangle solo. We all have moments that define us. For the comically clueless Wilbur, his moment happened on the first day of middle school, when someone shared his private letter with the entire student body. It revealed some of Wilbur's innermost embarrassing thoughts that no one else should ever know. Now it's the start of ninth grade and Wilbur hasn't been able to escape that major humiliation. His good friend Alex stuck by him, but Alex doesn't have as much time since he started dating Fabrizio. Luckily, Wilbur can confide in his best friend: his elderly neighbor Sal. Also, Wilbur's in the school band, where he plays the triangle. They're doing an exchange program with students from Paris, and Wilbur's billet, Charlie, a tall, chic young woman who plays the ukulele and burps with abandon, captures his

heart. Charlie likes him, but only as a friend. So Alex, Fabrizio and Sal host a Queer Eye-style intervention to get Wilbur in shape and to build his confidence so he can impress Charlie when their band visits Paris, and just maybe replace humiliation with true romance in the City of Love.

[Forged in Desire](#) - Brenda Jackson 2017-01-31

Strong enough to protect her. Bold enough to love her. When good girl Margo Connelly becomes Lamar "Striker" Jennings's latest assignment, she knows she's in trouble. And not just because he's been hired to protect her from an underworld criminal. The reformed bad boy's appeal is breaching all her defenses, and as the threats against her increase, Margo isn't sure which is more dangerous: the gangster targeting her, or the far too alluring protector tempting her to let loose. Though Striker's now living on the right side of the law, he's convinced his troubled past keeps Margo out of his league. But physical chemistry explodes into full-blown passion when they go on the run together. Surrendering to desire could be a deadly distraction—or finally prove that he's the only man qualified to keep her safe, and win her love.

[No Fixed Address](#) - Susin Nielsen 2018-09-11

For fans of Wendelin van Draanen and Cynthia Lord, a touching and funny middle-grade story about family, friendship, and growing up when you're one step away from homelessness. Twelve-and-three-quarter-year-old Felix Knutsson has a knack for trivia. His favorite game show is Who What Where When; he even named his gerbil after the host. Felix's mom, Astrid, is loving but can't seem to hold on to a job. So when they get evicted from their latest shabby apartment, they have to move into a van. Astrid swears him to secrecy; he can't tell anyone about their living arrangement, not even Dylan and Winnie, his best friends at his new school. If he does, she warns him, he'll be taken away from her and put in foster care. As their circumstances go from bad to worse, Felix gets a chance to audition for a junior edition of Who What Where When, and he's determined to earn a spot on the show. Winning the cash prize could make everything okay again. But things don't turn out the way he expects. . . . Susin Nielsen deftly combines humor, heartbreak, and hope in this moving story about people who slip through the cracks in society, and about the power of friendship and community to make all the difference.

[Cole Porter's You Never Know](#) - Cole Porter 2001

This romantic musical comedy is set in Paris in 1929. Filled with delightful, witty Cole Porter songs, the story takes place one summer evening in Baron Rommer's elegant penthouse suite at the Hotel Ritz. The baron and his butler switch identities so that the butler can pursue a woman he believes is a lady of a much higher class. It transpires that she is actually a maid in the service of Mme. Baltin, a high society figure who has captured the baron's heart. Her jealous husband and a Baker like actress headlining at the Follies Bergere round out the cast of this door slamming farce with wonderful songs and dancing.

[At the Crossroads of the Earth and the Sky](#) - Gary Urton 2013-12-18

Above Misminay, the sky also is so divided by the alternation of the two axes of the Milky Way passing through the zenith. This mirror-image quadri-partition of terrestrial and celestial spheres is such that a point within one of the quarters of the earth is related to a point within the corresponding celestial quarter. The transition between the earth and the sky occurs at the horizon, where sacred mountains are related to topographic and celestial features. Based on fieldwork in Misminay, Peru, Gary Urton details a cosmology in which the Milky Way is central. This is the first study that provides a description and analysis of the astronomical and cosmological system in a contemporary community in the Americas. Separate chapters take up the sun, the moon, meteorological phenomena, the stars, and the planets. Star-to-star constellations, the "animal" dark-cloud constellations that cut through the Milky Way, and certain twilight- and midnight-zenith stars are analyzed in terms of their spatial and temporal integration within an indigenous cosmological framework. Urton

breaks new ground by demonstrating the indigenous merging of such forms of "precise knowledge" as astronomy, meteorology, agriculture, and the correlation of astronomical and biological cycles within a single calendar system. More than sixty diagrams clarify this Quechua system of astronomy and relate it to more familiar principles of Western astronomy and cosmology.

[Shadow](#) - Michael Morpurgo 2014-12-23

Author of *War Horse*, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing down on them, Aman and his mother are barely surviving in an Afghan cave, and staying there any longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow.

Aman is heart-broken. Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your shadow.
