Trying to Live with the Dead - B. L. Brunnemer 2017-05-09

Hi, I'm Alexis Delaney. I'm your average 17-year-old girl. Except I can see the dead. And talk to the dead. And push them away and, well, help them move on. So..okay, I'm not your average 17-year-old girl. For years I've been struggling to survive the souls still roaming around. The shitheads always seem to find me. Moving from town to town every few months never helped either. More dead just always find me. But things are changing for me now. I'm moving in with my uncle Rory and cousin Tara. I'm finally going to be able to do normal teenage stuff I've been missing out on. Right? Well, if this one bitch of a ghost could leave me alone on campus that would be great. Especially since I haven't told my new friends about my abilities. Can you believe this? Five good looking guys practically adopt me on my first day of school, and I still think they're a bit nuts for it. Now if I can only just keep my life with the dead from mixing with my normal life, everything would be great. Yeah...I don't see that happening either. But I'm going to give it a shot. Who knows? It might work.

Something About Witches - Joey W. Hill 2012-02-07

Joey W. Hill thrills in a dazzling new spellbinder of modern-day witchcraft, ancient evil, and the magical tricks men and women play in the name of love . . . Ruby Night Divine is a gun-shop owner. She's also a witch who knows magic can fail. She's experienced it firsthand, with full-blown tragic consequences. Smith & Wesson is a whole hell of a lot more reliable, and nothing's as cathartic as the ability to put a few holes in the things that piss you off. Like Derek Stormwind. A powerful sorcerer, Derek is determined to get to the bottom of why Ruby pushed him away and ran three years before. He also needs her help. A coven needs training to fight a demon and his minions. While Ruby is willing to do it, she's sure it's just a ruse to get back in her heart—and her bed. The thing is, that's where she wants him. Unfortunately, her bed's already made, she's this close to losing her soul, and she fears nothing can save her. Not Derek. Not even Smith & Wesson.

The Midnight Hour - Benjamin Read 2020-03-03

For fans of portal fantasies like Jessica Townsend's Nevermoor, Colin Meloy's Wildwood, and The Spiderwick Chronicles by Tony DiTerlizzi and Holly Black, and unlike so many other fantasies that

introduce readers to a world of enchantment and wonder, *The Midnight Hour* is one filled with beasts and monsters for readers looking to shine their flashlights under the covers. When strange late-night letters start arriving at home, Emily's parents set off to investigate. But when her parents disappear completely and Emily is left home alone to face the weird strangers that begin to appear at her door, she takes all of the clues at her disposal and makes for the place where the letters came from -- the mysterious Night Post. What she'll discover is the secret world of the *Midnight Hour* -- a Victorian London frozen in time, full of magic and monsters. Kept safe by an age-old agreement, the Night Folk have been exiled to a parallel world that can only be accessed by a selected few, including the mail carriers of the infamous Night Post that operate between the two worlds. Emily's parents are key players in keeping the Night Folk safe, but when the division of the two worlds is threatened, Emily must search for her parents while navigating this dark and unknown version of London. Armed only with a packed lunch, her very sleepy pocket hedgehog, and her infamously big argumentative mouth, she must escape bloodthirsty creatures of the night, figure out her own family secrets, and maybe just save the world. This is a frightening and enchanting story, a world built out of creatures from our worst fears who become relatable, fully formed characters unlike any we've seen as these strangers of parallel worlds band together to save the day.

The Secret Lake - Karen Inglis 2011

A lost dog, a hidden time tunnel and a secret lake take Stella and Tom to their home and the children living there 100 years in the past. A time-travel adventure for ages 8-11 enjoyed by over 500,000 children. The long-awaited sequel now out!

The Ring of the Seven Worlds - Giovanni Gualdoni 2019-05-21

Sci-Fi, Fantasy, Action/Adventure and Manga all blend into this Steampunk saga about interconnected worlds at the mercy of an invasion. Seven planets linked to one another by the multidimensional gates of a giant ring. Only the passage to Nemo, one of the Seven Worlds, has remained sealed for three centuries in order to imprison its people after they savagely attacked the rest of the Empire. When the infamous gate reopens and unleashes the ancient enemy, Timo and Luce, two teenagers from the planet Mose, are caught up in a war they were not prepared to fight.

Threads and Traces - Carlo Ginzburg 2012-09-02

"This book is a translation of historian Carlo Ginzburg's latest collection of essays. Through the detective work of uncovering a wide variety of stories or microhistories from fragments, Ginzburg takes on the bigger questions: How do we draw the line between truth and fiction? What is the relationship between history and memory? Stories range from medieval Europe, the inquisitional trial of a witch, seventeenth-century antiquarianism, and twentieth-century historians"--Provided by publisher.

The Secret Garden - Hodgson B.F.

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

Decadent Genealogies - Barbara Spackman 2018-03-15

Barbara Spackman here examines the ways in which decadent writers adopted the language of physiological illness and alteration as a figure for psychic otherness. By means of an ideological and rhetorical analysis of scientific as well as literary texts, she shows how the rhetoric of sickness provided the male decadent writer with an alibi for the occupation and appropriation of the female body.

The Hawkweed Prophecy - Irena Brignull 2016-09-06

Poppy Hooper and Ember Hawkweed couldn't lead more different lives. Poppy is a troubled teen: moving from school to school, causing chaos wherever she goes, never making friends or lasting connections. Ember is a young witch, struggling to find a place within her coven and prove her worth. Both are outsiders: feeling like they don't belong and seeking escape. Poppy and Ember soon become friends, and secretly share knowledge of their two worlds. Little do they know that destiny has brought them together: an ancient prophecy, and a life-changing betrayal. Growing closer, they begin to understand why they've never belonged and the reason they are now forever connected to each other. Switched at birth by the scheming witch Raven Hawkweed, Poppy and Ember must come to terms with their true identities and fight for their own place in the world. Enter Leo, a homeless boy with a painful past who – befriending them both – tests their love and loyalty. Can Poppy and Ember's friendship survive? And can it withstand the dark forces that are gathering?

Brain Rules (Updated and Expanded) - John Medina 2014-04-22

Most of us have no idea what's really going on inside our heads. Yet brain scientists have uncovered details every business leader, parent, and teacher should know—like the need for physical activity to get your brain working its best. How do we learn? What exactly do sleep and stress do to our brains? Why is multi-tasking a myth? Why is it so easy to forget—and so important to repeat new knowledge? Is it true that men and women have different brains? In *Brain Rules*, Dr. John Medina, a molecular biologist, shares his lifelong interest in how the brain sciences might influence the way we teach our children and the way we work. In each chapter, he describes a brain rule—what scientists know for sure about how our brains work—and then offers transformative ideas for our daily lives. Medina's fascinating stories and infectious sense of humor breathe life into brain science. You'll learn why Michael Jordan was no good at baseball. You'll

peer over a surgeon's shoulder as he proves that most of us have a Jennifer Aniston neuron. You'll meet a boy who has an amazing memory for music but can't tie his own shoes. You will discover how: Every brain is wired differently Exercise improves cognition We are designed to never stop learning and exploring Memories are volatile Sleep is powerfully linked with the ability to learn Vision trumps all of the other senses Stress changes the way we learn In the end, you'll understand how your brain really works—and how to get the most out of it.

The Velvet Underground - Michael Leigh 2013-10-12

Swingers and swappers, strippers and streetwalkers, sadists, masochists, and sexual mavericks of every persuasion; all are documented in *The Velvet Underground*, a legendary exposé of the diseased underbelly of '60s American society. The book that lent its name to the seminal New York rock'n'roll group, whose songs were to mirror its themes of depravity and social malaise. Welcome to the sexual twilight zone...

Il segreto - Libro Uno - Katrina Kahler 2017-12-19

Se sei in cerca di un buon libro per ragazze, sicuramente amerai "Il segreto, Libro 1". Quando la dodicenne Tess si trasferisce in un nuovo quartiere, prova a fare amicizia con Sam, un ragazzo della sua stessa età che vive nella casa accanto alla sua. Tess non sa che Sam ha un potere speciale, che deve tenere nascosto a tutti i costi. No, non può leggere nel pensiero ma è capace di cose che stenta a controllare. Gli altri ragazzi pensano che Sam sia strano e tendono ad evitarlo. Ma l'arrivo di Tess cambia tutto. Sam non è l'unico a provare interesse per Tess, tuttavia. Quando anche il ragazzo più popolare della scuola, Jake Collins, inizia a interessarsi a Tess, Sam capisce di non avere nessuna speranza. In seguito, Sam sarà costretto a dare una bella lezione a Jake, i cui atti di bullismo si stavano facendo intollerabili. Ma cosa succederà quando Sam si spingerà troppo oltre? E Tess, si renderà conto di cosa è capace Sam? Se ti piacciono i libri che parlano di ragazzi con poteri speciali e ti è piaciuta la serie "Emmie la telepatica", allora amerai anche questa serie di romanzi. Una nuova eccitante storia, ricca di drammi, suspense, amicizia, cotte adolescenziali e molto altro ancora. Un libro avvincente che non riuscirai a smettere di leggere.

Brokers of Public Trust - Laurie Nussdorfer 2009-11-16

This magisterial new work brings fresh insight into the essential functions of early modern Roman society and the development of the modern state.

Hypnotic Writing - Joe Vitale 2006-12-22

Discover the secrets of written persuasion! "The principles of hypnosis, when applied to copywriting, add a new spin to selling. Joe Vitale has taken hypnotic words to set the perfect sales environment and then shows us how to use those words to motivate a prospect to take the action you want. This is truly a new and effective approach to copywriting, which I strongly recommend you learn. It's pure genius." -Joseph Sugarman, author of *Triggers* "I've read countless book on persuasion, but none come close to this one in showing you exactly how to put your readers into a buying trance that makes whatever you are offering them irresistible." -David Garfinkel, author of *Advertising Headlines That Make You Rich* "I am a huge fan of Vitale and his books, and *Hypnotic Writing* (first published more than twenty years ago), is my absolute favorite. Updated with additional text and fresh examples, especially from e-mail writing, Joe's specialty, *Hypnotic Writing* is the most important book on copywriting (yes, that's really what it is about) to be published in this century. Read it. It will make you a better copywriter, period." -Bob Bly, copywriter and author of *The Copywriter's Handbook* "I couldn't put this book down. It's eye opening and filled with genuinely new stuff about writing and persuading better. And it communicates it brilliantly and teaches it brilliantly-exemplifying the techniques by the writing of the book itself as you go along." -David Deutsch, author of *Think Inside the Box*,

www.thinkinginside.com "Hypnotic Writing is packed with so much great information it's hard to know where to start. The insights, strategies, and tactics in the book are easy to apply yet deliver one heck of a punch. And in case there's any question how to apply them, the before-and-after case studies drive the points home like nothing else can. Hypnotic Writing is not just about hypnotic writing. It is hypnotic writing. On the count of three, you're going to love it. Just watch and see." -Blair Warren, author of *The Forbidden Keys to Persuasion*

Forbidden Magic - Jo Beverley 2005-08-02

Left penniless after her parents' death, Meg Gillingham is in dire straits. Reluctantly, she turns for help to her only legacy—a magic statue that will grant wishes, but at a price.

The Secret of Platform 13 - Eva Ibbotson 2008-09-04

Under Platform 13 at King's Cross Station there is a secret door that leads to a magical island . . . It appears only once every nine years. And when it opens, four mysterious figures step into the streets of London. A wizard, an ogre, a fey and a young hag have come to find the prince of their kingdom, stolen as a baby nine years before. But the prince has become a horrible rich boy called Raymond Trottle, who doesn't understand magic and is determined not to be rescued. Shortlisted for the Smarties Prize, *The Secret of Platform 13* is an exciting magical adventure from Eva Ibbotson, the award-winning author of *Journey to the River Sea*. 'This kind of fun will never fail to delight' Philip Pullman

The Secret Language of Cells - Jon Lieff 2020-09-22

Your cells are talking about you. Right now, both your inner and outer worlds are abuzz with chatter among living cells of every possible kind—from those in your body and brain to those in the environment around you. From electrical alerts to chemical codes, the greatest secret of modern biology, hiding in plain sight, is that all of life's activity boils down to one thing: conversation. While cells are commonly considered the building block of living things, it is actually the communication between cells that brings us to life, controlling our bodies and brains, determining whether we are healthy or sick, and directly influencing how we think, feel, and behave. In *The Secret Language of Cells*, doctor and neuroscientist Jon Lieff lets us listen in on these conversations, and reveals their significance for everything from mental health to cancer. He explains the surprising science of how very different cells—bacteria and brain cells, blood cells and viruses—all speak the same language. This overarching principle has been long overlooked because scientific journals use impenetrable jargon that makes it hard to be understood across disciplines, much less by the general public. Lieff presents a fascinating and accessible look into cellular communication science—a groundbreaking and comprehensive exploration of this biological phenomenon. In these pages, discover the intriguing lives of cells as they ask questions, get answers, give feedback, gather information, call for each other, and make complex decisions. During infections, immune T-cells tell brain cells that we should "feel sick" and lie down. Cancer cells warn their community about immune and microbe attacks. Gut cells talk with microbes to determine which are friends and which are enemies, and microbes talk with each other and with much more complicated human cells in ways that determine which medicines work and which will fail. With applications for immunity, chronic pain, weight loss, depression, cancer treatment, and virtually every aspect of health and biology, cellular communication is revolutionizing our understanding not just of disease, but of life itself. *The Secret Language of Cells* is required reading for anyone interested in following the conversation.

To Enthrall the Demon Lord - Nadine Mutas

Continue reading the award-winning Love and Magic series with this sexy paranormal romance, and enjoy a world of dangerous seduction, witty banter, and enemies-to-lovers happily ever afters! Warning: Contains a hero who's Tall, Dark, and Possessive, and may melt your heart as well as your reading device. Handle with care and a bucket of ice water nearby. And maybe some tissues. His hunger for power knows no bounds...until she binds his heart. To keep an ill-fated bargain, witch Maeve MacKenna surrenders herself to the scheming Demon Lord Arawn. He's dangerous, arrogant, ruthless, and dominant — everything she should dread in a male, especially

since another demon's torture left scars on her body and soul. She should tremble with terror in Arawn's presence. So why does he make her shiver for entirely different reasons? And awaken parts of her body she believed numb after her assault? Arawn gets what Arawn wants. But when the witch he's been coveting — for the ancient magic bound inside her — walks into his lair, what should have been simple and straightforward becomes uncomfortably complicated as his interest in her...shifts. A dance of power and attraction begins amid a looming outside threat — because Maeve is not the only one with an age-old force stirring inside her, and the Demon Lord's rivals are all-too eager to seize that kind of power... The Secret - Sean Kelly & Ted Mann & Byron Preiss 2014-03-18

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of *THE SECRET*. Are you smart enough? *THE SECRET: A TREASURE HUNT* was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

Earl Nightingale's the Strangest Secret - Earl Nightingale 2007-03

"This book is a transcription of the original 1956 Gold Record Recording of: *The Strangest Secret*" -Title page verso.

The Name of this Book Is Secret - Pseudonymous Bosch 2008-09-01

Read the series that's sold more than 2 million copies—if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the *Symphony of Smells*, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Mama's Boy - Dustin Lance Black 2020-03-17

This heartfelt, deeply personal memoir explores how a celebrated filmmaker and activist and his conservative Mormon mother built bridges across today's great divides—and how our stories hold the power to heal. • Adapted as an HBO documentary now streaming on HBO Max. "A beautifully written, utterly compelling account of growing up poor and gay with a thrice married, physically disabled, deeply religious Mormon mother, and the imprint this irrepressible woman made on the character of Dustin Lance Black." —Jon Krakauer, bestselling author of *Missoula* and *Under the Banner of Heaven* Dustin Lance Black wrote the Oscar-winning screenplay for *Milk* and helped overturn California's anti-gay marriage Proposition 8, but as an LGBTQ activist he has unlikely origins—a conservative Mormon household outside San Antonio, Texas. There he was raised by a single mother who, as a survivor of childhood polio, endured brutal surgeries as well as braces and crutches for life. Despite the abuse and violence of two questionably devised Mormon

marriages, she imbued Lance with her inner strength and irrepressible optimism. When Lance came out to his mother at age twenty-one, she initially derided his sexuality as a sinful choice. It may seem like theirs was a house destined to be divided—and at times it was. But in the end, they did not let their differences define them or the relationship that had inspired two remarkable lives. This heartfelt, deeply personal memoir explores how a mother and son built bridges across great cultural divides—and how our stories hold the power to heal.

[The Adamantine Palace](#) - Stephen Deas 2010-02-02

The power of the Realms depends on its dragons. With their terrifying natures tempered by a mysterious liquid, they are ridden by the aristocracy and bred for hunting and war. But as dangerous political maneuverings threaten the empire, a single dragon has gone missing. And even one dragon returned to its full intelligence and fury could spell disaster for the Realms...

[The Twelfth Knight](#) - Victoria Sue 2019-09-12

To battle an ancient evil, the greatest weapon each hero will have is each other. Hundreds of years ago, facing defeat, the witch Morgana sent monsters into the future to vanquish a humanity King Arthur wouldn't be able to save. The King might have won the battle, but now, centuries later, a few chosen men will have to fight the war. Merlin always hated being named after some mythological wizard. His dad had been obsessed with the magic man of King Arthur's Court before his untimely death - a loss that had sent Mel reeling in a downward spiral. He is ill-prepared, to say the least, for the outrageous claims of a proper English knight bent on overcoming evil. Born a commoner, Lancelot was never supposed to be a knight in his own time, never mind now in a modern world he is so woefully untrained to protect. Thrown into a battle centuries in the making, this flawed hero, and a young man too-used to battling monsters of the present day, will have to come together in a last desperate fight to save humanity. Can Mel and Lance defeat the greatest enemy the world has ever known? Or in the midst of fighting evil, will they discover the real threat has always been a shattered heart? And what if the one fight they cannot ever hope to win is with themselves?
